INDEPENDENT ACCOUNTANTS' REPORT

Community Improvement Corporation of Perry County Perry County 103 W. Brown Street New Lexington, Ohio 43764

To the Board of Directors:

We have audited the accompanying statements of financial position of the Community Improvement Corporation of Perry County, Perry County, Ohio (the Corporation), as of December 31, 2005 and 2004, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Corporation's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Community Improvement Corporation of Perry County, Perry County, Ohio, as of December 31, 2005 and 2004, and the changes in its net assets and cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated October 4, 2006, on our consideration of the Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

The Corporation is empowered with the ability to carry out the actions it considers necessary to achieve its mission.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies is presented to assist the reader in understanding and evaluating the financial statements of the Corporation.

Basis of Accounting

The financial statements of the Corporation have been prepared on the accrual basis of accounting principles generally accepted in the United States of America (GAAP) as applied to not-for-profit organizations. The Financial Accounting Standards Board (FASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles for not-for-profit organizations.

Basis of Presentation

The Corporation's financial statements consist of statement of financial position, statement of activities and statement of cash flows.

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Corporation is required to report information regarding its financial position and activities according to three classes: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Currently, the Corporation has only unrestricted net assets.

Revenue Recognition

Contributions received are recorded as unrestricted support unless there are any donor-imposed restrictions. During 2005, Hocking County donated \$1,500 to the Corporation toward the formation of the 501 C (3) status.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Capital Assets

Capital assets are stated at cost and are depreciated over the estimated useful lives by the straight-line method of depreciation for financial reporting purposes. Repairs and maintenance are charged to operations when incurred and improvements and additions are capitalized. The capitalization threshold is \$500.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Tax Status

The Corporation has qualified for a tax exemption under Section 501 C (3) of the Internal Revenue Code and, accordingly, no provision for federal income tax has been recorded in the accompanying financial statements.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Corporation considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Community Improvement Corporation of Perry County Perry County 103 W. Brown Street New Lexington, Ohio 43764

To the Board of Trustees:

We have audited the financial statements of the Community Improvement Corporation of Perry County, Perry County, Ohio (the Corporation), as of and for the years ended December 31, 2005 and 2004, and have issued our report thereon dated October 4, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Corporation's internal control over financial reporting to determine our auditing procedures in order to express our opinion on the financial statements and not to opine on the internal control over financial reporting. Our consideration of the internal control would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts material to the financial statements we audited may occur and not be timely detected by employees when performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider material weaknesses. In a separate letter to the Corporation's management dated October 4, 2006, we reported other matters involving internal control over financial reporting we did not deem reportable conditions.

Compliance and Other Matters

As part of reasonably assuring whether the Corporation's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.
