OHIO AUDITOR OF STATE KEITH FABER

Retirement Board
State Teachers Retirement System of Ohio
275 East Broad Street
Columbus, Ohio 43215-3771

We have reviewed the *Independent Auditors' Report* for the GASB 75 (OPEB) related schedules of the State Teachers Retirement System of Ohio, Franklin County, prepared by CliftonLarsonAllen LLP, for the audit period July 1, 2017 through June 30, 2018. Based upon this review, we have accepted these reports. The Auditor of State did not audit the accompanying schedules and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The State Teachers Retirement System of Ohio is responsible for compliance with these laws and regulations.

A handwritten signature in black ink that reads "Keith Faber".

INDEPENDENT AUDITORS' REPORT

Retirement Board
State Teachers Retirement System of Ohio and
The Honorable Keith Faber, Auditor of State

Report on Schedules

We have audited the accompanying schedule of employer allocations of State Teachers Retirement System of Ohio (STRS Ohio), as of and for the year ended June 30, 2018, and the related notes. We have also audited the total for all entities of the columns titled net OPEB asset, total deferred outflows of resources, total deferred inflows of resources, and total proportionate share of plan OPEB expense (income) as of and for the year ended June 30, 2018 (specified column totals), included in the accompanying schedule of collective postemployment benefits other than pension (OPEB) amounts by employer of STRS Ohio, and the related notes.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these schedules in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of schedules that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on the schedule of employer allocations and the specified column totals included in the schedule of collective OPEB amounts by employer based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the schedule of employer allocations and specified column totals included in the schedule of collective OPEB amounts by employer are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the schedule of employer allocations and specified column totals included in the schedule of collective OPEB amounts by employer. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the schedule of employer allocations and specified column totals included in the schedule of collective OPEB amounts by employer whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the schedule of employer allocations and specified column totals included in the schedule of collective OPEB amounts by employer in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the schedule of employer allocations and specified column totals included in the schedule of collective OPEB amounts by employer.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the schedules referred to above present fairly, in all material respects, the employer allocations and net OPEB asset, total deferred outflows of resources, total deferred inflows of resources, and total proportionate share of plan OPEB expense (income) for the total of all participating entities for STRS Ohio as of and for the year ended June 30, 2018, in accordance with accounting principles generally accepted in the United States of America.

Other Matter

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of STRS Ohio as of and for the year ended June 30, 2018, and our report thereon, dated December 6, 2018, expressed an unmodified opinion on those statements.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 22, 2019, on our consideration of STRS Ohio's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of STRS Ohio's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering STRS Ohio's internal control over financial reporting.

Restriction on Use

Our report is intended solely for the information and use of the management of STRS Ohio, The Retirement Board, STRS Ohio's employers, and their auditors and is not intended to be and should not be used by anyone other than these specified parties.

CliftonLarsonAllen LLP

**Note 1 — Nature and Organization of the Plan
State Teachers Retirement System of Ohio**

The following brief description of State Teachers Retirement System of Ohio (STRS Ohio) is provided for general information purposes only. Users of this report should refer to the June 30, 2018 STRS Ohio *Comprehensive Annual Financial Report* for more information.

Plan Membership — STRS Ohio is a cost-sharing multiple employer statewide retirement plan for licensed teachers and other faculty members employed in the public schools of Ohio (the state) or any school, college, university, institution or other agency controlled, managed and supported, in whole or part, by the state or any political subdivision thereof. STRS Ohio provides retirement and disability benefits to members, death and survivor benefits to beneficiaries and health care benefits to retirees.

Postemployment Benefits other than Pension (Health Care) — Ohio law authorizes the State Teachers Retirement Board to offer a cost-sharing, multiple-employer health care plan. STRS Ohio provides access to health care coverage to eligible retirees who participated in the Defined Benefit or Combined Plans and their eligible dependents.

Coverage under the current program includes hospitalization, physicians' fees and prescription drugs and reimbursement of a portion of the monthly Medicare Part B premiums. Medicare Part B premium reimbursements will be discontinued effective January 1, 2020. Pursuant to the Ohio Revised Code, the Retirement Board has discretionary authority over how much, if any, of the associated health care costs will be absorbed by the plan. All benefit recipients pay a portion of the health care costs in the form of a monthly premium. Benefit recipients contributed \$329.3 million or 64% of the total health care benefit payments in fiscal 2018 (excluding deductibles, coinsurance and copayments).

Medicare Part D is a federal program to help cover the costs of prescription drugs for Medicare beneficiaries. This program allows STRS Ohio to recover part of the cost for providing prescription coverage since all eligible STRS Ohio health care plans include creditable prescription drug coverage. For the year ended June 30, 2018, STRS Ohio received \$107.2 million in Medicare Part D Government reimbursements.

Contributions — Employer and member contribution rates are established by the Retirement Board and limited by Chapter 3307 of the Ohio Revised Code. The statutory employer rate is 14% and the statutory member rate is 14% of covered payroll. Under Ohio law, funds to pay health care costs may be deducted from employer contributions. For the year ended June 30, 2018, no employer allocation was made to the health care fund.

Note 2 — Measurement Focus and Basis of Accounting

The schedules are presented in accordance with the provisions of the Governmental Accounting Standards Board (GASB), which is the nationally accepted standard setting body for establishing accounting principles generally accepted in the United States of America for governmental entities. As prescribed by GASB, the schedules are reported using the economic resources measurement focus and the accrual basis of accounting.

For purposes of measuring the net other postemployment benefits (OPEB) asset, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, information about the fiduciary net position of STRS Ohio and additions to/deductions from STRS Ohio's fiduciary net

position have been determined on the same basis as they are reported by STRS Ohio. For this purpose, health care benefit payments are recognized when due and payable in accordance with the terms of the plan. Investments are reported at fair value.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

Note 3 — Postemployment Health Care Net OPEB Asset

The net OPEB asset of \$1,606,898,000 was measured as of June 30, 2018 and the total OPEB liability used to calculate the net OPEB asset was determined by an independent actuarial valuation as of that date. Each respective employer allocation percentage of the net OPEB asset is based on the employer’s share of employer contributions in the pension plan relative to the total employer contributions of all participating STRS Ohio employers. Employer contributions were determined based on the 14% employer rate and total member contributions from employer payroll reports for the year ended June 30, 2018. The difference between the total employer contributions based on the payroll reports and the employer contributions on the STRS Ohio CAFR is summarized as follows:

Employer contributions based on employer payroll reports	\$1,591,563,848
Difference between accrued and reported employer payroll	7,636,314
Purchase service credit and other employer contributions	<u>5,582,084</u>
Employer contributions reported on the STRS Ohio CAFR	\$1,604,782,246

Note 4 — Deferred Outflows and Deferred Inflows

Deferred outflows and deferred inflows represent the effect of changes in the net OPEB asset due to the difference between projected and actual investment earnings, differences between expected and actual actuarial experience, changes in assumptions, changes in plan design and changes in the employer’s proportion of the collective net OEPB asset. The deferred outflows and deferred inflows are to be included in OPEB expense or income over current and future periods. The difference between projected and actual investment earnings is recognized in OPEB expense or income using a straight line method over a closed five year period beginning in the current year. Deferred outflows and deferred inflows resulting from changes in sources other than differences between projected and actual investment earnings are amortized over a closed seven year period using a straight line method which represents the average expected remaining service lives of all members of the plan (both active and inactive). Employer contributions to the OPEB plan subsequent to the measurement date are also required to be reported as a deferred outflow of resources.

Note 5 — Actuarial Assumptions

The total OPEB liability in the June 30, 2018 actuarial valuation was determined using the following assumptions, applied to all periods included in the measurement:

Salary increases	12.50% at age 20 to 2.50% at age 65	
Payroll increases	3.00%	
Investment rate of return	7.45%, net of investment expenses, including inflation	
Discount rate of return	7.45%	
Health care cost trends	Initial	Ultimate
Medical		
Pre-Medicare	6.00%	4.00%
Medicare	5.00%	4.00%
Prescription Drug		
Pre-Medicare	8.00%	4.00%
Medicare	-5.23%	4.00%

Mortality Rates — For healthy retirees the mortality rates are based on the RP-2014 Annuitant Mortality Table with 50% of rates through age 69, 70% of rates between ages 70 and 79, 90% of rates between ages 80 and 84, and 100% of rates thereafter, projected forward generationally using mortality improvement scale MP-2016. For disabled retirees, mortality rates are based on the RP-2014 Disabled Mortality Table with 90% of rates for males and 100% of rates for females, projected forward generationally using mortality improvement scale MP-2016.

Experience Studies — Actuarial assumptions used in the June 30, 2018 valuation are based on the results of an actuarial experience study for the period July 1, 2011 through June 30, 2016.

Investment Return Assumptions — STRS Ohio's investment consultant develops an estimate range for the investment return assumption based on the target allocation adopted by the Retirement Board. The target allocation and long-term expected rate of return for each major asset class are summarized as follows:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Rate of Return *</u>
Domestic Equity	28%	7.35%
International Equity	23%	7.55%
Alternatives	17%	7.09%
Fixed Income	21%	3.00%
Real Estate	10%	6.00%
Liquidity Reserves	1%	2.25%
Total	100%	

* 10-Year annualized geometric nominal returns, which include the real rate of return and inflation of 2.25%, but does not include investment expenses. Over a 30-year period, STRS Ohio's investment consultant indicates that the above target allocations should generate a return above the actual rate of return, without net value added by management.

Discount Rate — The discount rate used to measure the total OPEB liability was 7.45% as of June 30, 2018. The projection of cash flows used to determine the discount rate assumes STRS Ohio continues to allocate no employer contributions to the health care fund. Based on these assumptions, the OPEB plan's fiduciary net position was projected to be available to make all projected future benefit payments to current plan members. Therefore, the long-term expected rate of return on health care plan investments of 7.45% was used to measure the total OPEB liability as of June 30, 2018.

Sensitivity of Net OPEB Asset to the Discount Rate and Health Care Cost Trend Rate Assumptions— The following table represents the net OPEB asset as of June 30, 2018, calculated using the current period discount rate assumption of 7.45%, as well as what the net OEPB asset would be if it were calculated using a discount rate that is one percentage point lower (6.45%) or one percentage point higher (8.45%) than the current assumption. Also shown is the net OPEB asset as if it were calculated using health care cost trend rates that are one percentage point lower or one percentage point higher than the current health care cost trend rates.

	1% Decrease in Discount Rate	Current Discount Rate	1% Increase in Discount Rate
	(6.45%)	(7.45%)	(8.45%)
Net OPEB asset as of June 30, 2018	\$(1,377,262,000)	\$(1,606,898,000)	\$(1,799,896,000)
	1% Decrease in Trend Rates	Current Trend Rate	1% Increase in Trend Rates
Net OPEB asset as of June 30, 2018	\$(1,789,001,000)	\$(1,606,898,000)	\$(1,421,958,000)

Assumption Changes Since the Prior Measurement Date —

The discount rate was increased from the blended rate of 4.13% to the long-term expected rate of return of 7.45% based on the methodology defined under *GASB Statement No. 74, Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans (OPEB)*. Valuation year per capita health care costs were updated.

Benefit Term Changes Since the Prior Measurement Date —

The subsidy multiplier for non-Medicare benefit recipients was increased from 1.9% to 1.944% per year of service effective January 1, 2019. The non-Medicare frozen subsidy base premium was increased effective January 1, 2019 and all remaining Medicare Part B premium reimbursements will be discontinued beginning January 1, 2020.

Note 6 — Additional Financial and Actuarial Information

Additional financial information supporting the preparation of the Schedule of Employer Allocations and the Schedule of Collective OPEB Amounts by Employer, including the disclosure of the net OPEB asset and the unmodified audit opinion on the financial statements is located in STRS Ohio’s Comprehensive Annual Financial Report (CAFR) for the fiscal year ended June 30, 2018. The supporting actuarial information is included in the Schedules of Changes in Employers’ Net OPEB Liability (Asset) and Employers’ Net OPEB Liability (Asset) and Notes to Required Supplementary Information in STRS Ohio’s June 30, 2018 CAFR and the Actuarial Valuation and Review of Retiree Health Care Benefits for Reporting Date June 30, 2018. The CAFR and actuarial valuation reports are available at www.strsoh.org or by contacting STRS Ohio at: State Teachers Retirement System of Ohio, 275 E. Broad St., Columbus, Ohio 43215-3771.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Retirement Board
State Teachers Retirement System of Ohio
and
The Honorable Keith Faber, Auditor of State
Columbus, Ohio

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the schedule of employer allocations and the total for all entities of the columns titled net OPEB asset, total deferred outflows of resources, total deferred inflows of resources, and total plan OPEB expense (income) as of and for the year ended June 30, 2018 (specified column totals), included in the schedule of collective postemployment benefits other than pension (OPEB) amounts by employer of State Teachers Retirement System of Ohio (STRS Ohio), and have issued our report thereon dated March 22, 2019.

Internal Control Over Financial Reporting

Management of STRS Ohio is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audits, we considered STRS Ohio's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the schedule of employer allocations and the specified column totals included in the schedule of collective OPEB amounts by employer, but not for the purpose of expressing an opinion on the effectiveness of STRS Ohio's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of STRS Ohio's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's schedule of employer allocations and the specified column totals included in the schedule of collective OPEB amounts by employer will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether STRS Ohio's schedule of employer allocations and the specified column totals included in the schedule of collective OPEB amounts by employer are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of schedule of employer allocations and the specified column totals included in the schedule of collective OPEB amounts by employer. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering STRS Ohio's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
