Independent Auditors' Report

Mahoning County Family & Children First Council Mahoning County 100 DeBartolo Pl, Suite 105 Youngstown, OH 44512

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Mahoning County Family & Children First Council (the "Council"), Mahoning County, as of and for the fiscal year ended June 30, 2006, which collectively comprise the Council's financial statements as listed in the table of contents. These financial statements are the responsibility of the Mahoning County Family & Children First Council's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

As discussed in Note 1, the Council prepares its financial statements and notes on the cash basis of accounting. This is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective cash basis financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Mahoning County Family & Children First Council, as of June 30, 2006, and the respective changes in cash basis financial position and the respective budgetary comparison for the General Fund and Special Revenue funds: Help Me Grow, 21st Century Community, and Ohio Children's Trust Fund, thereof and for the fiscal year then ended in conformity with the basis of accounting as described in Note 1.

Mahoning County Family & Children First Council Mahoning County Page Two

In accordance with *Government Auditing Standards*, we have also issued our report dated February 16, 2007, on our consideration of the Mahoning County Family & Children First Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*.

The management's discussion and analysis is not a required part of the financial statements but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Council's financial statements. The accompanying schedule of receipts and expenditures of federal awards is presented for purposes of additional analysis as required by U. S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the financial statements of the Council. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE FISCAL YEAR ENDED JUNE 30, 2006

The management's discussion and analysis of the Mahoning County Family and Children First Council's (the "Council") financial performance provides an overall review of the Council's financial activities for the fiscal year ended June 30, 2006, within the limitations of the Council's cash basis of accounting. The intent of this discussion and analysis is to look at the Council's financial performance as a whole; readers should also review the cash-basis financial statements and the notes to the financial statements to enhance their understanding of the Council's financial performance.

Financial Highlights

Key financial highlights for 2006 are as follows:

- The total net cash assets of the governmental activities increased \$109,482, which represents a 39.77% increase over fiscal year 2005.
- General cash receipts accounted for \$43,940 or 1.87% of total governmental activities cash receipts. Program specific cash receipts accounted for \$2,304,002 or 98.13% of total governmental activities cash receipts.
- The Council had \$2,238,460 in cash disbursements related to governmental activities; \$2,304,002 of these cash disbursements were offset by program specific charges for services, grants or contributions. Program revenues and general cash receipts were adequate to provide for these programs.
- The Council's major funds are the general fund, Help Me Grow fund, 21st Century Community fund, and the Ohio Children's Trust fund. The general fund had cash receipts of \$63,940 in 2006. The cash disbursements of the general fund, totaled \$40,982 in 2006. The general fund's cash balance increased \$22,958 from 2005 to 2006.

Using the Financial Statements

This annual report is presented in a format consistent with the presentation requirements of the Governmental Accounting Standards Board (GASB) Statement No. 34, as applicable to the Council's cash basis of accounting.

The Statement of Net Assets - Cash Basis and Statement of Activities - Cash Basis provide information about the activities of the whole Council, presenting both an aggregate view of the Council's cash basis finances. Fund financial statements provide the next level of detail. For governmental funds, these statements tell how services were financed in the short-term as well as what remains for future spending. The fund financial statements also look at the Council's most significant funds with all other nonmajor funds presented in total in one column. In the case of the Council, there are four major governmental funds, the general fund, Help Me Grow fund, 21^{st} Century Community fund and the Ohio Children's Trust fund.

Reporting the Council as a Whole

Statement of Net Assets and the Statement of Activities

The Statement of Net Assets – Cash Basis and the Statement of Activities – Cash Basis answer the question, How did we do financially during 2006? These statements include *only net assets* using the *cash basis of accounting*, which is a comprehensive basis of accounting other than accounting principals generally accepted in the United States of America. This basis of accounting takes into account only the current year's receipts and disbursements if the cash is actually received or paid.

MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE FISCAL YEAR ENDED JUNE 30, 2006

These two statements report the Council's net assets and changes in those assets on a cash basis. This change in net cash assets is important because it tells the reader that, for the Council as a whole, the cash basis financial position of the Council has improved or diminished. The causes of this change may be the result of many factors, some financial, some not. Non-financial factors include the Council's facility conditions, mandated federal and state programs and other factors.

As a result of the use of the cash basis of accounting, certain assets and their related revenues (such as accounts receivable and revenue for billed or provided services not collected) and liabilities and their related expenses (such as accounts payable and expenses for goods or services received but not yet paid, and accrued expenses and liabilities) are not recorded in these financial statements. Therefore, when reviewing the financial information and discussion within this annual report, the reader should keep in mind the limitations resulting from the use of the cash basis of accounting.

In the Statement of Net Assets – Cash Basis and the Statement of Activities – Cash Basis, the Governmental Activities includes the Council's programs and services including instruction, support services and other non-instructional services.

The Statement of Net Assets – Cash Basis and the Statement of Activities – Cash Basis can be found on pages 11-12 of this report.

Reporting the Council's Most Significant Funds

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Council, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the Council can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds. The Council has no proprietary or fiduciary funds.

Fund financial reports provide detailed information about the Council's major funds. The Council uses several funds to account for a multitude of financial transactions. However, these fund financial statements focus on the Council's most significant funds. The Council's major governmental funds are the General Fund, Help Me Grow fund, 21st Century Community fund, and the Ohio Children's Trust fund. The analysis of the Council's major governmental funds begins on page 8.

Governmental Funds

The Council's activities are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end available for spending in future periods. These funds are reported using the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principals generally accepted in the United States of America. The governmental fund statements provide a detailed view of the Council's general government operations and the basic services it provides. Governmental fund information helps you determine whether there are more or fewer cash basis financial resources that can be readily spent to finance various Council programs. Since the Council is reporting on the cash basis of accounting, there are no differences in the Net Assets and fund cash balances or changes in Net Assets and changes in fund cash balances. Therefore, no reconciliation is necessary between such financial statements. The governmental fund statements can be found on pages 13-16 of this report.

MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE FISCAL YEAR ENDED JUNE 30, 2006

The Council's budgetary process accounts for certain transactions on a cash basis. The budgetary statements for the general fund and major special revenue funds are presented to demonstrate the Council's compliance with annually adopted budgets. The budgetary statements can be found on pages 17-20 of this report.

Notes to the Financial Statements

The notes provide additional information that is essential to full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 21-26 of this report.

The largest cash disbursement of the Council is for social services. These cash disbursements totaled \$2,197,478 or 98.17% of total governmental cash disbursements for fiscal 2006.

MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE FISCAL YEAR ENDED JUNE 30, 2006

The Statement of Activities shows the cost of program services and the charges for services and grants offsetting those services. The following table shows, for governmental activities, the total cost of services and the net cost of services for 2006 and 2005. That is, it identifies the cost of these services supported by unrestricted state grants and entitlements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2006

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

A county family and children first council may invite any other local public or private agency or group that funds, advocates, or provides services to children to have a representative become a permanent or temporary member of the council.

A county council's statutory responsibilities include the following:

- a. Refer to the cabinet council those children for whom the council cannot provide adequate services;
- b. Make periodic reports to the cabinet council regarding the number of children referred to the county council and the progress made in meeting the needs of each child;
- c. Develop a plan that reviews and adjusts existing programs, fills service gaps where possible, or invents new approaches to achieve better results for families and children;
- d. Participate in the development of a county wide, comprehensive, coordinated, multi-disciplinary, interagency system for infants and toddlers with developmental disabilities or delays and their families, as established pursuant to federal grants received and administered by the department of health for early intervention services under the "Education of the Handicapped Act Amendments of 1986";
- e. Maintain an accountability system to monitor the council's progress in achieving its purposes;
- f. Establish a mechanism to ensure ongoing input from a broad representation of families who are receiving services within the county system.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. The cash receipts and disbursements basis of accounting is a comprehensive basis of accounting other than GAAP. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e. when an encumbrance is approved).

These statements include adequate disclosure of material matters, in accordance with the basis of accounting described in the preceding paragraph.

C. Fund Accounting

The Mahoning County Family and Children First Council ("the Council") uses funds to maintain its financial records during the year. Fund accounting is a concept development to meet the needs of governmental entities in which legal or other restraints require the recording of specific receipts and disbursements. The transactions of each fund are reflected in a self-balancing group of accounts. The Council classifies each fund as either governmental, proprietary or fiduciary. The Council reports only governmental funds.

NOTES TO THE FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2006

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Governmental Funds - The Council classifies funds financed primarily from intergovernmental receipts (e.g. grants) and other non-exchange transactions as governmental funds. The following are the Council's major governmental funds:

<u>General Fund</u> - The general fund is the operating fund of the Council. It is used to account for all financial resources except those required to be accounted for in another funds.

<u>Help Me Grow</u> - This fund is made up of three programs combined to form the Help Me Grow Program. They are Welcome Home State subsidy, Early Intervention Services Part C from the Ohio Department of Health, and Temporary Assistance for Needy Families through Mahoning County Job and Family Services. These monies are for the promotion of the well-being of young children through home-based specialized services and public awareness, with a special emphasis on early intervention and prevention.

<u>21st Century Community</u> – This fund accounts for monies used to provide youth development activities, drug and violence prevention programs, technology education programs, art, music and recreation programs, counseling and character education to enhance the academic component of the program.

<u>Ohio Children's Trust</u> - This fund accounts for receipts and expenditures made in conjunction with child abuse, child neglect prevention programs, and other grants from the Children's Trust Fund.

Other governmental funds of the Council are used to account for grants and other resources.

D. Basis of Presentation and Measurement Focus

Government-wide Statement of Activities – Cash Basis – This statement displays information about the Council as a whole. The government-wide statement of activities – cash basis compares disbursements with program receipts for each function or program of the Council's governmental activities. These disbursements are those that are specifically associated with a service, program or department and are therefore clearly identifiable to a particular function. Program receipts include charges paid by the recipient of the goods or services offered by the program and grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Receipts which are not classified as program receipts are presented as general receipts of the Council. The comparison of direct disbursements with program receipts identifies the extent to which each governmental function is self-financing on the cash basis or draws from the general receipts of the Council.

<u>Fund Financial Statements</u> - Fund financial statements report detailed information about the Council. The focus of governmental fund financial statements is on major funds. Each major fund is presented in a separate column. Nonmajor funds are aggregated and presented in a single column.

NOTES TO THE FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2006

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

E. Budgetary Process

The Ohio Revised Code requires the Council to file an annual budget with its administrative agent, with copies filed with the county auditor and with the board of county commissioners, unless the board is serving as the Council's administrative agent. The Council's administrative agent is to ensure that all expenditures are handled in accordance with policies, procedures, and activities prescribed by state departments in rules or interagency agreements that are applicable to the Council's functions.

F. Fiscal Agent

The Council designates an Administrative Agent for all funds received in the name of the Council. The Mahoning County Educational Service Center acts as the Administrative Agent. The Council's funds are maintained in separate funds with the fiscal agent.

G. Capital Assets

Acquisition of property, plant, and equipment purchased are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

H. Net Assets

Net assets are reported as restricted when enabling legislation or creditors, grantors or laws or regulations of other governments have imposed limitations on its use.

The Council first applies restricted resources when a disbursement is incurred for purposes for which both restricted and unrestricted net assets are available.

NOTE 2 - EQUITY IN POOLED CASH AND CASH EQUIVALENTS

The Mahoning County Educational Service Center maintains a depository which includes the funds of the Council. The Ohio Revised Code prescribes allowable deposits and investments. The Council's carrying amount of cash on deposit with the fiscal agent at June 30, 2006, was \$384,760. The fiscal agent for the Council is responsible for maintaining adequate depository collateral for all funds in the Mahoning County Educational Service Center's investment accounts.

NOTE 3 - SCHOOL EMPLOYEES RETIREMENT SYSTEM

A. Defined Benefit Pension Plan

The Council contributes to the School Employees Retirement System (SERS), a cost-sharing multiple employer defined benefit pension plan. SERS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Authority to establish and amend benefits is provided by Chapter 3309 of the Ohio Revised Code. SERS issues a publicly available, stand-alone financial report that includes financial statements and required supplementary information. That report may be obtained by writing to the School Employees Retirement System, 300 East Broad Street, Suite 100, Columbus, Ohio 43215-3746 or by calling (800) 878-5853. It is also posted on SERS' website, www.ohsers.org, under Forms and Publications.

NOTES TO THE FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2006

NOTE 3 - SCHOOL EMPLOYEES RETIREMENT SYSTEM - (Continued)

Plan members are required to contribute 10 percent of their annual covered salary and the District is required to contribute at an actuarially determined rate. The current District rate is 14 percent of annual covered payroll. A portion of the District's contribution is used to fund pension obligations with the remainder being used to fund health care benefits; for fiscal year 2006, 10.58 percent of annual covered salary was the portion used to fund pension obligations. For fiscal year 2005, 10.57 percent of annual covered salary was the portion used to fund pension obligations. For fiscal year 2004, 9.09 percent of annual covered salary was the portion used to fund pension obligations. The contribution requirements of plan members and employers are established and may be amended, up to statutory maximum amounts, by the SERS' Retirement Board. The Council's required contributions to SERS for pension obligation and health care benefits for the fiscal years ended June 30, 2006, 2005 and 2004 were \$138,719, \$110,927 and \$125,661, respectively. The Council has paid all contributions required through June 30, 2006.

B. Postemployment Benefits

For SERS, coverage is made available to service retirees with ten or more fiscal years of qualifying service credit, and to disability and survivor benefit recipients. All retirees and beneficiaries are required to pay a portion of their premium for health care. The portion is based on years of service, Medicare eligibility, and retirement status. Premiums may be reduced for retirees whose household income falls below the poverty level.

After the allocation for basic benefits, the remainder of the employer's 14 percent contribution is allocated to providing health care benefits. For the fiscal year ended June 30, 2006, employer contributions to fund health care benefits were 3.42 percent of covered payroll, a decrease of 0.01 percent from fiscal year 2005. In addition, SERS levies a surcharge to fund health care benefits equal to 14 percent of the difference between a minimum pay and the member's pay, pro-rated for partial service credit. For fiscal year 2006, the minimum pay was established at \$35,800. However, the surcharge is capped at 2 percent of each employer's SERS salaries.

The surcharge, added to the unallocated portion of the 14 percent employer contribution rate, provides for maintenance of the asset target level for the health care fund. The target level for the health care reserve is 150 percent of annual health care expenses. Expenses for health care for the fiscal year ended June 30, 2006 were \$158.751 million. At June 30, 2006, SERS had net assets available for payment of health care benefits of \$295.6 million, which is about 221 percent of next years projected net health care costs. On the basis of actuarial projections, the allocated contributions will be insufficient in the long term, to provide for a health care reserve equal to at least 150 percent of estimated annual net claim costs. SERS has 59,492 participants currently receiving health care benefits.

NOTE 4 - BUDGETARY BASIS OF ACCOUNTING

While the Council is reporting financial position, results of operations and changes in fund balances on the cash basis, the budgetary basis as provided by law is based upon accounting for certain transactions on a basis of cash receipts, disbursements and encumbrances. The Statement of Cash Receipts, Cash Disbursements and Changes in Cash Basis Fund Balance – Budget and Actual (Budgetary Basis) presented for the general fund, Help Me Grow fund, 21st Century Community fund, and Ohio Children's Trust is presented on the budgetary basis to provide a meaningful comparison of actual results with the budget. The difference between the budget basis and the cash basis is outstanding year-end encumbrances are treated as disbursements (budget) rather than a reservation of fund balance (cash).

NOTES TO THE FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2006

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

Mahoning County Family & Children First Council Mahoning County 100 DeBartolo Pl, Suite 105 Youngstown, OH 44512

We have audited the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Mahoning County Family & Children First Council, Mahoning County, Ohio as of and for the fiscal year ended June 30, 2006, and have issued our report thereon dated February 16, 2007 wherein we noted the Mahoning County Family & Children First Council prepared its financial statements on the cash basis, a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Mahoning County Family & Children First Council's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinions on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted a certain matter involving the internal control over financial reporting that we have reported to the management of the Council in a separate letter dated February 16, 2007.

Executive Committee
Mahoning County Family & Children First Council
Mahoning County

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Mahoning County Family & Children First Council's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the management, and the Executive Committee of the Council, federal awarding agencies, and pass-through entities. It is not intended for anyone other than these specified parties.

Report on Compliance With Requirements Applicable to Its Major Federal Program and Internal Control Over Compliance In Accordance With *OMB Circular A-133*

Mahoning County Family & Children First Council Mahoning County 100 DeBartolo Pl, Suite 105 Youngstown, OH 44512

Compliance

We have audited the compliance of the Mahoning County Family & Children First Council (the "Council"), Mahoning County, Ohio with the types of compliance requirements described in the *U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to its major federal program for the fiscal year ended June 30, 2006, wherein we noted the Mahoning County Family & Children First Council prepared its financial statements on the cash basis, a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The Council's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings. Compliance with the requirements of laws, regulations, contracts, and grants applicable to its major federal program is the responsibility of the Council's management. Our responsibility is to express an opinion on the Council's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and *OMB Circular A-133*, *Audit of States, Local Governments, and Non-Profit Organizations*. Those standards and *OMB Circular A-133* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Council's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Council's compliance with those requirements.

In our opinion, the Council complied, in all material respects, with the requirements referred to above that are applicable to its major federal program for the fiscal year ended June 30, 2006.

Executive Committee Mahoning County Family & Children First Council Mahoning County

Internal Control Over Compliance

The management of the Council is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the Council's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on the internal control over compliance in accordance with *OMB Circular A-133*.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts, and grants caused by error or fraud that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses. However, we noted a certain matter involving the internal control over compliance that we have reported to the management of the Mahoning County Family & Children First Council in a separate letter dated February 16, 2007.

We intend this report solely for the information and use of the management and the Executive Committee of the Council, federal awarding agencies, and pass-through entities. It is not intended for anyone other than these specified parties.
