INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Laurel Township
Hocking County
26971 Wildcat Road
Rockbridge, Ohio 43149

We have performed the procedures enumerated below on the Laurel Township, Hocking County, Ohio (the Township), receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2020 and 2019, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash and Investments

1. We recalculated the December 31, 2020 and December 31, 2019 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2019 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2018 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2020 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2019 balances in the Fund Ledger Report. We found no exceptions.

Cash and Investments (Continued)

3. We compared the totals per the bank reconciliations to the total of the December 31, 2020 and 2019 fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The fund cash balance in the Fund Status Report agreed to the financial statements filed by the Township in the Hinkle System. However, these totals exceeded the totals per the bank reconciliations by \$5,979 and \$4,964 at December 31, 2020 and 2019, respectively, due to adjustments made by the Fiscal Officer the following January to account for EFT transactions that cleared the bank at year end. As such, fund cash balances as reported in the Hinkle system as of December 31, 2020 and 2019 were overstated by those amounts.
4. We confirmed the December 31, 2020 bank account balances with the Township's financial institution. We found no exceptions. We also compared the confirmed balances to the amounts appearing in the December 31, 2020 bank reconciliation. We found that the confirmed balances exceeded the amounts appearing in the bank reconciliation by \$14 due to unrecorded interest. The Fiscal Officer posted this interest to the accounting system on December 1, 2021.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2020 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. There were no exceptions.
6. We selected five reconciling credits (such as deposits in transit) from the December 31, 2020 bank reconciliation:
 - a. We traced each credit to the subsequent January bank statement. We found no exceptions.
 - b. We agreed the credit amounts to the Receipts Register and determined they were dated prior to December 31. We found no exceptions.
7. We inspected investments held at December 31, 2020 and December 31, 2019 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code § 135.13, 135.14 or 135.144. We found no exceptions
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code § 135.13 or 135.14. We noted no exceptions.

Property Taxes and Intergovernmental Cash Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the Hocking County Expenditure History by Vendor Report for 2020 and a total of five from 2019:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Detail Report. The amounts agreed.
 - b. We inspected the Receipt Detail Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Detail Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Detail Report to determine whether it included two real estate tax receipts for 2020 and 2019. The Receipt Detail Report included the proper number of tax receipts for each year.

Debt

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2018.
2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2020 or 2019 or debt payment activity during 2020 or 2019. There were no new debt issuances, nor any debt payment activity during 2020 or 2019.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2020 and one payroll check for five employees from 2019 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary).
 - i. We inspected the employees' personnel files and/or minute record for the Retirement system, Federal, State & Local income tax withholding authorization.
 - ii. We agreed these items to the information used to compute gross and net pay related to this check.
We found no exceptions.
 - b. We recomputed gross and net pay and agreed it to the amount recorded in the payroll register. We found no exceptions. We found no exceptions.
 - c. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files and minute record or as required by statute. We found no exceptions.
 - d. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2020 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2020. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	01/31/2021	01/15/21	\$1,739	\$1,739
State income taxes	01/15/2021	01/15/21	311	311
OPERS retirement	01/30/2021	01/29/21	3,073	3,073

3. We compared total gross pay for the Fiscal Officer and each Board member for 2020 and 2019 to the compensation permitted by Ohio Revised Code §§ 507.09 and 505.24, respectively. We found no exceptions.
4. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2020 and 2019 to determine if Township employees and/or Trustees were reimbursed for out-of-pocket insurance premiums. Ohio Rev. Code § 505.60 permits townships to procure the following forms of healthcare coverage: hospitalization, surgical care, major medical care, disability, dental care, eye care, medical care, hearing aids, prescription drugs, or sickness and accident insurance. In addition, Ohio Rev. Code § 505.60(D) allows townships to reimburse a township officer or employee for out-of-pocket premiums for insurance policies, including long-term care insurance. The reimbursement is permitted for a township officer or employee who is denied

coverage under a township health care plan established pursuant to Ohio Rev. Code § 505.60, or who elects not to participate in the township's plan. The township may reimburse for each out-of-pocket premium attributable to the coverage provided for the officer or employee for insurance benefits that the board could have provided under Ohio Rev. Code § 505.60(A). Ohio Rev. Code § 505.60(D) states that the reimbursement for the officer, employee, and their immediate dependent cannot exceed an amount equal to the average premium paid by the Township under any health care plan it procures. 2017 Op. Att'y. Gen. No. 2017-007 provides that R.C. 505.60(D) does not authorize a board of township trustees to reimburse a township officer or employee for out-of-pocket premiums attributable to health care coverage otherwise obtained for the officer or employee's immediate dependents when the officer or employee elects to participate in the township's health care plan, but elects not to participate in the township's health care plan for his immediate dependents.

The Township offered healthcare insurance coverage to its employees through United Healthcare. The Township also offered Dental/Vision insurance coverage to its employees through Superior Dental.

- Fiscal Officer Debora Angle was enrolled in the employee only insurance policy provided by the Township through United Healthcare. She was also reimbursed by the Township for Medicare Premiums, Wellcare/Aetna prescription insurance premiums, and Medical Mutual supplemental insurance premiums all relating only to her spouse's coverage. The amount paid for Spouse's coverage despite the Fiscal Officer opting into the coverage provided by the Township totaled \$3,320 and \$2,629 for 2020 and 2019, respectively.
- Trustee John Williams was enrolled in the employee only insurance policy provided by the Township through United Healthcare. He was also reimbursed by the Township for the medical deduction portion of his spouse's disability benefits totaling \$8,112 and \$7,091 in 2020 and 2019, respectively.

In accordance with the foregoing facts and pursuant to Ohio Revised Code § 117.28, a Finding for Recovery for public monies illegally expended is hereby issued against:

- Fiscal Officer Deborah Angle, and in favor of Laurel Township's General Fund in the amount of \$5,949. Debora Angle's bonding company is Ohio Township Association Risk Management Authority.
- Trustee John Williams, and in favor of Laurel Township's General Fund in the amount of \$15,203. John Williams's bonding company is Ohio Township Association Risk Management Authority.

Fiscal Officer Deborah Angle and Trustee John Williams repaid the full amounts to the Township on November 3, 2021 and November 12, 2021, respectively.

Non-Payroll Cash Disbursements

We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2020 and 10 from the year ended 2019 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The Fiscal Officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the year ended December 31, 2020 for the General, Road and Bridge, and Recreation Levy funds and for the year ended December 31, 2019 for the General, Fire Protection Levy, and Recreation Levy funds as recorded in the Appropriation Status Report. There were no funds for which expenditures exceeded appropriations.
2. We inspected interfund transfers from 2020 and 2019 Revenue Status Reports and Appropriation Status Reports for compliance with Ohio Rev. Code §§ 5705.14 - .16. We found no evidence of transfers these Sections prohibit or for which Ohio Rev. Code § 5705.16 would require approval by the Tax Commissioner. However, in 2020 the Township transferred \$10,000 from the General Fund to the Cemetery Fund without Board approval in the minutes.
3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2020 and 2019 for negative cash fund balances. Ohio Rev. Code § 5705.10(l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2020 and 2019 in the Hinkle system.
