Advisory from the Auditor of State's Office

Date Issued: June 22, 2020
To: All Community School Officials
From: Keith Faber, Ohio Auditor of State
Subject: Cancellation of Community School Training for 2020

Due to the health concerns caused by COVID-19 in the State of Ohio, the Auditor of State's office will not be holding our annual Community School Training for 2020.

In an effort to continue to provide up-to-date trainings, the office has created a free online library to deliver training on essential topics.

The office will post additional materials such as training on CARES Act spending and Single Audit requirements in the coming weeks.

Find the online learning library and other COVID-19 resources [here](#).
