#### **INDEPENDENT ACCOUNTANTS' REPORT**

Village of Minerva Stark County 209 North Market Street Minerva, Ohio 44657

To the Village Council:

We have audited the accompanying financial statements of the Village of Minerva, Stark County, Ohio, (the Village) as of and for the years ended December 31, 2003 and 2002. These financial statements are the responsibility of the Village's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Village prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of the Village as of December 31, 2003 and 2002, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 30, 2004 on our consideration of the Village's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2003 AND 2002

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. Description of the Entity

The Village of Minerva, Stark County, Ohio (the Village) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Village operates under a Home Rule Charter which provides for a Council-Administrator form of government. Under this plan, an elected mayor performs the judicial functions and presides at Council meetings. All powers of the municipality are concentrated in a Council of 4 elected representatives plus the mayor. Council has full responsibility for determination of policies. The Charter concentrates actual administration in a Municipal Administrator who is appointed by, and at times is responsible to, the Council. The Village provides general government services, including water and sewer utilities; park operations (leisure time activities); and fire and police services.

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

The Village is associated with certain organizations which are defined as Jointly Governed Organizations under Governmental Accounting Standards Board (GASB) Statement No. 14, Reporting Entity. These organizations are presented in Notes 10, 11 and 12. These organizations include:

Stark Council of Governments Stark County Regional Planning Commission Carroll County Regional Planning Commission

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

#### **B.** Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

# C. Cash

The Village maintained their cash in a business checking account and certificates of deposit. Certificates of deposit are valued at cost.

#### D. Fund Accounting

The Village uses fund accounting to segregate cash that is restricted as to use. The Village classifies its funds into the following types:

# NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2003 AND 2002 (Continued)

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

# D. Fund Accounting (Continued)

#### 1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

#### 2. Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Village has the following significant Special Revenue Fund:

Street Construction, Maintenance, and Repair Fund - This fund receives gasoline tax and motor vehicle tax money for constructing, maintaining and repairing Village streets.

*Income Tax Fund* - This fund receives revenues from local income tax collections to provide funds for the general fund, maintenance, new equipment and capital improvements of the Village.

#### 3. Capital Projects Funds

These funds are used to account for receipts that are restricted for the acquisition or construction of major capital projects (except those financed through enterprise or trust funds). The Village has the following significant Capital Projects Fund:

Capital Improvement Fund – This fund received revenues from local income tax collections to provided funds for the general operations, maintenance, new equipment and capital improvements of the Village.

#### 4. Enterprise Funds

These funds account for operations that are similar to private business enterprises where management intends that the significant costs of providing certain goods or services will be recovered through user charges. The Village has the following significant Enterprise Funds:

Water Fund - This fund receives charges for services from residents to cover the cost of providing water service.

Sanitary Sewer Fund - This fund receives charges for services from residents to cover the cost of providing sewer service.

# NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2003 AND 2002 (Continued)

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### D. Fund Accounting (Continued)

#### 5. Internal Service Fund

This fund is used to account for services provided by one department to other departments of the governmental unit. The Village has the following significant internal service fund:

Self-funded Insurance Medical Fund – This fund received insurance payments from other funds which are used to pay medical claims of full time employees enrolled in the health insurance plan.

## 6. Fiduciary Fund (Agency Fund)

Funds for which the Village is acting in an agency capacity are classified as agency funds. The Village has the following Agency fund:

Mayor's Court Agency Fund – This fund receives fines and forfeitures from the Mayor's Court to be distributed to the Village, State of Ohio, and other governments.

#### E. Budgetary Process

The Ohio Revised Code requires that each fund (except certain agency funds) be budgeted annually.

## 1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund level of control and appropriations may not exceed estimated resources. The Village Council must annually approve the appropriation measure and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

#### 2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must also approve estimated resources.

# 3. Encumbrances

The Ohio Revised Code requires the Village to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2003 and 2002 budgetary activity appears in Note 3.

# NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2003 AND 2002 (Continued)

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as capital outlay disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

#### G. Accumulated Leave

Employees are entitled to cash payments for unused leave in certain circumstances, such as upon leaving employment. Unpaid leave is not reflected as a liability under the Village's basis of accounting.

#### 2. EQUITY IN POOLED CASH

The Village maintains a cash pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash at December 31 was as follows:

	2003	2002
Demand deposits	\$234,739	\$316,040
Certificates of deposit	4,558,740	4,458,741
Total deposits	\$4,793,479	\$4,774,781

Deposits are either insured by the Federal Depository Insurance Corporation or collateralized by the financial institution's public entity deposit pool.

## 3. BUDGETARY ACTIVITY

Budgetary activity for the years ended December 31, 2003 and 2002 follows:

2003 Budgeted vs. Actual Receipts Budgeted Actual Fund Type Receipts Receipts Variance General \$1,281,339 \$1,433,658 \$152,319 Special Revenue 1,778,520 1,751,551 (26,969)**Capital Projects** 92,500 20,327 (72,173)Enterprise 887,100 722,282 (164,818)Internal Service 260,600 260,925 325 Fiduciary 66,000 47,262 (18,738)Total \$4,366,059 \$4,236,005 (\$130,054)

#### 4. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Village Council. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payments, the first half is due December 31. The second half payment is due the following June 20.

# NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2003 AND 2002 (Continued)

#### 4. PROPERTY TAX (Continued)

Public utilities are also taxed on personal and real property located within the Village.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Village.

#### 5. LOCAL INCOME TAX

The Village levies a municipal income tax of 1% on substantially all earned income arising from employment, residency, or business activities within the Village as well as certain income of residents earned outside of the Village. An additional .25% Fire levy tax expired as of 12/31/02.

Employers within the Village withhold income tax on employee compensation and remit the tax to the Village quarterly. Corporations and other individual taxpayers pay estimated taxes quarterly and file a declaration annually.

The Village did not follow income tax ordinances regarding the allocation of receipts to funds.

#### 6. DEBT

Debt outstanding at December 31, 2003 is as follows:

Ohio Water Development Authority Loan	Principal \$236,005	Interest Rate 7.86%
Total	\$236,005	

The Ohio Water Development Authority (OWDA) loan related to a water and sewer plant expansion project that was mandated by the Ohio Environment Protection Agency. The OWDA approved a loan of \$704,713 in 1988. The loan will be repaid in semiannual installments of \$35,515, including interest, over 20 years. The loan is collateralized by water and sewer receipts. The Village has agreed to set utility rates sufficient to cover OWDA debt service requirements.

The Village also had two commercial loans relating to the construction of the police station facility and the fire station facility. The balances outstanding at 12/31/01 were paid off in 2002, and there were no remaining balances outstanding to be paid off in 2003.

# NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2003 AND 2002 (Continued)

#### 6. DEBT (Continued)

Amortization of the above debt, including interest, is scheduled as follows:

	OWDA Loan	
Year ending December 31:		
2004	\$71,030	
2005	71,030	
2006	71,030	
2007	71,030	
2008	71,030	
Total	\$355,150	

# 7. RETIREMENT SYSTEMS

The Village's law enforcement officers and firefighters belong to the Police and Firemen's Disability & Pension Fund (PFDPF). Other full-time employees and the elected officials belong to the Ohio Public Employees Retirement System (OPERS). PFDPF and OPERS are cost-sharing, multiple-employer plan. These plans provide retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2003 and 2002, members of PFDPF contributed 10% of their wages, of which the Village picked up 3%. The Village contributed an amount equal to 19.5% of police participant wages. OPERS members were required to contribute 8.5% of their wages, of which the Village picked up 3%. The Village contributed an amount equal to 13.55% of participants' gross salaries for 2003 and 2002. The Village has paid all contributions required through December 31, 2003.

#### 8. CONTINGENT LIABILITIES

Amounts received from grantor agencies are subject to audit and adjustment by the grantor, principally the state government. Any disallowed costs may require refunding to the grantor. Amounts which may be disallowed, if any, are not presently determinable. However, based on prior experience, management believes such refunds, if any, would be significant.

## 9. RISK MANAGEMENT

The Village has obtained commercial insurance for the following risks:

- Comprehensive property and general liability
- Public officials' liability
- Vehicles:
- Errors and omissions
- Commercial Inland Marine
- Employer's liability
- Employee benefits liability
- Crime

# NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2003 AND 2002 (Continued)

#### 9. RISK MANAGEMENT (Continued)

The Village is also self insured for health insurance. The Self Insurance Fund pays covered claims to service providers, and recovers these costs from charges to other funds based on an actuarially determined cost per employee. A comparison of Self Insurance Fund cash and investments to the actuarially-measured liability as of December 31 follows:

	2002	2003	
Cash and investments	\$364,604	\$319,709	
Actuarial liabilities	89,954	128,362	

#### 10. STARK COUNCIL OF GOVERNMENTS

The Stark Council of Governments (SCOG) is a jointly governed organization. SCOG is a regional council of governments formed under chapter 167 of the Ohio Revised Code. Currently, SCOG's functions include the funding and operation of the Stark County Metropolitan Narcotics Unit and Canton Crime lab. SCOG is governed by the membership, including Stark County, and other villages, cities, and townships. The membership elects a nine member executive committee. Based on recommendations of the executive committee, a membership approves its own budget, appoints personnel and performs accounting and finance related activities. Continued existence of the agency is dependent on the Village's continued participation; however, the Village does not have an equity interest in the agency. The agency is not accumulating significant financial resources or experiencing fiscal stress which would cause additional financial benefit or burden to the Village. Complete financial statements may be obtained from the Stark County Council of Governments, P.O. Box 21451, Canton, Ohio 44701-1451.

#### 11. STARK COUNTY REGIONAL PLANNING COMMISSION

The Village participates in the Stark County Regional Planning Commission (Commission) which is a statutorily created political subdivision of the state. The Commission is jointly governed among Stark County, and other villages, cities, and townships. The principal aim of the Commission is to provide comprehensive planning, both long and short term range, dealing with the economic and physical environment of Stark County. The board exercises total authority for the day-to-day operations of the Commission. These include budgeting, appropriating, contracting, and designing management. The Village has no financial responsibility for any of the Commission's liabilities. Complete financial statements may be obtained from the Stark County Regional Planning Commission, Stark County, Ohio.

## 12. CARROLL COUNTY REGIONAL PLANNING COMMISSION

The Village participates in the Carroll County Regional Planning Commission (Commission) which is a statutorily created political subdivision of the state. The Commission is jointly governed among Carroll County, and other villages, cities, and townships. The principal aim of the Commission is to provide comprehensive planning, both long and short term range, dealing with the economic and physical environment of Carroll County. The board exercises total authority for the day-to-day operations of the Commission. These include budgeting, appropriating, contracting, and designing management. The Village has no financial responsibility for any of the Commission's liabilities. Complete financial statements may be obtained from the Carroll County Regional Planning Commission, Carroll County, Ohio.

# INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Village of Minerva Stark County 209 North Market Street Minerva, Ohio 44657

To the Village Council:

We have audited the accompanying financial statements of the Village of Minerva, Stark County, Ohio, (the Village) as of and for the years ended December 31, 2003 and 2002, and have issued our report thereon dated September 30, 2004. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### Compliance

As part of obtaining reasonable assurance about whether the Village's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance that is required to be reported under *Government Auditing Standards* which is described in the accompanying Schedule of Findings as item 2003-001.

We also noted certain immaterial instances of noncompliance that we have reported to management of the Village in a separate letter dated September 30, 2004.

# **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Village's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. However, we noted certain matters involving the internal control over financial reporting and its operation that we consider to be reportable conditions. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgment, could adversely affect the Village's ability to record, process, summarize and report financial data consistent with management's assertions in the financial statements. Reportable conditions are described in the accompanying Schedule of Findings as items 2003-002, 2003-003 and 2003-004.

Village of Minerva Stark County Independent Accountants' Report on Compliance and on Internal Control Required by *Government Auditing Standards* Page 2

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. We consider item 2003-002 listed above to be a material weakness.

We also noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Village in a separate letter dated September 30, 2004.

This report is intended solely for the information and use of management and Village Council, and is not intended to be and should not be used by anyone other than these specified parties.

## SCHEDULE OF FINDINGS DECEMBER 31, 2003 AND 2002

# FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

#### **FINDING NUMBER 2003-001**

# **Material Noncompliance Citation**

During 2003, the Village did not properly allocate its income tax proceeds in accordance with the Codified Ordinance as adopted by the council on December 30, 2002.

**Ordinance No. 43-02** amended Section 181.14 Paragraphs b,c, and d of Chapter 181 Income Tax Code of the Codified Ordinances of the Village of Minerva pertaining to the allocation of Income Tax Funding.

The amended Section 181.14 states, the funds collected under the provisions of this chapter shall be deposited in a special fund known as "Income Tax Fund" and such funds shall be disbursed in the following manner:

- (a) Such part thereof as shall be necessary to defray all costs of collecting the taxes and the cost of administering and enforcing the provisions thereof.
- (b) Not more than seventy-five percent (75%) of the net available income tax receipts received annually shall be deposited in the General Fund to defray operating expenses of the Municipality.
- (c) Not more than twenty-five percent (25%) of the net available Income Tax receipts received annually shall be deposited in the Street Department Fund.

Section 2 of Ordinance No. 43-02 indicates that the amended distribution of income tax revenues shall be for fiscal year 2003 only and shall revert to the previous distribution schedule in fiscal year 2004.

The Village failed to comply with section of Ordinance No. 43-02 for 2003 by allocating the net Income Tax revenue using the old allocation method adopted on June 26, 1979 which called for the allocation of 60% to the General Fund, 20% to the Capital Improvements and 20% to the Street Maintenance and Repair Fund.

As a result, income tax monies in the amounts of \$59,669 and \$19,870, were initially allocated to the Capital Project Fund rather that General and Special Revenue Funds. The required adjustments have been reflected in the financial statements.

The Village should follow the codified ordinance as passed. This will help eliminate the possibility of monies that have been earmarked for specific use not being available as desired and the potential of overspending in those funds.

#### FINDING NUMBER 2003-002

## **Material Weakness**

During our review of the Income Tax collections process, we also noted the following internal control weaknesses:

 Village management has no key controls in place to monitor the effectiveness of tax collection procedures. There is no filing system in place by taxpayer's account, nor was the accounts monitored through other procedures. During our audit period, there were no effective controls in place to monitor Taxpayer information, including key standing and transaction data. Village of Minerva Stark County Schedule of Findings Page 2

# FINDING NUMBER 2003-002 (Continued)

- The Income Tax Administrator has not developed a method to identify resident or business name modifications in a timely manner. This results in a potential loss of revenue.
- Evidence does not exist to indicate the Income Tax Administrator regularly utilizes the State List of Tax Filers or utility accounts to verify that all eligible Village residents or businesses remit income tax to the Village.

To improve internal controls over the Income Tax collection process, the Village should:

- Establish a filing system by taxpayer account that contains key standing and transaction data. The Village Income Tax Administrator should review these files at the end of the collection period to ensure that all tax payers have filed a return.
- Develop a method to identify resident or business name modifications to ensure that all taxes due are paid to the Village and that no potential losses result due to name changes.
- Utilize the State List of Tax Filers, phone book, or utility accounts to verify that all eligible Village residents or businesses remit income taxes to the Village. The Village Income Tax Administrator should provide evidence (e.g., initial, checkmark, etc.) to document these listings were reviewed to determine the completeness of income tax filings.

Following these procedures will help ensure that Income Tax receipts are properly monitored and that the Village is receiving the maximum potential income tax collections as required by the Village Income Tax Ordinances.

#### **FINDING NUMBER 2003-003**

# **Reportable Conditions**

We noted the following issues during our testing of the Village's December 31, 2003 cash reconciliation:

- The Finance Director of the Village did not post prior year adjustments between the Special Revenue Fund and the Enterprise Fund in the amount of \$12,019.
- The Finance Director rolled over a \$2,000,000 Certificate of Deposit prior to year end in the amount of \$1,800,000. The difference of \$200,000 was recorded as an Investment Transfer In and allocated across the fund balances, thus over stating the actual fund cash balance from \$4,793,480 to \$4,993,480.

Due to the Finance Director not reconciling the Village's cash and investment balances, the above items exposed the Village to certain risks of loss and required adjustments to the financial statements. The Finance Director should:

- Post prior year re-class adjusting entries identified by the prior year audit staff in a timely manner.
- Maintain supporting documentation and explanations for adjustments made to the Village's accounting records.

Village of Minerva Stark County Schedule of Findings Page 3

# FINDING NUMBER 2003-003 (Continued)

Ensure that changes in investment deposits are not recorded as receipts and/or disbursements
against the fund balance on the financial statements. Also, balances should be reconciled in a
timely fashion and provided to council each month along with any reconciling items for their
review and approval of these amounts.

This will help ensure Village fund balances reflected on the Village's cash journal are accurately reported; and that all reconciling items are properly supported and authorized by council, as well as minimize the risk of loss.

#### **FINDING NUMBER 2003-004**

## **Mayor's Court**

During the review of the Mayor's Court activity we noted the following:

- Mayor's court fines and costs paid to the Village through the mail were not being recorded on a cash book within the police department.
- Deposits made by the police department to the Mayor's office were not issued a pay-in receipt to verify and support the amounts being deposited with the Mayor's office.
- The individual receipts issued by the police department were not being reconciled to the Mayor's court daily cash journal.

To improve the internal controls over the collections and receipting of Mayor's Court monies the following should be implemented:

- All Court fines and cost being remitted to the Village whether being mailed or brought in to the village should be properly recorded in a cash book. This would help ensure that all revenues received are being properly recorded.
- Police department personnel should request a pay-in receipt for deposits made to the Mayor's office. This will help ensure that all deposits made are properly verified and supported.
- The Mayor's office should issue the police department a daily cash receipts report so that individual receipts can be compared and verified that payments were properly recorded. This will help ensure that all payments received are reconciled to the daily cash receipts journal.

By implementing these procedures, the Village will help ensure that all collections made at the police department are being properly paid into the Mayor's office and that all supporting information is with those deposits.
