We have performed the procedures enumerated below on the Lawrence-Scioto Solid Waste District's (the District) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2021 and 2020 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the District. The District is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2021 and 2020 and certain compliance requirements related to these transactions and balances included in the information provided to us by the District.

The Board of Directors and the management of the District have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the District's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2021 and 2020, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash

1. Scioto County is the custodian for the District's deposits, and therefore the County's deposit and investment pool holds the Districts assets. We compared the District's fund balances reported on its December 31, 2021 Financial Statements to the balances reported in Scioto County's accounting records. The amounts agreed.
2. We agreed the January 1, 2020 beginning fund balances for each fund recorded in the Statement of Revenue and Expense Report to the December 31, 2019 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2021 beginning fund balances for each fund recorded in the Statement of Revenue and Expense Report to the December 31, 2020 balances in the Statement of Revenue and Expense Report. We found no exceptions.

Other Confirmable Cash Receipts

1. We confirmed the amounts paid from the Lawrence and Scioto Counties to the District during 2021 and 2020. They confirmed payment of the following amounts to the District:

Company	2021 Payments	2020 Payments
Lawrence County	\$388,121	\$383,396
Scioto County	\$478,805	\$470,641

- b. We inspected the Revenue Audit Trail Report to determine whether these receipts were allocated to the proper fund. We found no exceptions.
- c. We inspected the Revenue Audit Trail Report to determine whether the receipts were recorded in the proper year. We found no exceptions.

Debt

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2019.
2. We inquired of management, and inspected the Revenue Audit Trail Report and the Expense Audit Trail for evidence of debt issued during 2021 or 2020 or debt payment activity during 2021 or 2020. There were no new debt issuances, nor any debt payment activity during 2021 or 2020.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2021 and one payroll check for five employees from 2020 from the Distribution Report and:
 - a. We compared the hours and pay rate, or salary amount recorded in the Distribution Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary.
 - i. We inspected the employees' personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
 - ii. We agreed these items to the information used to compute gross and net pay related to this check.
 We found no exceptions.
 - b. We recomputed gross and net pay and agreed it to the amount recorded in the payroll register. We found no exceptions.
 - c. We inspected the fund and account code to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files. We found no exceptions.
 - d. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2021 to confirm remittances were timely charged by the fiscal agent Scioto County, and if the amounts charged agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding, period of 2021. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2022	December 31, 2021	\$698	\$698
State income taxes	January 15, 2022	December 31, 2021	\$197	\$197
Ironton income tax	January 15, 2022	December 31, 2021	\$217	\$217
OPERS retirement	January 30, 2022	February 2, 2022	\$5,894	\$5,894

We found no exceptions.

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Expense Audit Trail Report for the year ended December 31, 2021 and 10 from the year ended 2020 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Expense Audit Trail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code §5705.41(D). We found no exceptions.
 - e. The disbursement was allowable under Ohio Rev. Code § 3734.57(G) and the District's policies and procedures. We found no exceptions.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.28(B)(2) and 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2021 and 2020 for the General and the Tire Amnesty fund. Expenditures did not exceed appropriations.
2. We inspected the 2021 and 2020 Revenue Audit Trail Report and Expense Audit Trail Reports for interfund transfers from 2021 and 2020 for compliance with Ohio Rev. Code §§ 5705.14 - .16. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner.
3. We inspected the Statement of Cash from Revenue and Expense Report for the years ended December 31, 2021 and 2020 for negative cash fund balance. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. We observed no funds having negative cash fund balances.

Sunshine Law Compliance

1. We obtained and inspected the District's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. The only limit in the policy is the office may limit the number of records requested by a person that the office will transmit by United States mail to ten per month. No other limits to requests were found.
2. We inquired with District management and determined that the District did not have any completed or denied public records requests and no requests containing redactions during the engagement period.
3. We inquired whether the District had a records retention schedule, and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found no exceptions.

4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inspected the District's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
6. We observed that the District's poster describing their Public Records Policy was displayed conspicuously in the office of the District as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inquired with District management and determined that the District did not have any applications for record disposal submitted to the Records Commission during the engagement period.
8. We inquired with District management and determined that public records requests are handled through the Scioto County Commissioners office since Scioto County is the fiscal agent for the District. The Scioto County Commissioners also make up half of the Board for the District. We inspected individual training certificates and determined whether each of the Commissioners (or his/her designee) successfully attended a certified three-hour Public Records training for each term of office. We found no exceptions.
9. We inspected the public notices for the public meetings held during the engagement period and determined the District notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting
 - b. Filed – placed with similar documents in an organized manner
 - c. Maintained - retained, at a minimum, for the engagement period
 - d. Open to public inspection – available for public viewing or request.We found no exceptions.

Other Compliance

1. Ohio Rev. Code § 117.38 requires these districts to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the District filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2021 and 2020 in the Hinkle system. We found no exceptions.

We were engaged by the District to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the District and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
