The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Cash (Continued)

3. We agreed the totals per the bank reconciliations to the total of the December 31, 2019 and 2018 fund cash balances reported in the Cash Journal and the financial statements filed by the Township in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2019 bank account balances with the Township's financial institutions. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2019 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2019 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

Property Taxes and Intergovernmental Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and County Auditor DTLs for 2019 and a total of five from 2018:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipts Journal. The amounts agreed.
 - b. We inspected the Receipts Journal to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipts Journal to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipts Journal to determine whether it included two real estate tax receipts for 2019 and 2018. The Receipts Journal included the proper number of tax receipts for each year.

Debt

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2017.
2. We inquired of management, and inspected the Receipts Journal and Appropriation Ledger for evidence of debt issued during 2019 or 2018 or debt payment activity during 2019 or 2018. There were no new debt issuances, nor any debt payment activity during 2019 or 2018.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2019 and one payroll check for five employees from 2018 from the Payroll Ledger and:
 - a. We compared the hours and pay rate, or salary recorded in the Appropriation Ledger to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We recomputed gross and net pay and agreed it to the amount recorded in the payroll register. We found no exceptions.
 - c. We inspected the fund and account code to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the minute record or as required by state statute. We also confirmed the payment was posted to the proper year. We found no exceptions.

2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2019 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2019. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2020	January 6, 2020	\$ 2,617.89	\$ 2,617.89
State income taxes	January 15, 2020	January 2, 2020	\$ 401.40	\$ 401.40
School income tax	January 15, 2020	January 2, 2020	\$ 453.07	\$ 453.07
OPERS retirement	January 30, 2020	December 31, 2019	\$ 1,054.86	\$ 1,054.87

3. For pay periods ended June 30, 2019 and July 31, 2018, we
 - a. Recomputed the allocation of the Boards' salaries to the General and Gasoline Tax Fund per the Appropriation Ledger.
 - b. Traced the Boards' salary for time or services performed to supporting certifications the Revised Code requires.

We found no exceptions.

4. We compared total gross pay for the fiscal officer and each board member for 2019 and 2018 to the compensation permitted by Ohio Revised Code Sections 507.09 and 505.24, respectively. We found the Fiscal Officer was underpaid by \$3,119 and all three Trustees were underpaid by \$1,136 in 2019.

Payroll Cash Disbursements (Continued)

5. We inquired of management and inspected the Appropriation Ledger for the years ended December 31, 2019 and 2018 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. Insurance reimbursements made were in compliance with ORC 505.60 and 505.601 and federal regulations. However, all three trustees were improperly reimbursed only from the General Fund in both 2018 and 2019, while payroll certifications indicated these reimbursements should have been made from both the General Fund and the Gasoline Tax Fund. We proposed an adjustment from the General Fund to the Gasoline Tax Fund in the amount of \$9,038 for 2018 and \$11,034 for 2019. The Township has made these adjustments to their books.

Non-Payroll Cash Disbursements

1. From the Appropriation Ledger, we re-footed checks recorded as General Fund disbursements for *security of persons and property*, and checks recorded as *public works* in the Gasoline Tax Fund for 2019. We found no exceptions.
2. We selected 10 disbursements from the Appropriation Ledger for the year ended December 31, 2019 and 10 from the year ended 2018 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Appropriation Ledger and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev Code Section 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. Ohio Rev. Code 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2019 and 2018 for the General, Motor Vehicle License Tax, and Cemetery funds. There were no funds for which expenditures exceeded appropriations.
2. We inspected the 2019 and 2018 Receipts Journal and Appropriation Ledger for evidence of interfund transfers exceeding \$1,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner.
3. We inspected the Cash Journal for the years ended December 31, 2019 and 2018 for negative cash fund balance. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

Sunshine Law Compliance

1. We obtained and inspected the Township's Public Records Policy to determine the policy did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or established a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with Township management and determined that the Township did not have any completed public records requests during the engagement period.
3. We inquired with Township management and determined that the Township did not have any denied public records requests during the engagement period.
4. We inquired with Township management and determined that the Township did not have any public records requests with redactions during the engagement period.
5. We inquired whether the Township has a records retention policy, and observed that it is readily available to the public. We found no exceptions.
6. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager. We found no exceptions.
7. We inspected the Township's policy manual and determined the public records policy was included. We found no exceptions.
8. We observed that the Township's poster describing the Public Records Policy was displayed conspicuously in all branches of the Township. We found no exceptions.
9. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.
10. We inspected individual training certificates and determined whether each elected official or his designee successfully attended a certified three-hour Public Records Training for each term of office. We found no exceptions.
11. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period are to be held. We found no exceptions.
12. We inspected the minutes of public meetings during the engagement period and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting
 - b. Filed – placed with similar documents in an organized manner
 - c. Maintained – retained, at a minimum, for the engagement period
 - d. Open to public inspection – available for public viewing or request.We found no exceptions.
13. We inspected the minutes from the engagement period and determined the following:
 - a. Executive sessions were only held at regular or special meetings.
 - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code Section 121.22(G).
 - c. Formal governing board actions were adopted in open meetings.We found no exceptions.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2019 and 2018 in the Hinkle system. There were no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements, and balances recorded in their cash-basis accounting records for the years ended December 31, 2019 and 2018, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
