Mr. Craig W. Butler
Ohio Environmental Protection Agency

We have audited, in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of the City of Cleveland Heights, Cuyahoga County, Ohio (the City), for the year ended December 31, 2015, and have separately issued our unmodified report thereon dated September 8, 2016.

In a letter to the Ohio Environmental Protection Agency dated September 8, 2016 (the Letter), Tom Raguz, Director of Finance of the City of Cleveland Heights, Ohio's Solid Waste Transfer Facility, specified that certain amounts disclosed in that Letter were derived from the independently audited financial statements referred to in the first paragraph above.

We have performed the procedures described below as agreed to by the City of Cleveland Heights, Ohio, and by the Ohio Environmental Protection Agency, solely to assist you in determining that certain amounts reported in the Letter agreed to, or can be computed from, amounts presented in the audited basic financial statements. The City of Cleveland Heights, Ohio's management is responsible for the information presented in the Letter. We followed the American Institute of Certified Public Accountants' attestation standards for agreed-upon procedures engagements and applicable attestation engagement standards included in *Government Auditing Standards*, issued by the Comptroller General of the United States. The sufficiency of the procedures is solely the responsibility of the addressees. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

As required by Ohio Administrative Code Sections 3745-27-15(L)(5)c and 3745-27-16(L)(5)c, we have agreed the following amounts included in the Letter to the audited financial statements.

Alternative II, Line No.

5	Total assured environmental costs	\$ 159,940
6	Total annual revenue	\$ 75,097,085

The amount on line 6 agrees to the basic fund financial statements of the City, or can be computed from amounts appearing therein. We followed the definitions for line 6 included in the *State Support Document for the Local Government Financial Test*, issued November 27, 1996 by the USEPA. Line 5 includes total assured environmental costs reported in the fund financial statements following Governmental Accounting Statement Number 18.

We were not engaged to, and did not conduct an examination, the objective of which would be to express an opinion on the Letter. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that we would have reported to you.

This report is intended solely for the information and use of the addressees listed above and is not intended to be and should not be used by anyone other than these specified parties.
