RICHLAND COUNTY**

REGULAR AUDIT

FOR THE YEARS ENDED DECEMBER 31, 2006 - 2005

Mary Taylor, CPA

Auditor of State

Board of Trustees
Richland County Law Library Association
6 Water Street
Shelby, Ohio 44875

We have reviewed the *Independent Accountants' Report* of the Richland County Law Library Association, Richland County, prepared by Knox & Knox, CPAs, for the audit period January 1, 2005 through December 31, 2006. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

The financial statements in the attached report are presented in accordance with a regulatory basis of accounting prescribed or permitted by the Auditor of State. Due to a February 2, 2005 interpretation from the American Institute of Certified Public Accountants (AICPA), modifications were required to the *Independent Accountants' Report* on your financial statements. While the Auditor of State does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. The attached report includes an opinion relating to GAAP presentation and measurement requirements, but does not imply the statements are misstated under the non-GAAP regulatory basis. The *Independent Accountants' Report* also includes an opinion on the financial statements using the regulatory format the Auditor of State permits.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Richland County Law Library Association is responsible for compliance with these laws and regulations.

Independent Accountants' Report

Richland County Law Library Association
Richland County
50 Park Avenue East
Mansfield, OH 44902

To the Members of the Association:

We have audited the accompanying financial statements of Richland County Law Library Association, Richland County, Ohio, (the Library) as of and for the years ended December 31, 2006 and 2005. These financial statements are the responsibility of the Library's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates, if any, made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Library has prepared its financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, we presume they are material.

Revisions to GAAP would require the Library to reformat its financial statement presentation and make other changes effective for the years ended December 31, 2006 and 2005. In addition to the accompanying financial statements present for 2006 and 2005, the revisions require presenting entity wide statements. While the Library does not follow GAAP, generally accepted auditing standards require us to include the following paragraph if the statements do not substantially conform to the new GAAP presentation requirements. The Auditor of State permits, but does not require governments to reformat their statements. The Library has elected not to reformat its statements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2006 and 2005 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Library as of December 31, 2006 and 2005, or its changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the fund cash balances of Richland County Law Library Association, Richland County, as of December 31, 2006 and 2005, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

The Library has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated November 26, 2007, on our consideration of the Library's internal control over financial reporting and our tests of its compliance with laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Governmental Auditing Standards*. You should be read it in conjunction with this report in considering the results of our audit.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2006 and 2005

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. DESCRIPTION OF THE ENTITY

Richland Law Library Association, Richland County, (the Library) is directed by a Board of Trustees who are appointed by members of the Richland County Law Library Association. The Library provides free access for all county officers and the judges of the several courts within the county.

The Library operates by receiving a portion of fine and forfeiture monies from the courts (and any associated interest) under Ohio Revised Code (ORC) Sections 3375.50 to .53, inclusive. The Library is permitted to expend funds under ORC Section 3375.54. The funds of the Library are expended on the purchase, lease or rental of lawbooks; computer communication consoles to access a system of computerized legal research; microfilm materials and equipment; videotape materials and equipment; audio or visual materials and equipment; and other services, materials, and equipment that provide legal information or facilitate legal research.

The Richland County Commissioners are required by ORC Section 3375.49 to provide adequate facilities for the Library. The Board of County Commissioners is required to provide suitable bookcases, heating and lighting for the rooms.

The Board of Trustees elect a librarian and not more than two assistant law librarians. The Judges of the Court of Common Pleas of Richland County fix the compensation of the librarian and up to two assistant librarians pursuant to ORC Section 3375.48.

The Library's management believes these financial statements present all public funds for which the Library is financially accountable. Some funds received by the Library are considered private monies. Private monies include membership dues. Private monies can be disbursed at the discretion of the Library. The accompanying financial statements do not present private monies.

B. BASIS OF ACCOUNTING

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred.

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. CASH

All funds of the Library were held in an interest bearing checking account. The Library has no investments.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2006 and 2005

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

D. **FUND ACCOUNTING**

The Library uses fund accounting to segregate cash and investments that are restricted as to use. The Library classifies its fund into the following type:

1. **General Fund**

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

E. **PROPERTY, PLANT AND EQUIPMENT**

Acquisitions of equipment are recorded as equipment disbursements when paid. These items are not reflected as assets on the accompanying financial statements. Items purchased which are deemed to be equipment are computers, copiers, fax machines, and other items related to facilitating the use of the equipment.

F. **REFUND TO RELATIVE INCOME SOURCES**

If certain conditions are met, the Library is required to refund at least 90 percent of any unencumbered balance to political subdivisions that provided revenues to the Library.

2. **EQUITY IN POOLED CASH AND INVESTMENTS**

The Library maintains cash in segregated accounts for each fund. The Ohio Revised Code prescribes allowable deposits. The carrying amount of cash at December 31 was as follows:

	<u>2006</u>	<u>2005</u>
Demand deposits	<u>\$3,217</u>	<u>\$35,253</u>

Deposits are insured by the Federal Depository Insurance Corporation.

3. **RISK MANAGEMENT**

The Library has obtained commercial insurance for the following risks:

- Commercial Crime
- Employee Dishonesty

4. **FACILITIES**

The Library has free use of the office facilities provided by Richland County.

**INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

Richland County Law Library Association
Richland County
50 Park Avenue East
Mansfield, OH 44902

To the Members of the Association:

We have audited the accompanying financial statements of the Richland County Law Library Association, Richland County, Ohio (the Library) as of and for the years ended December 31, 2006 and 2005, and have issued our report thereon dated November 26, 2007, wherein we noted the Library followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit, we considered the Library's internal control over financial reporting as basis for designing our audit procedures in order to express our opinions on the financial statements, but not to opine on the effectiveness of the Library's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Library's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Library's ability to initiate, authorize, record, process, or report financial data reliably in accordance with its applicable accounting basis, such that there is more than a remote likelihood that the Library's internal control will not prevent or detect a more-than-inconsequential financial statement misstatement.

A material weakness is a significant deficiency, or combination of significant deficiencies resulting in more than a remote likelihood that the Library's internal control will not prevent or detect a material financial statement misstatement.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all internal control deficiencies that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above. We did note a matter that we reported to the Library in a separate letter dated November 26, 2007.

COMPLIANCE AND OTHER MATTERS

As part of reasonably assuring whether the Library's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We intend this report solely for the information and use of the audit committee, management, and Board of Trustees. We intend it for no one other than these specified parties.
