Independent Accountants' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Required by Government Auditing Standards	13

Saybrook Township Park Commission Ashtabula County 7427 Center Street Ashtabula, Ohio 44004

To the Board of Park Commission:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to an interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an adverse opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the AOS permits.

INDEPENDENT ACCOUNTANTS' REPORT

Saybrook Township Park Commission Ashtabula County 7427 Center Road Ashtabula, Ohio 44004

To the Board of Park Commission:

We have audited the accompanying financial statements of Saybrook Township Park Commission, Ashtabula County, (the Park Commission) as of and for the years ended December 31, 2011 and 2010. These financial statements are the responsibility of the Park Commission's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Park Commission has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Instead of the combined funds the accompanying financial statements present, GAAP require presenting entity wide statements and also presenting the Park Commission's larger (i.e. major) funds separately. While the Park Commission does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to GAAP presentation requirements. The Auditor of State permits, but does not require the Park Commission to reformat their statements. The Park Commission has elected not to follow GAAP statement formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2011 and 2010 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Park Commission as of December 31, 2011 and 2010, or its changes in financial position for the years then ended.

Saybrook Township Park Commission Ashtabula County Independent Accountants' Report Page 2

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the fund cash balance as of December 31, 2011 and 2010 and the reserves for encumbrances as of December 31, 2010 of Saybrook Township Park Commission, Ashtabula County, and its cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

As described in Note 1, during 2011 the Saybrook Township Park Commission adopted Governmental Accounting Standards Board Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*.

In accordance with *Government Auditing Standards*, we have also issued our report dated October 30, 2012, on our consideration of the Park Commission's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

Dave Yost Auditor of State

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2011 AND 2010

1. Summary of Significant Accounting Policies

A. Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges of the Saybrook Township Park Commission, Ashtabula County, (the Park Commission) as a body corporate and politic. The probate judge of Ashtabula County appoints a three-member Board of Commissioners to govern the Park Commission. The Commissioners are authorized to acquire, develop, protect, maintain, and improve park lands and facilities. The Commissioners may convert acquired land into forest reserves. The Commissioners are also responsible for activities related to conserving natural resources, including streams, lakes, submerged lands, and swamp lands. The Board may also create parks, parkways, and other reservations and may afforest, develop, improve and protect and promote the use of these assets conducive to the general welfare.

The Park Commission's management believes these financial statements present all activities for which the Park Commission is financially accountable.

B. Accounting Basis

These financial statements follow the accounting basis the Auditor of State prescribes or permits. This basis is similar to the cash receipts and disbursements accounting basis. The Park Commission recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the Auditor of State prescribes or permits.

C. Deposit and Investments

The Park Commission's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

The investment in Star Ohio (the State Treasurer's investment pool) is recorded at share values the mutual funds report.

D. Fund Accounting

The Park Commission uses fund accounting to segregate cash and investments that are restricted as to use. The Park Commission classifies its fund into the following type:

General Fund

The General Fund reports all financial resources except those required to be accounted for in another fund.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2011 AND 2010 (Continued)

1. Summary of Significant Accounting Policies (Continued)

E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board of Commissioners must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must also approve estimated resources.

3. Encumbrances

The Ohio Revised Code requires the Park Commission to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be re-appropriated.

A summary of 2011 and 2010 budgetary activity appears in Note 3.

F. Fund Balance

For December 31, 2011, fund balance may be divided into five classifications based primarily on the extent to which the Park Commission must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

1. Nonspendable

The Park Commission classifies assets as **nonspendable** when legally or contractually required to maintain the amounts intact.

2. Restricted

Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2011 AND 2010 (Continued)

1. Summary of Significant Accounting Policies (Continued)

3. Committed

The Board of Commissioners can *commit* amounts via formal action (resolution). The Park Commission must adhere to these commitments unless the Board of Commissioners amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

4. Assigned

Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by the Board of Commissioners or a Park Commission official delegated that authority by resolution, or by State Statute.

5. Unassigned

Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Park Commission applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

G. Property, Plant, and Equipment

The Park Commission records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

2. Equity in Pooled Deposits and Investments

The Park Commission maintains deposits and investments in the General Fund. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits and investments at December 31 was as follows:

	2011	2010
Demand deposits	\$1,519	\$1,040
Public Funds Money Market Account	71,603	54,442
Total deposits	73,122	55,482
Investments - STAR Ohio	104,603	104,545
Total deposits and investments	\$177,725	\$160,027

Deposits: Deposits are insured by the Federal Depository Insurance Corporation.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2011 AND 2010 (Continued)

2. Equity in Pooled Deposits and Investments (Continued)

Investments: Investments in STAR Ohio are not evidenced by securities that exist in physical or book-entry form.

3. Budgetary Activity

Budgetary activity for the years ending December 31, 2011 and 2010 follows:

	2011 Bud	lgeted vs. Actual	Receipts	
		Budgeted	Actual	
Fund Type		Receipts	Receipts	Variance
General		\$94,813	\$102,061	\$7,248
	2011 Budgeted vs. A	Actual Budgetary	Basis Expenditure	es
		Appropriation	Budgetary	_
Fund Type		Authority	Expenditures	Variance
General		\$280,640	\$108,163	\$172,477
	2010 Bud	lgeted vs. Actual	Receipts	
		Budgeted	Actual	
Fund Type		Receipts	Receipts	Variance
Fund Type General		Receipts \$82,300	Receipts \$122,477	Variance \$40,177
	2010 Budgeted vs. A	\$82,300	\$122,477	\$40,177
	2010 Budgeted vs. A	\$82,300	\$122,477	\$40,177
	2010 Budgeted vs. A	\$82,300 Actual Budgetary	\$122,477 Basis Expenditure	\$40,177

4. Property Tax

Real property taxes become a lien on January 1 preceding the October 1 date for which the Board of Commissioners adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Commission.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Park Commission.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2011 AND 2010 (Continued)

5. Retirement Systems

The Park Commission's employee belongs to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2011 and 2010, OPERS members contributed 10% of their gross salaries and the Park Commission contributed an amount equaling 14% respectively, of participants' gross salaries. The Park Commission has paid all contributions required through December 31, 2011.

6. Risk Management

Commercial Insurance

The Park Commission has obtained commercial insurance for the following risks:

- Comprehensive property and general liability;
- Vehicles; and
- · Errors and omissions.

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Saybrook Township Park Commission Ashtabula County 7427 Center Street Ashtabula, Ohio 44004

To the Board of Park Commission:

We have audited the financial statements of the Saybrook Township Park Commission, (the Park Commission) as of and for the years ended December 31, 2011 and 2010, and have issued our report thereon dated October 30, 2012 wherein we noted the Park Commission followed practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We also noted the Park Commission adopted Governmental Accounting Standards Board Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Park Commission's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of opining on the effectiveness of the Park Commission's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Park Commission's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A material weakness is a deficiency, or combination of internal control deficiencies resulting in more than a reasonable possibility that a material misstatement of the Park Commission's financial statements will not be prevented, or detected and timely corrected.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

Saybrook Township Park Commission
Ashtabula County
Independent Accountants' Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters
Required by Government Auditing Standards
Page 2

Compliance and Other Matters

As part of reasonably assuring whether the Park Commission's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We intend this report solely for the information and use of management, the Board of Park Commissioners, and others within the Park Commission. We intend it for no one other than these specified parties.
