Canton, OH 44702

We have completed certain procedures in accordance with Ohio Rev. Code Section 117.01(G) to the accounting records and related documents of the Carroll, Columbiana, Stark Regional Transportation Improvement Project, Stark County, (the Project) for the years ended December 31, 2022 and 2021.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code Section 117.11(A). Because our procedures were not designed to opine on the Project's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Project's financial statements, transactions or balances for the years ended December 31, 2022 and 2021.

The Project's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code Section 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found the following significant compliance or accounting issue to report.

Current Year Observation
