INDEPENDENT AUDITOR'S REPORT

Franklin Local Community School Franklin Local School District (Sponsor) Muskingum County 360 Cedar Street P.O. Box 428 Duncan Falls. Ohio 43734

To the Franklin Local Community School:

Report on the Financial Statements

We have audited the accompanying financial statements of the Franklin Local Community School, Muskingum County, Ohio (FLCS), a component unit of the Franklin Local School District, Muskingum County, Ohio, as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the FLCS's basic financial statements as listed in the Table of Contents.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes designing, implementing, and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the FLCS's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the FLCS's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinion.

Efficient • Effective • Transparent

Franklin Local Community School Muskingum County Independent Auditor's Report Page 2

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Franklin Local Community School, Muskingum County, Ohio, as of June 30, 2019, and the changes in its financial position and its cash flows for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Notes 1 and 9 to the basic financial statements, the FLCS closed on June 30, 2019. We did not modify our opinion regarding this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require this presentation to include *Management's Discussion and Analysis*, listed in the Table of Contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, consisting of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, to the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not opine or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to opine or provide any other assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 10, 2020, on our consideration of the FLCS's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the FLCS's internal control over financial reporting and compliance.

Management's Discussion and Analysis For the Fiscal Year Ended June 30, 2019 Unaudited

The discussion and analysis of the Franklin Local Community School's (FLCS) financial performance provides an overall review of the FLCS' financial activities for the period ended June 30, 2019. Readers should also review the basic financial statements and notes to enhance their understanding of the FLCS' financial performance.

Highlights

FLCS finished its sixteenth year of operation during fiscal year 2019 as a seventh through twelfth grade community school. FLCS was created on February 20, 2003, however, operations did not begin until October 2003. For the first four years, the School operated as an on-line digital academy. As the School grew and evolved, the Board of Directors determined that a regular instructional atmosphere was more academically effective than online based instruction. Prior to the beginning of fiscal year 2008, the School filed a new charter with the Ohio Department of Education and changed its name from the Franklin Local Digital Academy to the Franklin Local Community School. Enrollment varied during fiscal year 2019, but averaged 54 students.

Key highlights for fiscal year 2019 are as follows:

- On February 21, 2019, the Franklin Local School District's (Sponsor) Board of Education approved the transfer of operations for FLCS to the Sponsor. On March 14, 2019, the FLCS Board approved the transfer of operations and both the FLCS Board and the Sponsor Board signed an agreement to close FLCS and transfer the operations to the Sponsor as of June 30, 2019.
- FLCS presented special items of (\$61,243) representing costs directly related to the transfer of operations. This amount includes the remaining cash balances that were transferred to Franklin Local School District as of June 30, 2019. Also due to the transfer of operations, unspent State and federal grant money was returned to the grantor. Capital assets remaining were transferred to the Sponsor.

Using this Annual Financial Report

This annual report consists of a series of financial statements and notes to those statements.

The statement of net position and the statement of revenues, expenses, and changes in net position reflect how FLCS did financially during the period ended June 30, 2019. These statements include all assets and liabilities using the accrual basis of accounting similar to that which is used by most private-sector companies. This basis of accounting considers all of the period revenues and expenses regardless of when cash is received or paid.

These statements report FLCS' net position and changes in net position. This change in net position is important because it tells the reader whether the financial position of FLCS has increased or decreased during the period. Over time, these increases and/or decreases are one indicator of whether the financial position is improving or deteriorating.

FLCS uses enterprise presentation for all of its activities.

Management's Discussion and Analysis For the Fiscal Year Ended June 30, 2019 Unaudited

Table 1 provides a summary of FLCS' net position for 2019 compared to 2018:

Table 1 Net Position

	2019	2018	Change

Total Net Position	\$0	\$263,161	(\$263,161)

FLCS transferred operations as of June 30, 2019, to the Franklin Local School District. At the time of the transfer of operations, all remaining assets and liabilities were transferred to the Sponsor. Therefore, the FLCS's financial statements reflect zero balances in assets, liabilities, and net position.

During fiscal year 2019, FLCS received the majority of its revenue from the Ohio Department of Education through the State Foundation. This foundation revenue decreased primarily as a result of a decrease in enrollment. Student enrollment for fiscal year 2018 averaged 59 students and decreased to an average of 54 students in fiscal year 2019. Additional revenues were received from other State and federal grants. The majority of purchased services are payments made to the Sponsor for administrative, fiscal, and student support services.

The special items in the amount of \$61,243 includes costs directly related to the transfer of operations. Per the approved agreement between FLCS and the Sponsor, which was allowed by the Ohio Department of Education's closing template, all remaining assets and liabilities at the time of the transfer of operations, June 30, 2019, were to be transferred to Franklin Local School District. At the time of the transfer of operations, \$42,532 in cash and \$5,076 in capital assets remaining were transferred to the Sponsor. Also, due to the transfer of operations, unspent State and federal grant money was returned to the grantor. See Note 9 for more information.

Management's Discussion and Analysis For the Fiscal Year Ended June 30, 2019 Unaudited

Budgeting

FLCS is not required to follow the budgetary provisions set forth in Ohio Revised Code Chapter 5705.

Capital Assets and Debt Administration

Capital Assets

At the end of fiscal year 2019, FLCS has no capital assets due to the transfer of operations of FLCS. All remaining capital assets as of June 30, 2019 were transferred to the Sponsor. See Note 4 for more information.

Debt

FLCS did not incur any debt during fiscal year 2019.

Current Design

FLCS closed after sixteen years of operations. The remaining assets and liabilities of FLCS were transferred to the Sponsor, Franklin Local School District. Beginning in the 2019-2020 school year, the programs that had been offered at FLCS will now be offered by the Sponsor.

Contacting the FLCS' Financial Management

This financial report is designed to provide citizens, taxpayers, and creditors with a general overview of the FLCS' finances and to show the FLCS' accountability for the money it receives. Notes to the Basic Financial Statements For the Fiscal Year Ended June 30, 2019

Note 1 - Description of the School

The Franklin Local Community School (FLCS) is a nonprofit corporation established pursuant to Ohio Revised Code Chapters 3314 and 1702. FLCS is an approved tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. Management is not aware of any course of action or series of events that have occurred that might adversely affect FLCS' tax exempt status. FLCS' mission is to enhance and facilitate student learning by providing curriculum and instruction; innovative, collaborative leadership; and technical expertise and support that will prepare students to become lifelong learners and intelligent decision makers. The students may include, but will not be limited to, home schoolers; children with special physical and mental needs; students removed from the regular classroom for discipline concerns; students who need an alternative to the traditional classroom for various reasons, including religious reasons, transient students, and students with the Franklin Local School District, Sponsor School District, that desire a specific course not currently offered but is available through online instruction.

The Franklin Local Digital Academy was created on February 20, 2003. Due to the changing needs of students within the Franklin Local School District (the Sponsor), the name was changed to the FLCS on July 1, 2007. At that time, a new five year contract was agreed upon with the Sponsor. FLCS entered into a new five year contract with the Sponsor on May 18, 2017, with the contract commencing on July 1, 2017. On February 21, 2019, the Sponsor's Board of Education approved the transfer of operations for FLCS to the Sponsor. On March 14, 2019, the FLCS Board approved the transfer of operations and both the FLCS Board and the Sponsor Board signed an agreement to close FLCS and transfer the operations to the Sponsor as of June 30, 2019 (see Note 9). The Sponsor is the fiscal agent of the FLCS with the Treasurer of the Sponsor completing the role of Treasurer for the FLCS.

FLCS operates under the direction of a five-member Board of Directors (Board) who are appointed from the public by the Sponsor. The members are public officials, public employees, or community leaders demonstrating a professional interest in education or in other issues involving children and desires to further the objectives of the FLCS. FLCS is a component unit of the Sponsor. The Sponsor appoints a majority of the Board and is able to impose its will on the FLCS. The Sponsor can suspend the FLCS' operations for any of the following reasons: 1) The FLCS' failure to meet student performance requirements stated in its contract with the Sponsor, 2) The FLCS' failure to meet generally accepted standards of fiscal management, 3) The FLCS' violation of any provisions of the contract with the Sponsor or applicable state or federal law, or 4) Other good cause. The Board is responsible for carrying out the provisions of the contract which include, but are not limited to, helping create, approve, and monitor the annual budget and develop policies to guide operations, secure funding, and maintain a commitment to vision, mission, and belief statements of FLCS and the children it serves. During the fiscal year ended June 30, 2019, the FLCS used instructional, support, and administrative services from the Sponsor. FLCS' classrooms are located in the Sponsor's facilities.

Note 2 - Summary of Significant Accounting Policies

The financial statements of the FLCS have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the FLCS' accounting policies are described below.

Notes to the Basic Financial Statements For the Fiscal Year Ended June 30, 2019

Basis of Presentation

The FLCS' basic financial statements consist of a statement of net position; a statement of revenues, expenses, and changes in net position; and a statement of cash flows.

FLCS uses a single enterprise presentation for its financial records for the fiscal year. Enterprise reporting focuses on the determination of operating income, changes in net position, financial position, and cash flows.

Measurement Focus

The enterprise activity is accounted for using a flow of economic resources measurement focus. All assets and liabilities associated with the operation of FLCS are included on the statement of net position. The statement of revenues, expenses, and changes in net position presents increases (e.g. revenues) and decreases (e.g. expenses) in total net position. The statement of cash flows reflects how FLCS finances meet its cash flow needs.

Basis of Accounting

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements. FLCS' financial statements are prepared using the accrual basis of accounting. Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. Revenue resulting from nonexchange transactions, in which FLCS receives value without directly giving equal value in return, such as grants and entitlements, are recognized in the period in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the period when the resources are required to be used or the period when use is first permitted; matching requirements, in which FLCS must provide local resources to be used for a specified purpose; and expenditure requirements, in which the resources are provided to FLCS on a reimbursement basis. Expenses are recognized at the time they are incurred.

Budgetary Process

Unlike other public schools located in the State of Ohio, community schools are not required to follow the budgetary provisions set forth in Ohio Revised Code Chapter 5705, unless specifically provided by the FLCS' contract with its Sponsor. The contract between FLCS and its Sponsor prescribes an annual budget requirement as part of preparing a five year forecast, which is updated on an annual basis.

Cash and Cash Equivalents

All cash balances were zero at June 30, 2019, due to the transfer of operations to the Sponsor.

Notes to the Basic Financial Statements For the Fiscal Year Ended June 30, 2019

Capital Assets

FLCS' capital assets during fiscal year 2019 consisted of computers, computer equipment, a phone system, a refrigerator, a copier, and furniture. All capital assets are capitalized at cost (or estimated historical cost) and updated for additions and retirements during the fiscal year. Donated fixed assets are recorded at their acquisition value as of the date received. FLCS maintains a capitalization threshold of five hundred dollars. All of FLCS' reported capital assets are depreciated using the straight-line method. Equipment is depreciated over six to ten years and furniture is depreciated over twenty years of useful life. Due to the transfer of operations of FLCS to the Sponsor as of June 30, 2019, capital assets carried a zero balance. See Note 4 for more information.

Net Position

Net position represents the difference between assets and liabilities. Net position is reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by FLCS or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments. FLCS applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net position is available. The statement of net position reports no restricted net position and has no monies restricted by enabling legislation. Due to the transfer of operations of FLCS, net position has a zero balance at fiscal year end.

Operating Revenues and Expenses

Operating revenues are those revenues that are generated directly from the primary activity of FLCS. Operating expenses are necessary costs incurred to provide the service that is the primary activity of FLCS. All revenues and expenses not meeting this definition are reported as non-operating.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Extraordinary and Special Items

Extraordinary items are transactions or events that are both unusual in nature and infrequent in occurrence. Special items are transactions or events that are within the control of FLCS or the Sponsor and that are either unusual in nature or infrequent in occurrence. For fiscal year 2019, FLCS is reporting a special item representing costs directly related to the transfer of operations to the Sponsor. See Note 9 for further details.

Note 3 - Deposits

At June 30, 2019, all deposits were transferred to the Sponsor due to the transfer of operations of FLCS.

Notes to the Basic Financial Statements For the Fiscal Year Ended June 30, 2019

Note 4 - Capital Assets

Capital asset activity for the fiscal year ended June 30, 2019, was as follows:

	Balance		Closure	Balance
	June 30, 2018	Additions	Deletions	June 30, 2019
Equipment	\$192,632	\$0	(\$192,632)	\$0
Furniture and Fixtures	13,885	0	(13,885)	0
Less Accumulated Depreciation	(183,717)	(17,724)	201,441	0
Capital Assets, Net	\$22,800	(\$17,724)	(\$5,076)	\$0

Due to the transfer of operations of FLCS, the remaining balance of capital assets, net, in the amount of \$5,076 was removed from the Statement of Net Position and is included in the amount reported as a special item on the Statement of Revenues, Expenses, and Changes in Net Position (See Note 9).

Note 5 - Risk Management

FLCS is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. During fiscal year 2019, FLCS contracted with Schools for Ohio Risk Sharing Authority for the insurance shown as follows:

Educational General Liability:	
General Annual Aggregate Limit	\$17,000,000
Bodily Injury and Property Damage	15,000,000
Products – Completed Operations Limit	15,000,000
Educators' Legal Liability:	
Wrongful Acts Coverage Per Occurrence	15,000,000
Wrongful Acts Coverage Aggregate	15,000,000
Crime Coverage:	
Forgery or Alteration	1,000,000
Computer Crime	1,000,000
Employee Theft	1,000,000

Settled claims have not exceeded this commercial coverage in any of the past three fiscal years. There has been no significant reduction in insurance coverage from coverage in fiscal year 2018.

Note 6 - Purchased Services

For the period July 1, 2018, through June 30, 2019, purchased service expenses were for the following services:

Type	Amount
Professional and Technical Services	\$680,108
Audit Services	7,012
Total	\$687,120

Notes to the Basic Financial Statements For the Fiscal Year Ended June 30, 2019

Note 7 - Related Party Transactions

Franklin Local School District, the Sponsor, appoints each of FLCS' five board members from the general public. FLCS is presented as a component unit of the Sponsor. For fiscal year 2019, \$755,474 was provided by the Sponsor for administrative, fiscal, and student services provided to FLCS. FLCS is located in a portion of facilities previously utilized by the Sponsor. During fiscal year 2019, the remaining assets consisting of cash in the amount of \$42,532 were transferred to the Sponsor.

Expenses are presented on a cash basis.

Note 8 - Contingencies

Grants

FLCS received financial assistance from federal and State agencies in the form of grants. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability of the FLCS. However, in the opinion of management, any such disallowed claims will not have a material adverse effect on the overall financial position of the FLCS at June 30, 2019.

Ohio Department of Education Enrollment Review

School foundation funding is based on the annualized full-time equivalent (FTE) enrollment of each student. However, there is an important nexus between attendance and enrollment for Foundation funding purposes. Community schools must provide documentation that clearly demonstrates students have participated in learning opportunities. The Ohio Department of Education (ODE) is legislatively required to adjust/reconcile funding as enrollment information is updated by schools throughout the State, which can extend past the fiscal year end.

Notes to the Basic Financial Statements For the Fiscal Year Ended June 30, 2019

Under Ohio Rev. Code Section 3314.08, ODE may also perform a FTE Review subsequent to the fiscal year end that may result in an additional adjustment to the enrollment information as well as claw backs of Foundation funding due to a lack of evidence to support student participation and other matters of noncompliance. ODE preformed an FTE Review on FLCS for fiscal year 2019 on June 4, 2019.

Subsequent to June 30, 2019, there were adjustments from the State to the foundation settlement reports for fiscal year 2019. The total of these adjustments indicated that the FLCS was overpaid by \$4,877. As of the date of this report, the Sponsor, who received the assets of FLCS has paid \$4,866 of this amount. Management believes this does not materially impact the financial statements. Final ODE adjustments will be assumed as a receivable or a liability of the Sponsor, Franklin Local School District.

Note 9 - Special Item - Transfer of Operations of Franklin Local Community School

On June 30, 2019, the operations of the FLCS's were transferred to the Sponsor, Franklin Local School District, pursuant to an agreement entered into between the Ohio Department of Education and the Franklin Local School District. The agreement provided for the transfer of assets from FLCS to the Franklin Local School District. The Franklin Local School District agreed to assume all liabilities of FLCS. The programs previously operated by FLCS will be operated by the Franklin Local School District.

FLCS is reporting a special item representing costs directly related to the transfer of operations. This amount includes the remaining cash balances that were transferred to Franklin Local School District as of June 30, 2019. Also due to the transfer of operations, unspent State and federal grant money was returned to the grantor. Capital assets remaining were transferred to the Sponsor. A summary of principal items included as a special item on the Statement of Revenues, Expenses, and Changes in Net Position follows:

	Amounts
Cash transferred to Sponsor	\$42,532
State and Federal Grant Money	13,635
Capital Asset Transfers	5,076
Total Special Item	\$61,243

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Franklin Local Community School Franklin Local School District (Sponsor) Muskingum County 360 Cedar Street P.O. Box 428 Duncan Falls, Ohio 43734

To the Franklin Local Community School:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the Franklin Local Community School, Muskingum County, Ohio (FLCS), a component unit of Franklin Local School District, Muskingum County, Ohio, as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise FLCS's basic financial statements and have issued our report thereon dated February 10, 2020 wherein we noted the FLCS closed on June 30, 2019.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the FLCS's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not to the extent necessary to opine on the effectiveness of FLCS's internal control. Accordingly, we have not opined on it.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A material weakness is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the FLCS's financial statements. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Compliance and Other Matters

As part of reasonably assuring whether the FLCS's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of FLCS's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering FLCS's internal control and compliance. Accordingly, this report is not suitable for any other purpose.
