#### INDEPENDENT ACCOUNTANTS' REPORT

Convention and Visitors Bureau Seneca County 114 South Washington Street Tiffin, Ohio 44883-2840

To the Board of Trustees:

We have audited the accompanying financial statements of Seneca County Convention and Visitors Bureau (the Bureau) as of and for the years ended December 31, 2003 and 2002. These financial statements are the responsibility of the Bureau's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Bureau prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash balances of the Seneca County Convention and Visitors Bureau as of December 31, 2003 and 2002, and its cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated February 19, 2004 on our consideration of the Bureau's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2003 AND 2002

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. Description of the Entity

Seneca County Convention and Visitors Bureau is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Bureau is directed by an appointed twelve-member Board of Trustees. The Board consists of seven elected members and five appointed members consisting of Mayor of Fostoria, Mayor of Tiffin, Director of Fostoria Chamber of Commerce, Director of Tiffin Chamber of Commerce and a Seneca County Commissioner. The Seneca County provides funding to meet the Bureau's operating costs under the agreement which established the Bureau. This accompanying financial statement presents this funding as County Hotel/Motel Lodging Tax Receipts. The Bureau serves the public by encouraging economic development of the County through the promotion of tourism

The Bureau's management believes these financial statements present all activities for which the Bureau is financially accountable.

#### B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

#### C. Fund Accounting

The Bureau classifies its funds into the following type:

#### **GENERAL FUND**

The General Fund is the general operating fund. It is used to account for all financial resources.

#### D. Budgetary Process

The Bureau prepares an annual budget for its fund. It is used to account for all financial resources.

#### E. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

#### INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Convention and Visitors Bureau Seneca County 114 South Washington Street Tiffin, Ohio 44883-2840

To the Board of Trustees:

We have audited the accompanying financial statements of Seneca County Convention and Visitors Bureau (the Bureau) as of and for the years ended December 31, 2003 and 2002, and have issued our report thereon dated February 19, 2004. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

#### Compliance

As part of obtaining reasonable assurance about whether the Bureau's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance that is required to be reported under Governmental Auditing Standards which is described in the accompanying schedule of findings as item 2003-001. We also noted a certain immaterial instance of noncompliance that we have reported to management of the Bureau in a separate letter dated February 19, 2004.

#### **Internal Control over Financial Reporting**

In planning and performing our audit, we considered the Bureau's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Bureau in a separate letter dated February 19, 2004.
