Subject: Coronavirus State and Local Fiscal Recovery Fund
Date: July 11, 2022

The Coronavirus State and Local Fiscal Recovery Fund (SLFRF) is one of the most complex Federal programs in recent history. In light of the complexity of the program, the Auditor of State has developed a SLFRF testing template which is an optional template for use when SLFRF is a major program. The optional SLFRF testing template, as well as a training on how to use the template, is available on the [FACCR page](#) of the Auditor of State website.
