**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES**

Osnaburg Township  
Stark County  
7115 Hillvale Street  
East Canton, Ohio 44730

We have performed the procedures enumerated below on Osnaburg Township's (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2022 and 2021 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2022 and 2021 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2022 and 2021, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

**Cash**

1. We recalculated the December 31, 2022 and December 31, 2021 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2021 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2020 balances in the documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2022 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2021 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the 2022 and 2021 Bank Reconciliation as of December 31, 2022 and 2021 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.

4. We confirmed the December 31, 2022 bank account balances with the Ohio Pooled Collateral System. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2022 bank reconciliation. The confirmed bank balances were \$45 lower than the bank balances recorded on the December 31, 2022 bank reconciliation, due to omitting an account from the reconciliation.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2022 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.
6. We traced interbank account transfers occurring in December of 2022 and 2021 to the accounting records and bank statements to determine if they were properly recorded. We found no exceptions.

#### **Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the County Auditor Settlements for 2022 and a total of five from 2021:
  - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.
  - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
  - c. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts plus eight advances for 2022 and 2021. We noted three Homestead and Rollback real estate/manufactured homes receipts in both 2022 and 2021 totaling \$104,616.69 and \$104,932.17, respectively, which were misclassified as property tax revenue rather than intergovernmental revenue.

#### **Other Receipts**

We selected 10 other receipts from the year ended December 31, 2022 and 10 other receipts from the year ended 2021 and:

- a. Agreed the receipt amount recorded in the Receipt Register Report to supporting documentation. The amounts agreed.
- b. Confirmed the amounts charged complied with rates in force during the period. We found no exceptions.
- c. Inspected the Receipt Register Report to determine the receipt was posted to the proper funds and was recorded in the proper year. We found no exceptions.
- d. We confirmed the amounts paid from Ohio Billing, Inc., the service organization that performs the emergency medical billings, to the Township during 2022 and 2021 with the Monthly Credit Report. We found no exceptions.
  - i. We inspected the Receipt Register Report to determine whether these receipts were allocated to the proper funds. We found no exceptions.
  - ii. We inspected the Receipt Register Report to determine whether the receipts were recorded in the proper year. We found no exceptions.

**Debt**

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2020.
2. We inquired of management and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2022 or 2021 or debt payment activity during 2022 or 2021. There were no new debt issuances, nor any debt payment activity during 2022 or 2021.

**Payroll Cash Disbursements**

1. We selected one payroll check for five employees from 2022 and one payroll check for five employees from 2021 from the Wage Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions in 2021. We found one instance where an employee was paid for 7.5 hours more than the hours recorded on his timecard in 2022, resulting in a \$75.08 overpayment and one instance where an employee was paid for 10 hours more than the hours recorded on his timecard in 2022, resulting in a \$110.05 overpayment. We brought this to management's attention and on August 14, 2023 the Township passed a Resolution approving the additional premium pay for Township EMS and Paramedic personnel. Because we did not compare all timecards, our report provides no assurance whether or not other similar errors occurred.
  - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files and/or minute record or as required by statute. We found no exceptions.
  - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We selected three new employees and Board of Trustees from 2022 and three employees and Board of Trustees from 2021 and:
  - a. We inspected the employees' personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
  - b. We agreed the items in a above to the Employee General Information Report. We found no exceptions.
3. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2022 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2022. We observed the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2023	December 30, 2022	\$3,753.58	\$3,753.58
State income taxes	January 15, 2023	December 30, 2022	\$1,187.66	\$1,187.66
East Canton income tax	January 15, 2023	December 30, 2022	\$533.65	\$533.65
OPERS retirement	January 30, 2023	December 31, 2022	\$3,492.61	\$3,492.61

We found no exceptions.

4. For the pay periods ended January 31, 2022 and September 30, 2021, we
  - a. Recomputed the allocation of the Fiscal Officer's and Boards' salary amounts and employer shares withholdings to the General, Road and Bridge and Fire Fund per the Wage Detail Report.
  - b. Traced the Fiscal Officer's and Boards' pay for time or services performed to supporting certifications the Revised Code requires.We found no exceptions.
5. We compared total gross pay for the fiscal officer and each board of trustee for 2022 and 2021 to the compensation permitted by Ohio Revised Code §§ 507.09 and 505.24, respectively. Their pay did not exceed the Ohio Revised Code §§ 507.09 and 505.24 permitted amounts.
6. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2022 and 2021 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

#### **Non-Payroll Cash Disbursements**

1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2022 and 10 from the year ended 2021 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found four instances where the certification date was after the vendor invoice date, and there was also no evidence that a Then and Now Certificate was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a Then and Now Certificate is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

#### **Compliance – Budgetary**

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2022 and 2021 for the General, Gasoline Tax and Ambulance and Emergency Medical Services fund as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the only interfund transfer from the 2021 Revenue Status Report and Appropriation Status Report for compliance with Ohio Rev. Code §§ 5705.14 - .16. The Township transferred \$25,000 from the Gas Tax Fund to the Miscellaneous Capital Project Road Department Vehicle Fund. Ohio Rev. Code § 5705.16 does not permit this transfer without approval of the Tax Commissioner. The Township did not obtain this approval. Per discussion with the Fiscal Officer, the Township plans to purchase a new truck for the Road Department which is an allowable expense out of the Gas Tax Fund. Therefore, we will not request the fiscal officer to adjust this amount.

3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2022 and 2021 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

### **Sunshine Law Compliance**

1. We obtained and inspected the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with Township management and determined that the Township did not have any completed public records requests during the engagement period.
3. We inquired whether the Township had a records retention schedule and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found no exceptions.
4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). There was no written evidence the Fiscal Officer (records custodian) was provided a copy of the public records policy.
5. We inquired with Township management and determined that the Township did not have a policy manual during the engagement period therefore the public records policy could not be included as required by Ohio Rev. Code § 149.43(E)(2).
6. We observed that the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.
8. We inspected individual proof of attendance and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found one exception where a Trustee whose term expired December 31, 2021 did not attend training.
9. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.

10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
  - a. Prepared – a file is created following the date of the meeting
  - b. Filed – placed with similar documents in an organized manner
  - c. Maintained - retained, at a minimum, for the engagement period
  - d. Open to public inspection – available for public viewing or request.We found no exceptions.

11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
  - a. Executive sessions were only held at regular or special meetings.
  - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
  - c. Formal governing board actions were adopted in open meetings.We found no exceptions.

#### **HB 481 / HB 614 Coronavirus Relief Fund (CRF) Compliance**

1. We inquired of management and those charged with governance and documented how the Township decided to spend their CRF allocations and how the Township documented their compliance with the CARES Act three-prong test. We then selected five transactions including payroll, non-payroll, and subgrant/subloan transactions. and determined the Township:
  - a. Spent the CRF money (including additional distributions or redistributions) in accordance with use of funds requirements and
  - b. Maintained appropriate supporting documentation.We found no exceptions.

#### **Contract Compliance:**

1. We inspected the Minutes/Appropriation Ledger and identified the Township had expenditures subject to competitive bidding. We found no exceptions.
2. We selected one contract over \$50,000 for 2022 and one for 2021 and
  - a. We inspected the contract and other bids for the contracted expenditure and determined:
    - i. The Township accepted the lowest bid and met the requirements of Ohio Rev. Code § 5575.01.
    - ii. No bid splitting occurred
    - iii. No deliberate attempts to evade bid limitations occurred, such as successive contracts just under the bid amount, occurred.
    - iv. No apparent interest in the contract by a public official occurred.We found no exceptions.

#### **Other Compliance**

1. Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2022 and 2021 in the Hinkle system. We found no exceptions.

We were engaged by the Township to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Township and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
