# Adams Metropolitan Housing Authority Financial Statements For the Year Ended September 30, 2006

## Mary Taylor, CPA Auditor of State

Board of Directors Adams Metropolitan Housing Authority 401 East 7th Street Manchester, Ohio 45144

We have reviewed the *Independent Auditors' Report* of the Adams Metropolitan Housing Authority, Adams County, prepared by Salvatore Consiglio, CPA, Inc., for the audit period October 1, 2005 through September 30, 2006. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Adams Metropolitan Housing Authority is responsible for compliance with these laws and regulations.

Mary Taylor, CPA Auditor of State

#### **Independent Auditors' Report**

Board of Directors Adams Metropolitan Housing Authority

I have audited the accompanying financial statements of the business-type activities of Adams Metropolitan Housing Authority, Ohio, as of and for the year ended September 30, 2006, which collectively comprise the Authority basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Adams Metropolitan Housing Authority, Ohio, management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Adams Metropolitan Housing Authority, Ohio, as of September 30, 2006, and the respective changes in financial position and the cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, I have also issued a report dated June 1, 2007, on my consideration of Adams Metropolitan Housing Authority, Ohio's internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be consider in conjunction with this report in considering the results of my audit.

The Management's Discussion and Analysis is not a required part of the basic financial statements but is supplementary information required by the accounting principles generally accepted in the United State of America. I have applied certain limited procedures, which consisted principally of inquiry of management regarding the methods of measurement and presentation of the supplementary information. However, I did not audit the information and express no opinion thereon.

My Audit was performed for the purpose of forming and opinion on the Financial Statements that collectively comprise the Adams Metropolitan Housing Authority, Ohio, basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Government and Non-Profit Organizations* and is not a required part of the financial statements. The combining financial data schedule ("FDS") is presented for purposes additional analysis as required by the Department of Housing and Urban Development and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly presented in all material respect in relation to the basic financial statements taken as a whole.

Dalvatore Consiglio

Salvatore Consiglio, CPA, Inc.

June 1, 2007

#### **UNAUDITED**

The Adams Metropolitan Housing Authority's ("the Authority") management's discussion and analysis is designed to (a) assist the reader in focusing on significant financial issues, (b) provide an overview of the Authority's financial activity, (c) identify changes in the Authority's position, and (d) identify individual fund issues or concerns.

Since the Management's Discussion and Analysis (MD&A) is designed to focus on the current years activities, resulting changes and currently known facts, please read it in conjunction with the Authority's financial statement.

#### FINANCIAL HIGHLIGHTS

- Total assets were \$5,868,202 and \$5,832,734 for 2006 and 2005 respectively. The Authority-wide statements reflect an increase in total assets of \$35,468 (or .61%) during 2006.
- Revenues increased by \$83,597 during 2006, and were \$1,975,748 for 2006 and \$1,892,151 for 2005 respectively.
- The total expenses of all Authority programs decreased by \$30,789 (or 1.53%). Total expenses were \$1,979,396 and \$2,010,185 for 2006 and 2005 respectively.

#### **USING THIS ANNUAL REPORT**

This Report includes three major sections, the "Management's Discussion and Analysis (MD&A)", "Basic Financial Statements", and "Other Required Supplementary information":

MD	&A
----	----

~Management's Discussion and Analysis ~

#### **Basic Financial Statement**

~Authority Financial Statements ~

#### **Other Required Supplementary Information**

~Required Supplementary Information ~
(Other than the MD&A)

#### UNAUDITED

#### **Authority Financial Statements**

The Authority financial statements are designed to be corporate-like in that all business type activities are consolidated into columns which add to a total for the entire Authority.

These Statements include a <u>Statement of Net Assets</u>, which is similar to a Balance Sheet. The Statement of Net Assets reports all financial and capital resources for the Authority. The Statement is presented in the format where assets, minus liabilities, equals "Net Assets", formerly know as equity. Assets and liabilities are presented in order of liquidity, and are classified as "Current" (convertible into cash within one year), and "Non-current".

The focus of the Statement of Net Assets (the "<u>Unrestricted</u> Net Assets") is designed represent the net available liquid (non-capital) assets, net of liabilities, for the entire Authority. Net Assets (formerly equity) are reported in three broad categories:

<u>Net Assets, Invested in Capital Assets, net of Related Debt</u>: This component of Net Assets consists of all Capital Assets, reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

<u>Restricted Net Assets</u>: This component of Net Assets consists of restricted assets, when constraints are placed on the asset by creditors (such as debt covenants), grantors, contributors, laws, regulations, etc.

<u>Unrestricted Net Assets</u>: Consists of Net Assets that do not meet the definition of "Net Assets Invested in Capital Assets, Net of Related or Debt", or "Restricted Net Assets".

The Authority financial statements also include a <u>Statement of Revenues, Expenses and Changes in Fund Net Assets</u> (similar to an Income Statement). This Statement includes Operating Revenue, such as rental income, Operating Expenses, such as administrative, utilities, and maintenance, and depreciation, and Non-Operating Revenue and Expenses, such as capital grant revenue, investment income and interest expense.

The focus of the Statement of Revenues, Expenses and Changes in Fund Net Assets is the "Change in Net Assets", which is similar to Net Income or Loss.

Finally, a Statement of Cash Flows is included which discloses net cash provided by, or used for operating activities, non-capital financing activities, and from capital and related financing activities.

#### UNAUDITED

#### **Fund Financial Statements**

Traditional users of governmental financial statements will find the Fund Financial Statements presentation more familiar. The Authority consists of exclusively Enterprise Funds. Enterprise funds utilize the full accrual basis of accounting. The Enterprise method of accounting is similar to accounting utilized by the private sector accounting.

Many of the programs maintained by the Authority are required by the Department of Housing and Urban Development. Others are segregated to enhance accountability and control.

#### The Authority's Programs

#### **Conventional Public Housing**

Under the Conventional Public Housing Program, the Authority rents units that it owns to low-income households. The Conventional Public Housing Program is operated under an Annual Contributions Contract (ACC) with HUD, and HUD provides Operating Subsidy and Capital Grant funding to enable the PHA to provide the housing at a rent that is based upon 30% of household income.

#### **Housing Choice Voucher Program**

Under the Housing Choice Voucher Program, the Authority administers contracts with independent landlords that own the property. The Authority subsidizes the family's rent through a Housing Assistance Payment made to the landlord. The program is administered under and Annual Contributions Contract (ACC) with HUD. HUD provides Annual Contributions Funding to enable the Authority to structure a lease that sets the participants' rent at 30% of household income.

#### **Capital Fund Program**

The public housing program also includes the Capital Fund Program, which is the primary funding source for physical and management improvements to the Authority's properties. The Department of Housing and Urban Development Capital Fund Program provides grant funds for the development, renovations and construction of Public Housing Projects.

#### **UNAUDITED**

#### **AUTHORITY STATEMENTS**

#### **Statement of Net Assets**

The following table reflects the condensed Statement of Net Assets compared to prior year. The Authority is engaged only in Business-Type Activities.

TABLE 1
STATEMENT OF NET ASSETS

Current and Other Assets Capital Assets	\$	2006 444,590 5,423,612	\$ 2005 371,311 5,461,423
Total Assets	\$_	5,868,202	\$ 5,832,734
Current Liabilities Noncurrent Liabilities	\$	79,315 57,577	\$ 43,603 54,173
Total Liabilities	_	136,892	97,776
Net Assets: Investment in Capital Assets, net of Related Debt Unrestricted Net Assets	_	5,423,612 307,698	5,461,423 273,535
Total Net Assets	_	5,731,310	5,734,958
Total Liabilities and Net Assets	\$_	5,868,202	\$ 5,832,734

For more detail information see Statement of Net Assets presented elsewhere in this report.

#### **UNAUDITED**

#### **Major Factors Affecting the Statement of Net Assets**

During 2006, current and other assets increased by \$73,279, and total liabilities increased by \$35,712. The current and other assets, primarily cash and investments, increased because of change in receivables from HUD. Liabilities increased due to increase in year end payable to vendor and contractors.

Capital assets also changed, decreasing from \$5,461,423 to \$5,423,612. The decrease may be contributed primarily to the current capital improvement less current year depreciation expense. For more detail see "Capital Assets" below.

### TABLE 2 CHANGE OF UNRESTRICTED NET ASSETS

Table 2 presents details on the change in Unrestricted Net Assets

Beginning Balance - September 30, 2005 \$	273,535
Results of Operation	(17,341)
Adjustments:	
Current year Depreciation Expense (1)	289,950
Capital Expenditure (2)	(252,140)
Rounding Adjustment	1
Ending Balance - September 30, 2006 \$	294,005

- (1) Depreciation is treated as an expense and reduces the results of operations but does not have an impact on Unrestricted Net Assets
- (2) Capital expenditures represent an outflow of unrestricted net assets, but are not treated as an expense against Results of Operations, and therefore must be deducted

#### **UNAUDITED**

While the results of operations are a significant measure of the Authority's activities, the analysis of the changes in Unrestricted Net Assets provides a clearer change in financial well-being.

TABLE 3
STATEMENT OF REVENUES, EXPENSES AND CHANGES IN NET ASSETS

The Following schedule compares the revenues and expenses for the current and previous fiscal year. The Authority is engaged only Business-Type Activities.

		<u>2006</u>		<u>2005</u>
Revenues		<u> </u>		
Total Tenant Revenues	\$	114,243	\$	110,148

Depreciation		289,950		270,211
Extraordinary Items (net gain/loss)		(13,693)	_	
<b>Total Expenses</b>	_	1,979,396	_	2,010,185
<b>Net Increases (Decreases)</b>	\$	(3,648)	\$_	(118,034)

-8-

#### UNAUDITED

#### MAJOR FACTORS AFFECTING THE STATEMENT OF REVENUE, EXPENSES AND CHANGES IN NET ASSETS

Total increase in revenue was primarily due to the increase in Capital Fund activities during the year.

The total expenses were almost identical to prior year total. The account with significant change during the year was Housing Assistance Payments. This was due to fewer vouchers served during the year due to the uncertainties from the change implemented by HUD in funding the program and that the agency had to reduce the total number of vouchers issued due to less funds available. During the current year the total number of vouchers served was 396 unit months fewer then prior year.

#### **CAPITAL ASSETS**

#### **Capital Assets**

As of year end, the Authority had \$5,423,612 invested in a variety of capital assets as reflected in the following schedule, which represents a net decrease (current purchases less depreciation) of \$37,811 or .69% from the end of last year.

## TABLE 4 CAPITAL ASSETS AT YEAR-END (NET OF DEPRECIATON)

		<u> 2006</u>	<u>2005</u>
Land and Land Rights	\$	379,202	\$ 379,202
Buildings		8,433,189	8,136,282
Equipment - Administration		195,093	166,175
Equipment - Dwelling		224,791	224,791
Construction in Progress		241,040	314,725
Accumulated Depreciation	_	(4,049,703)	(3,759,752)
Total	\$	5,423,612	\$ 5,461,423

See table 5 for detail of current year capital additions.

#### UNAUDITED

#### TABLE 5

#### **CHANGE IN CAPITAL ASSETS**

Beginning Balance - September 30, 2005	\$	5,461,423
Current year Additions		252,140
Current year Depreciation Expense		(289,950)
Rounding Adjustment	_	(1)
Ending Balance - September 30, 2006	\$_	5,423,612
Current year Additions are summarized as follows:		
Capital Improvement: floors and windows replacement	\$	223,222
Purchase of Computers Equipment		3,141
Purchase of Vehicle	_	25,777
Total 2006 Additions	\$_	252,140

#### **DEBIT**

#### **Debt Outstanding**

As of year-end, the Authority had no debt outstanding.

#### **ECONOMIC FACTORS**

Significant economic factors affecting the Authority are as follows:

- Federal funding provided by Congress to the Department of Housing and Urban Development
- Local labor supply and demand, which can affect salary and wage rates
- Local inflationary, recessionary and employment trends, which can affect resident incomes and therefore the amount of rental income
- Inflationary pressure on utility rates, supplies and other costs

#### FINANCIAL CONTACT

The individual to be contacted regarding this report is James R. Bowman III, Executive Director of the Adams Metropolitan Housing Authority, at (937) 549-2648. Specific requests may be submitted to the Adams Metropolitan Housing Authority at 401 East Seventh Street, Manchester, Ohio 45144-1401.

Net cash provided by operating activities	\$231,896

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Summary of Significant Accounting Policies**

The financial statements of the Adams Metropolitan Housing Authority (the Authority) have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Authority's accounting policies are described below.

#### **Reporting Entity**

The Adams Metropolitan Housing Authority was created under the Ohio Revised Code, Section 3735.27. The Authority contracts with the United States Department of Housing and Urban Development (HUD) to provide low and moderate income persons with safe and sanitary housing through subsidies provided by HUD. The Authority depends on the subsidies from HUD to operate.

The accompanying Basic Financial Statements comply with the provision of Governmental Accounting Standards Board (GASB) Statement 14, the Financial Reporting Entity, in that the financial statements include all organizations, activities and functions for which the Authority is financially accountable. This report includes all activities considered by management to be part of the Authority by virtue of Section 2100 of the Codification of Governmental Accounting and Financial Reporting Standards.

Section 2100 indicates that the reporting entity consists of a) the primary government, b) organizations for which the primary government is financially accountable, and c) other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

The definition of the reporting entity is based primarily on the notion of financial accountability. A primary government is financially accountable for the organizations that make up its legal entity. It is also financially accountable for legally separate organizations if its officials appoint a voting majority of an organization's government body and either it is able to impose its will on that organization or there is a potential for the organization to provide specific financial benefits to, or to impose specific financial burdens on, the primary government. A primary government may also be financially accountable for governmental organizations that are fiscally dependent on it.

-16-

#### NOTE 1: <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u> (Continued)

A primary government has the ability to impose its will on an organization if it can significantly influence the programs, projects, or activities of, or the level of services performed or provided by, the organization. A financial benefit or burden relationship exists if the primary government a) is entitled to the organization's resources; b) is legally obligated or has otherwise assumed the obligation to finance the deficits of, or provide financial support to, the organization; or c) is obligated in some manner for the debt of the organization.

Management believes the financial statements included in this report represent all of the funds of the Authority over which the Authority is financially accountable.

#### **Basis of Presentation**

The Authority's basic financial statements consist of a statement of net assets, a statement of revenue, expenses and changes net assets, and a statement of cash flows.

#### **Fund Accounting**

The Authority uses the proprietary fund to report on its financial position and the results of its operations for the HUD programs. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

Funds are classified into three categories: governmental, proprietary and fiduciary. The Authority uses the proprietary category for its programs.

#### **Proprietary Fund Types**

Proprietary funds are used to account for the Authority's ongoing activities, which are similar to those found in the private sector. The following is the proprietary fund type:

<u>Enterprise Fund</u> - This fund is used to account for the operations that are financed and operated in a manner similar to private business enterprises where the intent is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges or where it has been decided that periodic determination of revenue earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Measurement Focus/Basis of Accounting**

The proprietary funds are accounted for on the accrual basis of accounting. Revenues are recognized in the period earned and expenses are recognized in the period incurred. Pursuant to GASB Statement No. 20 Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities that Use Proprietary Fund Accounting, the Authority follows GASB guidance as applicable to proprietary funds and FASB Statements and Interpretations, Accounting Principles Board Opinions and Accounting Research Bulletins issued after November 30, 1989, that do not conflict with or contradict GASB pronouncements.

#### **Description of programs**

The following are the various programs which are included in the single enterprise fund:

#### A. Public Housing Program

The pubic housing program is designed to provide low-cost housing within the Adams County. Under this program, HUD provides funding via an annual contribution contract. These funds, combined with the rental income received from tenants, are available solely to meet the operating expenses of the program.

#### B. Capital Fund Program

The capital fund program provides funds annually, via a formula, to Public Housing Agencies for capital and management activities, including modernization and development housing.

#### C. Housing Choice Voucher Program

The Housing Choice Voucher Program was authorized by Section 8 of the National Housing Act and provides housing assistance payments to private, not-for-profit or public landlords to subsidize rentals for low-income persons.

#### **Investments**

The provisions of the HUD Regulations restrict investments. Investments are valued at market value. Interest income earned in fiscal year ending September 30, 2006 totaled \$3,351.

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Capital Assets**

Capital assets are stated at cost. The capitalization policy of the Authority is to depreciate all non-expendable personal property having a useful life of more than one year and purchase price of \$1,000 or more per unit. Expenditures for repairs and maintenance are charged directly to expense as they are incurred. Depreciation is computed using the straight-line method over the following estimated useful lives:

Buildings 40 year
Buildings Improvements 15 years
Furniture, equipment and machinery 3-7 years

#### **Net Assets**

Net assets represent the difference between assets and liabilities. Net assets invested in capital assets – net of related debt consists of capital assets, net of accumulated depreciation, reduced by the outstanding balance of any borrowing used for the acquisition, construction or improvement of those assets. Net assets are recorded as restricted when there are limitations imposed on their use by internal or external restrictions.

#### **Operating Revenues and Expenses**

Operating revenues and expenses are those revenues that are generated directly from the primary activities of the proprietary fund and expenses incurred for the day to day operation. For the Authority, operating revenues are tenant rent charges, operating subsidy from HUD and other miscellaneous revenue.

#### **Capital Contributions**

This represents contributions made available by HUD with respect to all federally aided projects under an annual contribution contract.

#### Cash and Cash Equivalents

For the purpose of the statement of cash flows, cash and cash equivalents include all highly liquid debt instruments with original maturities of three months or less.

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Compensated Absences**

The Authority accounts for compensated absences in accordance with GASB Statement No. 16. Sick leave and other compensated absences with similar characteristics are accrued as a liability based on the sick leave accumulated at the balance sheet date by those employees who currently are eligible to receive termination payments. To calculate the liability, these accumulations are reduced to the maximum amount allowed as a termination payment. All employees who meet the termination policy of the Authority for years of service are included in the calculation of the compensated absence accrual amount.

Vacation leave and other compensated absences with similar characteristics are accrued as a liability as the benefits are earned by the employees if both of the following conditions are met: (1) the employees' rights to receive compensation are attributable to services already rendered and are not contingent on a specific event that is outside the control of the employer and employee. (2) It is probable that the employer will compensate the employees for the benefits through paid time off or some other means, such as cash payments at termination or retirement.

In the proprietary fund, the compensated absences are expensed when earned with the amount reported as a fund liability.

#### **Budgetary Accounting**

The Authority is required by contractual agreements to adopt annual operating budgets for all its HUD funded programs. The budget for its programs are prepared on a HUD basis, which is materially consistent with accounting principles generally accepted in the United States of America. All annual appropriations lapse at fiscal year end. The Board of Commissioners adopts the budget through passage of a budget resolution.

#### **Accounting and Reporting for Non-exchange Transactions**

The Authority accounts for non-exchange transactions in accordance with Governmental Accounting Standards Board (GASB) Statement No. 33, <u>Accounting and Financial Reporting for Non-exchange Transactions</u>. Non-exchange transactions occur when the Authority receives (or gives) value without directly giving (or receiving) equal value in return.

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### **NOTE 2: DEPOSITS AND INVESTMENTS**

#### **Deposits**

State statutes classify monies held by the Authority into three categories.

- A. Active deposits are public deposits necessary to meet demands on the treasury. Such monies must be maintained either as cash in the Authority's treasury, in commercial accounts payable or withdrawal on demand, including negotiable order of withdrawal (NOW) accounts, or in money market deposit accounts.
- B. Inactive deposits are public deposits that the Authority has identified as not required for use within the current two period of designation of depositories. Inactive deposits must either be evidenced by certificate of deposits maturing not later than the end of the current period of designation of the depositories, or by savings or deposit accounts including, but not limited to passbook accounts.
- C. Interim deposits are deposits of interim monies. Interim monies are those monies which are not needed for immediate use but which will be needed before the end of the end of the current period of designation of depositories. Interim deposits must be evidenced by time certificate of deposit maturing not more than one year from the date of deposit or by savings or deposit accounts including passbook accounts.

Protection of the Authority deposits is provided by the Federal Deposit Insurance Corporation (FDIC), by eligible securities pledged by the financial institution as security for repayment, by collateral held by Authority or by a single collateral pool established by the financial institution to secure the repayment of all public monies deposited with the institution.

#### **NOTE 2: DEPOSITS AND INVESTMENTS** (Continued)

At fiscal year end September 30, 2006, the carrying amount of the Authority's deposits totaled \$421,428 and its bank balance was \$450,076. Based on the criteria described in GASB Statement No. 40, "Deposit and Investment Risk Disclosure," as of September 30, 2006, \$250,076 was exposed to custodial risk as discussed below, while \$200,000 was covered by the Federal Depository Insurance Corporation.

Custodial credit risk is the risk that in the event of bank failure, the Authority will not be able to recover the deposits. All deposits are collateralized with eligible securities in amounts equal to at least 105% of the carrying value of the deposits.

Such collateral, as permitted by the Ohio Revised Code, is held in single financial institution collateral pools at the Federal Reserve Banks or at member banks of the federal reserve system, in the name of the respective depository bank and pledged as a pool of collateral against all of the public deposits it holds or as specific collateral held at the Federal Reserve Bank in the name of the Authority.

#### **NOTE 3: RISK MANAGEMENT**

The Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees and natural disasters. During fiscal year ending September 30, 2006 the Authority maintains comprehensive insurance coverage with private carriers for health, real property, building contents and vehicles. Vehicle policies include liability coverage for bodily injury and property damage.

Settled claims have not exceeded this coverage in any of the last three years. There has been no significant reduction in coverage from last year.

#### **NOTE 4: CAPITAL ASSETS**

The following is a summary of changes:

	Balance 09/30/05	Adjust.	Additions	Deletion	Balance 09/30/06

### NOTE 5: <u>DEFINED BENEFIT PENSION PLANS -PUBLIC EMPLOYEES</u> <u>RETIREMENT SYSTEM</u>

All full-time employees of Authority participate in the Ohio Public Employees Retirement System (OPERS), a cost-sharing multiple-employer public employee retirement system administered by the Public Employees Retirement Board. OPERS provide basic retirement, disability and survivor benefits, based on eligible service credit to members and beneficiaries. Benefits are established by Chapter 145 of the Ohio Revised Code. OPERS issue a publicly available financial report that includes financial statements and required supplementary information for OPERS. Interested parties may obtain a copy by making a written request to 277 East Town Street, Columbus, Ohio 43215-4642 or by calling (614) 466-2085 or (800) 222-PERS.

Ohio Public Employees Retirement System administers three separate pension plans as described below:

### NOTE 5: <u>DEFINED BENEFIT PENSION PLANS -PUBLIC EMPLOYEES</u> <u>RETIREMENT SYSTEM</u> (Continued)

- 1. The Traditional Pension Plan A cost sharing, multiple-employer defined benefit pension plan.
- 2. The Member-Direct Plan A defined contribution plan in which the member invests both member and employer contributions (employer contributions vest over five years at 20% per year). Under the Member-Direct Plan, members accumulate retirement assets equal to the value of member and (vested) employer contributions, plus any investment earnings.
- 3. The Combined Plan A cost sharing, multiple-employer defined pension plan. Under the Combined Plan, OPERS invests employer contributions to provide a formula retirement benefits similar in nature to the Traditional Pension Plan benefit. Member contributions, the investment of which is self-directed by the members, accumulate retirement assets in a manner similar to the Member-Directed Plan.

Plan members are required to contribute 8.5 percent of their annual covered salary to fund pension obligations. The employer contribution rate was 13.55 percent of covered payroll. Effective January 1, 2006 the rates increase to 9 percent for members and 13.7 for employers. The contribution rates are determined actuarially. The Authority's required contributions to OPERS for the years ended September 30, 2006, 2005 and 2004 were \$46,457, \$38,906, and \$39,551, respectively. The full amount has been contributed for 2005 and 2004. Ninety-two percent has been contributed for 2006, with the remainder being reported as a liability with the enterprise fund.

### NOTE 6: <u>POSTEMPLOYMENT BENEFITS PUBLIC EMPLOYEES</u> <u>RETIREMENT SYSTEM</u>

The Public Employees Retirement System of Ohio (OPERS) provides postemployment health care benefits to age and service retirants with ten or more years of qualifying Ohio service credit and to primary survivor recipients of such retirants. Health care coverage for disability recipients is also available. The health care coverage provided by the OPERS is considered an Other Post-employment Benefit (OPEB) as described in GASB Statement No. 12. A portion of each employer's contribution to the OPERS is set aside for the funding of post retirement health care.

### NOTE 6: POSTEMPLOYMENT BENEFITS PUBLIC EMPLOYEES RETIREMENT SYSTEM (Continued)

The Ohio Revised Code provides statutory Authority requiring public employers to fund post-employment health care through their contributions to the OPERS. The portion of the 2005 employer contribution rate (identified above) that was used to fund health care for the year ended September 30, 2006 was 4.0 percent of covered payroll, which amounted to \$13,603. The significant actuarial assumptions and calculations relating to post-employment health care benefits were based on the OPERS' latest actuarial review performed as of December 31, 2005. An entry age normal actuarial cost method of valuation is used in determining the present value of OPEB. The difference between assumed and actual experience (actuarial gains and losses) becomes part of unfunded actuarial accrued liability. All investments are carried at market value. For actuarial valuation purposes, a smoothed market approach is used. Under this approach assets are adjusted annually to reflect 25 percent of unrealized market appreciation or depreciation on investment assets. The investment assumption rate for 2005 was 6.5 percent. An annual increase of 4.0 percent compounded annually is the base portion of the individual pay increase assumption. This assumes no change in the number of active employees. Additionally, annual pay increases, over and above the 4.0 percent base increase, were assumed to range from 0.50 percent to 6.3 percent. Health care costs were assumed to increase at a project wage inflation rate plus an additional factor ranging from .5% to 6% for the next 9 years. In subsequent years (10 and beyond), health care costs were assumed to increase at 4% (the projected wage inflation rate).

Benefits are advanced-funded on an actuarially determined basis. The number of active contributing participants was 369,214. The actuarial value of the OPERS' net assets available for OPEB at December 31, 2005 was \$11.1 billion. The actuarially accrued liability and the unfunded actuarial accrued liability, based on the actuarial cost method used, were \$31.3 billion and \$20.2 billion, respectively.

OPERS Retirement Board Implemented its Health Care Preservation Plan (HCPP). HCPP was adopted on September 9, 2004, and is effective on January 1, 2007. In addition, OPERS created a separate investment pool for health care assets. Members and employers contribution rates increases in January 1, 2006 and in 2007 will allow additional funds to be allocated to the health care plan.

#### NOTE 7: NOTE TO SCHEDULE OF FEDERAL AWARDS EXPENDITURES

The accompanying Schedule of Expenditure of Federal Awards is a summary of the activity of the Authority's federal awards programs. The schedule has been prepared on the accrual basis of accounting.

#### **NOTE 8: EXTRAORDINARY ITEM**

The extra-ordinary item represents the net insurance process received from fire damage in one of the unit. Total insurance proceeds received were \$112,505.

## REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Adams Metropolitan Housing Authority

I have audited the financial statements of the business-type activities of Adams Metropolitan Housing Authority, Ohio, as of and for the year ended September 30, 2006, which collectively comprise the Adams Metropolitan Housing Authority, Ohio's basic financial statements and have issued my report thereon dated June 1, 2007. I conducted my audit in accordance with auditing standards generally accepted in the United State of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### **Internal Control over Financial Reporting**

In planning and performing my audit, I considered Adams Metropolitan Housing Authority, Ohio's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal component does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation the financial statements being auditing may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matters involving the internal control over financial reporting and its operation that I consider to be material weaknesses. However, I noted other matters involving the internal control over financial reporting that I have reported to management of the Adams Metropolitan Housing Authority, Ohio, in a separate letter dated June 1, 2007.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Adams Metropolitan Housing Authority, Ohio's Financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the board of directors, management, and federal awarding agencies and is not intended to be and should not be used by anyone other that these specified parties.

### REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

Board of Directors Adams Metropolitan Housing Authority

#### **Compliance**

I have audited the compliance of the Adams Metropolitan Housing Authority, Ohio, with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended September 30, 2006. Adams Metropolitan Housing Authority, Ohio major federal programs are identified in the Summary of Auditor's result section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of Adams Metropolitan Housing Authority, Ohio's management. My responsibility is to express an opinion on Adams Metropolitan Housing Authority, Ohio's compliance based on my audit.

I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Adams Metropolitan Housing Authority, Ohio's compliance with those requirements and performing such other procedures, as I considered necessary in the circumstances. I believe that my audit provides a reasonable basis for my opinion. My audit does not provide a legal determination on Adams Metropolitan Housing Authority, Ohio's compliance with those requirements.

In my opinion, Adams Metropolitan Housing Authority, Ohio, complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended September 30, 2006. However, the results of my auditing procedures disclosed instances of noncompliance with those requirements, which is required to be reported in accordance with OMB Circular A-133 and which is described in the accompanying schedule of findings and questioned costs as item 2006-AMHA-1.

#### **Internal Control Over Compliance**

The management of Adams Metropolitan Housing Authority, Ohio is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing my audit, I considered Adams Metropolitan Housing Authority, Ohio's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine my auditing procedures for the purpose of expressing my opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

My consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matters involving the internal control over compliance and its operation that I considered to be material weaknesses.

This report is intended for the information of the Board of Directors, management, and federal awarding agencies and is not intended to be and should not be used by anyone other than those specified parties.

### 2. FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

There are no finding for the year ended September 30, 2006.

#### 3. FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS

#### REPORTABLE CONDITION

FINDING NUMBER	2006-AMHA-1

#### **Financial Reporting**

U.S. Department of HUD Low Rent Public Housing Program (CFDA # 14.850) Public Housing Capital Fund Program (CFDA # 14.872)

24 CFR Section 5.801 and HUD Uniform Financial Reporting Standards rule requires that a PHA submit its financial statement, prepared in accordance with generally accepted accounting principles, in electronic format specified by HUD. The unaudited financial statements are due 2 months after the PHA's fiscal year end.

The PHA filed its unaudited financial statements for the fiscal year ended September 30, 2006 on December 14, 2006. This date was after the required 2 months dead line. Therefore, the PHA was not incompliance with the above requirement. This error was caused by delay in obtaining some year end information in order to close the books.

#### Recommendation:

The PHA must compliance with above HUD requirement and ascertains that future reporting is done timely.

#### PHA Action:

Adams Metropolitan Housing Authority will comply with the above requirement and reports will be filed timely. The Executive Director will be responsible to assure compliance with requirement.

#### Adams Metropolitan Housing Authority Schedule of Prior Audit Findings September 30, 2006

The audit report for the fiscal year ending September 30, 2005 contained no audit findings.
