We have audited, in accordance with *Governmental Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of Henry County, Ohio (the “County”) for the year ended December 31, 2018, and have separately issued our unmodified report thereon dated June 28, 2019. These statements present the landfill as a major enterprise fund and also within the County’s business-type activities.

In a letter to the Ohio Environmental Protection Agency dated June 28, 2019 (the “Letter”), Kevin Garringer, County Auditor, specified that certain amounts disclosed in that Letter were derived from the independently audited financial statements referred to in the first paragraph above.

We have performed the procedures enumerated below as agreed to by the County and by the Ohio Environmental Protection Agency, solely to assist you in determining that certain amounts reported in the Letter agreed to, or can be computed from, amounts presented in the audited basic financial statements for the year then ended December 31, 2018. The County’s management is responsible for the information presented in the Letter. We followed the American Institute of Certified Public Accountants’ attestation standards for agreed-upon procedures engagements and applicable attestation engagement standards included in the Comptroller General of the United States’ *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the addressees. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

As required by Ohio Administrative Code Sections 3745-27-15(L)(5)(c) and 3745-27-16(L)(5)(c), we have agreed the following amounts included in the Letter to the audited financial statements:

Alternative 1, <u>Line No.</u>	
2	Sum of cash and marketable securities
3	Total expenditures
4	Annual debt service
5	Long-term debt
6	Capital expenditures
7	Total assured environmental costs
8	Total annual revenue

The amounts on lines 2 through 6 and 8 agree to the basic fund financial statements of the County, or can be computed from amounts appearing therein. We followed the definitions for lines 2 through 6 and 8 included in the *State Support Document for Local Government Financial Test*, issued November 27, 1996 by the U.S. EPA. Line 7 includes total assured environmental costs reported in the financial statements following Governmental Accounting Standards Board Statement No. 18, *Accounting for Municipal Solid Waste Landfill Closure and Postclosure Care Costs*.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Letter. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that we would have reported to you.

This report is intended solely for the information and use of the addressees listed above and is not intended to be and should not be used by anyone other than those specified parties.
