INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Madison Township
Scioto County
P.O. Box 253
Minford, Ohio 45653

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Madison Township (the Township), on the receipts, disbursements and balances recorded in the Township's cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash

1. We recalculated the December 31, 2019 and December 31, 2018 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2018 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2017 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2019 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2018 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2019 and 2018 fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2019 bank account balance with the Ohio Pooled Collateral System. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2019 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2019 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the County Audit Trail by Vendor report for 2019 and a total of five from 2018:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Detail Report. The amounts agreed.
 - b. We inspected the Receipt Detail Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Detail Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Detail Report to determine whether it included two real estate tax receipts for 2019 and 2018. The Receipt Detail Report included the proper number of tax receipts for each year.

Debt

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2017.
2. We inquired of management, and inspected the Receipt Detail Report and Payment Register Detail Report for evidence of debt issued during 2019 or 2018 or debt payment activity during 2019 or 2018. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of lease activity for 2019 and 2018 and agreed principal and interest payments from the related lease amortization schedule to Permissive Motor Vehicle License Tax fund payments reported in the Payment Register Detail Report. We also compared the date the lease payments were due to the date the Township made the payments. We found no exceptions.
4. We agreed the amount of debt proceeds from the debt documents to amounts recorded in the Permissive Motor Vehicle License Tax fund per the Receipt Detail Report. The lease proceeds and related capital outlay of acquisition were not posted to the financial statements in 2018. This resulted in the Permissive Motor Vehicle License Tax fund lease proceeds and capital outlay being understated by \$67,000.
5. For new debt issued during 2019 and 2018, we inspected the capital lease agreement, which stated the equipment being leased.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2019 and one payroll check for five employees from 2018 from the Wage Detail report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.

- b. We inspected the fund and account code(s) to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the timesheet files and/or minute record or as required by statute. We also confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2019 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2019. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	January 31, 2020	December 30, 2019	\$807	\$807
State income taxes	January 15, 2020	January 6, 2020	\$205	\$205
OPERS retirement	January 30, 2020	December 31, 2019	\$2,440	\$2,440

- 3. We compared total gross pay for the fiscal officer and each board member for 2019 and 2018 to the compensation permitted by Ohio Revised Code Sections 507.09 and 505.24, respectively. We found no exceptions.
- 4. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2019 and 2018 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. Insurance reimbursements made were in compliance with ORC 505.60 and 505.601 and federal regulations.

Non-Payroll Cash Disbursements

- 1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2019 and 10 from the year ended 2018 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found two instances in 2018, where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2019 and 2018 for the General, Motor Vehicle License Tax, and Gas Tax funds. There were no funds for which expenditures exceeded appropriations.
2. We inspected the 2019 and 2018 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$1,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner (effective after June 30, 2017) or Court of Common Pleas (effective through June 30, 2017).
3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2019 and 2018 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

Sunshine Law Compliance

1. We obtained and inspected the Township's Public Records Policy to determine the policy did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with Township management and determined that the Township did not have any completed public records requests during the engagement period.
3. We inquired with Township management and determined that the Township did not have any denied public records requests during the engagement period.
4. We inquired with Township management and determined that the Township did not have any public records requests with redactions during the engagement period.
5. We inquired whether the Township has a records retention policy, and observed that it is readily available to the public. No records retention policy was provided for audit.
6. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager. We found no exceptions.
7. We inquired with Township management and determined that the Township did not have a policy manual during the engagement period therefore the public records policy could not be included.
8. We inquired whether the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township. We found no exceptions.
9. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.
10. We inspected individual training certificates and determined whether each elected official (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office. We found no exceptions.

11. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period are to be held. We found no exceptions.
12. We inspected the minutes of public meetings during the engagement period and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting
 - b. Filed – placed with similar documents in an organized manner
 - c. Maintained - retained, at a minimum, for the engagement period
 - d. Open to public inspection – available for public viewing or request.

We found no exceptions.

13. We inspected the minutes from the engagement period and determined the following:
 - a. Executive sessions were only held at regular or special meetings.
 - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code Section 121.22(G).
 - c. Formal governing board actions were adopted in open meetings.

We found no exceptions.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2019 and 2018 in the Hinkle system. There were no exceptions.
2. We inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code Section 507.12 and 733.81. Fiscal Officer obtained the required training.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
