These financial statements are the responsibility of the management of the Convention and Visitors Bureau of Worthington, Inc. Our responsibility is to express an opinion on this financial statements based on our audits.

We conducted our audits in accordance with United States generally accepted auditing standards and the standards applicable to audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. NOTES TO FINANCIAL STATEMENT

For the years ended December 31, 2003 and 2002

NOTE A—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting principles and practices of Convention and Visitors Bureau of Worthington, Inc. (the Bureau) are set forth to facilitate the understanding of data presented in the financial statements.

The Bureau is a private not-for-profit organization that was organized to enhance and promote the City of Worthington as a meeting place for conventions and conferences, and as an attraction for tourists.

1. Basis of Accounting

The Bureau prepares its financial statements using the cash receipts and disbursements basis of accounting. Under this basis, transactions are recognized when cash is received or cash is disbursed. The only asset is cash and liabilities are not recognized. Noncash transactions, primarily bed tax income receivable and accounts payable to vendors are not recognized in the accompanying financial statements.

A financial statement in conformity with United States generally accepted accounting principles (GAAP) would require the accrual of revenues when earned or upon commitments from grantors and the recognition of expenses when incurred. Accordingly, this financial statement is not intended to be in accordance with United States generally accepted accounting principles.

2. Income Taxes

The Bureau is exempt from federal income taxes under Section 501(c)(6) of the Internal Revenue Code.

3. Concentrations

Approximately ninety percent of the Bureau's receipts are from the City of Worthington's Bed Tax, which is authorized by city ordinance No. 116-92.

4. Advertising Costs

Advertising costs are charged to operations in the year paid and totaled \$25,033 and \$18,046 for the years ended December 2003 and 2002.

5. Lease

The Bureau's executive office is leased on a month-to-month basis.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF THE FINANCIAL STATEMENT PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Convention and Visitors Bureau of Worthington, Inc.

We have audited the statements of cash receipts and disbursements of the Convention and Visitors Bureau of Worthington, Inc. (the Bureau), for the years ended December 31, 2003 and 2002, and have issued our report thereon dated July 16, 2004. We conducted our audits in accordance with United States generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Bureau's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audits, we considered the Bureau's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting, which we have reported to management of the Bureau in a separate letter dated July 16, 2004.

This report is intended solely for the information and use of the Board of Trustees and other officials authorized to receive this report under Section 117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.
