#### **Independent Auditor's Report**

We have audited the accompanying balance sheet of City of East Liverpool Community Improvement Corporation as of December 31, 2003 and 2002 and the related statements of revenue and expenses and changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and standards applicable to financial audits contained in Government Auditing Standards, issued by the comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the statements referred to above present fairly, in all material respects, the assets and liabilities of City of East Liverpool Community Improvement Corporation as of December 31, 2003 and 2002 and its revenue collected and expenses paid and changes in net assets and cash flows during the years then ended in conformity with generally accepted accounting principles.

That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results if an audit.

## REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE OF INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Board of Trustees City of East Liverpool Community Improvement Corporation East Liverpool. Ohio

We have audited the accompanying financial statements of City of East Liverpool Community Improvement Corporation as of the years ended December 31, 2003 and 2002, and have issued our report thereon dated January 31, 2003. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### Compliance

As a part of obtaining reasonable assurance about whether City of East Liverpool Community Improvement Corporation's financial statements are free of material misstatement, we performed tests of it's compliance with certain provisions of laws, regulations, and contracts, noncompliance with which could have a direct and material effect on determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered City of East Liverpool Community Improvement Corporation's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of management and is not intended to be and should not be used by anyone other than these specialized parties.
