# LICK TOWNSHIP JACKSON COUNTY, OHIO

# AUDIT REPORT

FOR THE YEARS ENDED DECEMBER 31, 2008 & 2007

*Charles E. Harris and Associates, Inc.* Certified Public Accountants and Government Consultants

Mary Taylor, CPA Auditor of State

Board of Trustees Lick Township 212 Cambrian Avenue Jackson, Ohio 45640

We have reviewed the *Report of Independent Accountants* of Lick Township, Jackson County, prepared by Charles E. Harris & Associates, Inc., for the audit period January 1, 2007 through December 31, 2008. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

The financial statements in the attached report are presented in accordance with a regulatory basis of accounting prescribed or permitted by the Auditor of State. Due to a February 2, 2005 interpretation from the American Institute of Certified Public Accountants (AICPA), modifications were required to the *Report of Independent Accountants* on your financial statements. While the Auditor of State does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. The attached report includes an opinion relating to GAAP presentation and measurement requirements, but does not imply the statements are misstated under the non-GAAP regulatory basis. The *Report of Independent Accountants* also includes an opinion on the financial statements using the regulatory format the Auditor of State permits.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. Lick Township is responsible for compliance with these laws and regulations.

Mary Jaylor

#### **REPORT OF INDEPENDENT ACCOUNTANTS**

Lick Township Jackson County 212 Cambrian Avenue Jackson, Ohio 45640

To the Board of Trustees:

We have audited the accompanying financial statements of Lick Township, Jackson County, Ohio (the Township), as of and for the years ended December 31, 2008 and 2007. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Township has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Revisions to GAAP would require the Township to reformat its financial statement presentation and make other changes effective for the years ended December 31, 2008 and 2007. Instead of the combined funds the accompanying financial statements present for 2008 and 2007, the revisions require presenting entity wide statements and also to present its larger (i.e. major) funds separately for 2008 and 2007. While the Township does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to the new GAAP presentation requirements. The Auditor of State permits, but does not require governments to reformat their statements. The Township has elected not to reformat its statements. Since the Township does not use GAAP to measure financial statement amounts, the following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2008 and 2007, do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Township as of December 31, 2008 and 2007, or its changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of Lick Township, Jackson County, as of December 31, 2008 and 2007, and its combined cash receipts and disbursements and changes in fund cash balances for the years then ended on the accounting basis Note 1 describes.

The aforementioned revision to generally accepted accounting principles also requires the Township to include Management's Discussion and Analysis for the years ended December 31, 2008 and 2007. The Township has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated August 26, 2009, on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

*Charles E. Harris & Associates, Inc.* August 26, 2009

#### 1. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>

#### A. <u>DESCRIPTION OF THE ENTITY</u>

Lick Township, Jackson County (the Township) is a body corporate and politic established for the purpose of exercising the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly-elected three member Board of Trustees. The Township provides road and bridge maintenance. The Township contracts with the City of Jackson for fire protection.

The Township's management believes these financial statements included in this report represent all of the funds of the Township over which the Township has the ability to exercise direct operating control.

## B. <u>BASIS OF ACCOUNTING</u>

The Township prepares its financial statements following the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved.)

The statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

## C. <u>CASH</u>

Investments are included in the fund cash balances. Accordingly, purchases of investments are not recorded as disbursements and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively.

## D. <u>FUND ACCOUNTING</u>

The Township maintains its accounting records in accordance with the principles of "Fund" accounting. Fund accounting is a concept developed to meet the needs of governmental entities in which legal or other restraints require the recording of

## 1. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u> - (Continued)

## D. <u>FUND ACCOUNTING</u> - (Continued)

specific receipts and disbursements. The transactions of each fund are reflected in a self-balancing group of accounts, an accounting entity, which stands separate from the activities reported in other funds. The restrictions associated with each class of funds are as follows:

## Governmental Fund Types:

<u>General Fund</u>: The general operating fund of the Township. It is used to account for all financial resources except those required by law or contract to be accounted for in another fund.

<u>Special Revenue Funds</u>: These funds are used to account for proceeds from special sources (other than from trusts or for capital projects) that are restricted to expenditures for specific purposes. The Township has the following significant Special Revenue funds:

- Gasoline Tax Fund-Receives gasoline excise taxes to pay for constructing, maintaining and repairing Township roads.
- Road and Bridge Fund-Receives property taxes for constructing, maintaining and repairing Township roads and bridges.
- Fire District Fund-Receives taxes levied to provide fire protection to the Township.

<u>Capital Projects</u>: This fund is used to account for resources to be used for the acquisition or construction of capital assets. The Township has the following significant Capital Projects Fund:

• Permanent Improvement Fund-Receives sales tax money for road repairs.

# E. <u>BUDGETARY PROCESS</u>

A budget of estimated cash receipts and disbursements is prepared by the Fiscal Officer, approved by the Township Board of Trustees, and submitted to the county auditor, as secretary of the County Budget Commission, by July 20 of each year, for the period January 1 to December 31 of the following year.

## 1. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u> - (Continued)

#### E. <u>BUDGETARY PROCESS</u> - (Continued)

#### 1. <u>Estimated Resources</u>

The county auditor calculates the estimated revenues available to the Township. He prepares a certificate of estimated resources based upon this calculation and upon the other financial information supplied in the budget sent by the Township. The certificate is approved by the county budget commission and sent to the Township Fiscal Officer by September 1.

Prior to December 31, the Township must revise its budget so that the total budgeted expenditures for a fund will not exceed the amount of estimated resources stated in the certificate of estimated resources. The revised budget serves as the basis for the annual appropriation measure.

On or about January 1, the Fiscal Officer sends the county auditor a certificate which includes the actual unencumbered balances from the preceding year. The county auditor prepares an amended certificate, submits it to the county budget commission for approval. This amended certificate may be further amended during the year if projected revenue increases or the Fiscal Officer identifies decreases in revenue.

Budgeted receipts, as shown in Note 4, do not include the unencumbered fund balances as of January 1, 2007 and 2008. However, those fund balances are available for appropriation.

## 2. <u>Appropriations</u>

A temporary appropriation measure to control cash expenditures may be passed on or about January 1 of each year for the period January 1 to March 31. An annual appropriation measure must be passed by March 31 of each year for the period January 1 to December 31. The appropriation measure may be amended or supplemented during the year as new information becomes available. Appropriations may not exceed estimated resources.

3. Encumbrances

The Township is required to use the encumbrance method of accounting by virtue of Ohio law. Under this system, purchase orders, contracts and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation and to determine and maintain legal compliance.

#### 1. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u> - (Continued)

#### E. <u>BUDGETARY PROCESS</u>- (Continued)

The sum of expenditures and encumbrances may not exceed appropriated totals at any level of budgetary control. The legal level of control is the object level.

Unencumbered appropriations lapse at year-end. Encumbered appropriations are carried forward to the succeeding fiscal year without being re-appropriated.

## F. <u>PROPERTY, PLANT AND EQUIPMENT</u>

Acquisitions of property, plant and equipment are recorded as capital outlay disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

# G. <u>ACCUMULATED LEAVE</u>

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. Unpaid leave is not reflected as a liability under the Township's basis of accounting.

## 2. EQUITY IN POOLED CASH AND CASH EQUIVALENTS

The Township maintains a cash and investment pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was as follows:

	2008	<u>2007</u>
Demand Deposits	\$91,299	\$60,945
STAR Ohio	472,011	543,611
Total	\$563,310	\$604,556

Deposits: Deposits are either (1) insured by the Federal Deposit Insurance Corporation, (2) collateralized by securities specifically pledged by the financial institution to the Township, or (3) collateralized by the financial institution's public entity deposit pool.

Investments: Investments in STAR Ohio are not evidenced by securities that exist in physical or book-entry form.

#### 3. <u>PROPERTY TAXES</u>

Real property taxes are levied on assessed values, which equal 35% of appraised value. The county auditor reappraises all real property every six years with a triennial update.

Real property taxes become a lien on all non-exempt real property located in the county on January 1. Real property taxes are payable annually or semiannually. If paid annually, payment is due December 31; if paid semiannually, the first payment is due December 31 with the remainder payable by June 20 of the following year. Under certain circumstances, state statute permits later payment dates to be established.

The State Board of Tax Equalization adjusts the tax rates for inflation. Real property owners' tax bills are further reduced by homestead and rollback deductions when applicable. The amount of these homestead and rollback reductions is reimbursed to the Township by the State of Ohio. The amounts reimbursed by the State of Ohio are reflected in the accompanying financial statements as intergovernmental receipts.

Public utilities are also taxed on personal and real property located within the Township. Tangible personal property tax is assessed on the property owners, who must file a list of such property to the County by each April 30.

The County Treasurer collects property tax on behalf of all taxing authorities within the county. The County Auditor periodically remits to the taxing authorities their portions of the taxes collected.

## 4. <u>BUDGETARY ACTIVITY</u>

Budgetary activity for the years ending December 31, 2008 and 2007 follows:

2008 Budgeted vs Actual Receipts					
Budgeted Actual					
<u>Fund:</u>	Receipts	Receipts	Variance		
General Fund	\$ 88,688	\$ 91,456	\$ 2,768		
Special Revenue Funds	216,504	215,926	(578)		
Capital Projects Funds	104,415	100,964	(3,451)		

# 4. <u>BUDGETARY ACTIVITY</u> – (Continued)

2008 Budgeted vs Actual Budgetary Basis Expenditures					
<u>Fund:</u>	Authority	Expenditures	Variance		
General Fund	\$149,541	\$137,005	12,536		
Special Revenue Funds	238,174	202,163	36,011		
Capital Projects Funds	115,000	110,424	4,576		

2007 Budgeted vs Actual Receipts					
Budgeted Actual					
<u>Fund:</u>	Receipts	Receipts	Variance		
General Fund	\$184,001	\$182,388	\$ (1,613)		
Special Revenue Funds	204,259	213,992	9,733		
Capital Projects Funds	104,542	104,415	(127)		

2007 Budgeted vs Actual Budgetary Basis Expenditures					
Appropriation Budgetary					
<u>Fund:</u>	Authority	Expenditures	Variance		
General Fund	\$ 228,539	\$ 171,593	\$56,946		
Special Revenue Funds	238,000	202,374	35,626		
Capital Projects Funds	90,000	87,945	2,055		

## 5. <u>RETIREMENT SYSTEM</u>

The Township's employees belong to the Ohio Public Employees Retirement System (OPERS), a state operated, cost sharing, multiple employer plan. The plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are prescribed by the Ohio Revised Code. OPERS members contributed 9.5% in 2007 and 10.0% in 2008 of their gross pay while the Township contributed an amount equal to 13.85% in 2007 and 14.00% in 2008 of covered payroll.

The Township paid all required contributions through 2008.

## 6. <u>RISK MANAGEMENT</u>

The Township is exposed to various risks of property and casualty losses, and injuries to employees. The Township insures against injuries to employees through the Ohio Bureau of Worker's Compensation.

#### 6. <u>RISK MANAGEMENT</u> – (Continued)

#### RISK POOL MEMBERSHIP

The Township belongs to the Ohio Township Association Risk Management Authority (OTARMA), a risk-sharing pool available to Ohio townships. OTARMA provides property and casualty coverage for its members. OTARMA is a member of the American Public Entity Excess Pool (APEEP). Member governments pay annual contributions to fund OTARMA. OTARMA pays judgments, settlements and other expenses resulting from covered claims that exceed the members' deductibles.

Casualty Coverage For an occurrence prior to January 1, 2006 OTARMA retains casualty risks up to \$250,000 per occurrence, including claim adjustment expenses. OTARMA pays a percentage of its contributions to APEEP. APEEP reinsures claims exceeding \$250,000, up to \$1,750,000 per claim and \$10,000,000 in the aggregate per year. For an occurrence on or subsequent to January 1, 2006, the Pool retains casualty risk up to \$350,000 per occurrence, including loss adjustment expenses. Claims exceeding \$350,000 are reinsured with APEEP in an amount not to exceed \$2,650,000 for each claim and \$10,000,000 in the aggregate per year. Governments can elect up to \$10,000,000 in additional coverage with the General Reinsurance Corporation, through contracts with OTARMA. If losses exhaust OTARMA's retained earnings, APEEP provides excess of funds available coverage up to \$5,000,000 per year, subject to a per-claim limit of \$2,000,000 (for claims prior to January 1, 2006) or \$3,000,000 (for claims on or after January 1, 2006).

#### Property Coverage

Beginning in 2005, Travelers reinsures specific losses exceeding \$250,000 up to \$600 million per occurrence. This amount increased to \$300,000 in 2007. For 2007, APEEP reinsures members for specific losses exceeding \$100,000 up to \$300,000 per occurrence, subject to an annual aggregate loss payment. Travelers provides aggregate stop-loss coverage based upon the combined members' total insurable values. If the stop loss is reached by payment of losses between \$100,000 and \$250,000 in 2006, or \$100,000 and \$300,000 in 2007, Travelers will reinsure specific losses exceeding \$100,000 up to their \$600 million per occurrence limit. The aggregate stop-loss limit for 2007 was \$2,014,548.

The aforementioned casualty and property reinsurance agreements do not discharge OTARMA's primary liability for claims payments on covered losses. Claims exceeding coverage limits are the obligation of the respective government.

Property and casualty settlements did not exceed insurance coverage for the past three fiscal years. Coverages have not decreased in the past year.

#### 6. <u>RISK MANAGEMENT</u> – (Continued)

Financial Position

OTARMA's financial statements (audited by other accountants) conform with generally accepted accounting principles, and reported the following assets, liabilities and retained earnings at December 31, 2007 and 2006:

Assets Liabilities	2007 \$ 43,210,703 (13,357,837)	
Net Assets	<u>\$ 29,852,866</u>	<u>\$ 29,921,614</u>

At December 31, 2007 and 2006, respectively, liabilities above include approximately \$12.5 million and \$11.3 million of estimated incurred claims payable. The assets and retained earnings above also include approximately \$11.6 million and \$10.8 million of unpaid claims to be billed to approximately 950 member governments in the future, as of December 31, 2007 and 2006, respectively. These amounts will be included in future contributions from members when the related claims are due for payment. The Township's share of these unpaid claims collectible in future years is approximately \$6,000. This payable includes the subsequent year's contribution due if the Township terminates participation, as described in the last paragraph below.

Based on discussions with OTARMA, the expected rates OTARMA charges to compute member contributions, which are used to pay claims as they become due, are not expected to change significantly from those used to determine the historical contributions detailed below. By contract, the annual liability of each member is limited to the amount of financial contributions required to be made to OTARMA for each year of membership.

There have been no significant reductions in insurance coverage from the prior fiscal years and settled claims have not exceeded this commercial coverage in any of the last three years. The Township pays the State Worker's Compensation System a premium based on a rate per \$100 of salaries. The rate is calculated based on accident history and administrative costs.

## 7. <u>DEBT</u>

Debt outstanding at December 31, 2008 is as follows:

Description:	Principal	Interest Rate
Equipment Loan	\$ <u>10,821</u>	4.50%

The Equipment Loan was established in 2004 at an original cost of \$49,642 at 4.50% interest and is scheduled to expire in 2009. The full faith and credit of the Township was pledged to repay this debt.

Principal and interest requirements for debt outstanding at December 31, 2008 is as follows:

Year	Equipment
Ended	Purchase
2009	\$ <u>11,308</u>

# 8. <u>CONTINGENT LIABILITES/SUBSEQUENT EVENTS</u>

During the course of normal governmental operation the Township is subject to a variety of lawsuits. However, the Township is of the opinion that ultimate disposition of claims and legal proceedings will not have a material effect, if any, on the financial condition of the Township.

Rockefeller Building 614 W Superior Ave Ste 1242 Cleveland, OH 44113-1306 Office phone - (216) 575-1630 Fax - (216) 436-2411

#### REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Lick Township Jackson County 212 Cambrian Avenue Jackson, Ohio 45640

To the Board of Trustees:

We have audited the financial statements of Lick Township, Jackson County, Ohio (the Township), as of and for the years ended December 31, 2008 and 2007, and have issued our report thereon dated August 26, 2009, wherein we noted the Township followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### Internal Controls Over Financial Reporting

In planning and performing our audit, we considered the Township's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Township's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Township's ability to initiate, authorize, record, process, or report financial data reliably in accordance with its applicable accounting basis such that there is more than a remote likelihood that a misstatement of the Township's financial statements that is more than inconsequential will not be prevented or detected by the Township's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Township's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the audit committee, management, and the Township Board and is not intended to be and should not be used by anyone other than these specified parties.
