7

Converting to UAN Cemetery

- Either start with blank data or import data from an Excel spreadsheet template
- Cemetery 3.0 contains the Cemetery Import Template Excel spreadsheet template that can be used for importing information
- Cemetery 3.0 Conversion Instructions explain in detail how to fill out the template
- Both the template and instructions are located under UAN Tools > Version Documentation

8

Application Demo

- Rules
 - All cemeteries must contain graves
 - A cemetery must have the same structure types inside of it
 - A plot must be sold before it can be occupied
