Dear Jodi,

As you know, ORC 317.06 requires County Recorders to "attend and successfully complete" continuing education each year. According to the Policy Guidelines of the Ohio Recorders' Association Continuing Education Committee, by January 30 of each year the CE Committee shall submit to the ORA Secretary the list of approved continuing education courses and the number of hours each county recorder has successfully completed the previous calendar year. Attached please find the list of continuing education courses offered at each of the ORA events last year, as well as the spreadsheet documenting the total hours earned by each County Recorder and Deputy for their attendance at those events.

Please do not hesitate to contact me with any questions you may have about the information I have submitted to you. I am happy to help in any way I can.

Sincerely,

Jessica Markins

Jessica Markins
Chair, ORA CE Committee
