# INDEPENDENT AUDITOR'S REPORT

Medina County Convention and Visitors Bureau 32 Public Square Medina, Ohio 44256

To the Board of Trustees:

We have audited the accompanying statement of financial position of the Medina County Convention and Visitors Bureau (the Bureau), as of December 31, 2008, and the related statement of activities, and cash flows for the year then ended. These financial statements are the responsibility of the Bureau's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above presents fairly, in all material respects, the respective financial position of the Bureau, as of December 31, 2008 and the respective changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

# **INDEPENDENT AUDITOR'S REPORT** (continued)

In accordance with *Government Auditing Standards*, we have also issued our report dated September 1, 2009 on our consideration of the Bureau's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and important for assessing the results of our audit.

## MEDINA COUNTY CONVENTION AND VISITORS BUREAU MEDINA COUNTY

#### NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED DECEMBER 31, 2008

## 1. NATURE OF BUSINESS

The Medina County Convention and Visitors Bureau (the Bureau), is a not-for-profit organization established in accordance with Section 501(c)(6) of the Internal Revenue Code. The Bureau was formed to promote the area, facilities and attractions as a destination for visitors, resulting in increased business activity and improved quality of life for Medina County. The main source of revenue for the Bureau are funds generated within Medina County by the county hotel/motel excise tax. The Bureau operates under a nine-member Board of Trustees, six who are elected internally by members and three who are appointed by the Medina County Commissioners.

# 2. SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Accounting**

The financial statements are prepared in compliance with Statement of Financial Accounting Standards (SFAS) No. 117 "Financial Statements of Not-for-Profit Organizations." Under SFAS 117 the Bureau is required to present information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. All of the Bureau's assets are unrestricted.

#### Cash and Cash Equivalents

For purposes of the statements of cash flows, cash and cash equivalents represents cash on hand, demand deposits held by banks and short-term investments having an initial maturity of three months or less.

#### Concentration of Credit Risk

The Bureau maintains its cash in bank deposit accounts which are protected by the Federal Deposit Insurance Corporation. Management believes it is not exposed to any significant credit risk on cash.

#### Accounts Receivable

Accounts receivable includes hotel/motel excise tax and other revenues receivable. The hotel/motel excise tax represents amounts due from the County of Medina for room taxes collected in the final quarter of the calendar year. Other revenues receivable consist largely of membership dues.

The carrying amount of accounts receivable is reduced by a valuation allowance that reflects management's best estimate of the amounts that will not be collected. Management individually reviews all receivable balances that exceed 90 days from invoice date and estimates the portion, if any, of the balance that will not be collected.

#### NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED DECEMBER 31, 2008

# 2. SIGNIFICANT ACCOUNTING POLICIES (continued)

In the opinion of management, at December 31, 2008, all accounts were considered collectible and no allowance was necessary.

#### Furniture and Equipment

Furniture and equipment are carried at cost, less accumulated depreciation computed on the straight–line method. Furniture and equipment that are donated are recorded at their fair market value on the date of receipt. Capital additions and major betterments over \$2,500 are capitalized and depreciated; maintenance and repairs, which do not improve or extend the life of the respective assets, are charged to expense as incurred. Upon disposal of assets, the cost and related accumulated depreciation are removed from the accounts and any gain or loss is recognized. Depreciation is computed over the following useful lives:

Description	Useful Lives	Method
Display Equipment	20	Straight-Line
Vehicles	5	Straight-Line

#### **Revenue Recognition**

The Bureau recognizes revenues at the time persuasive evidence of an arrangement exists, the service is provided or prices are fixed or determinable and collection is reasonably assured.

#### Income Taxes

The Bureau is a recognized not-for-profit organization under Section 501(c)(6) of the Internal Revenue Code. The Bureau is not classified as a private foundation and therefore is not subject to Federal, state or local income taxes.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions at the date of the financial statements and during the reporting period. Those estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as well as the reported amounts of revenues and expenses. Actual results could differ from those estimates.

# 3. CASH

The Bureau maintains a checking account and three savings accounts. The checking account and two of the savings accounts are used for general purposes. The third savings account has been designated as the reserve fund. This fund is to be used at the Board's discretion for daily operations, should funding be interrupted. The Bureau's total bank balance in all accounts is \$180,556.28, which is entirely insured by the Federal Deposit Insurance Corporation.

The loan payments have been made in monthly installments since April 27, 2003. The monthly payment totals \$436.76 and the loan was fully retired in March 2008. Changes in the loan payable during 2008 were as follows:

	2007			2008
	Ending	2008	2008	Ending
	Balance	Additions	Retirements	Balance
Van Loan	\$1,310	\$0	(\$1,310)	\$0

# 6. HOTEL/MOTEL TAX

Medina County provides funding to the Bureau by remitting collections from the County's hotel/motel tax. During 2008, the Bureau recorded \$262,304 in hotel/motel tax revenue. This amount includes an anticipated amount of \$58,500 for the fourth quarter of 2008 to be collected in the first quarter of 2009.

# 7. **RETIREMENT PLANS**

The Bureau implemented a SIMPLE IRA (Savings Incentive Match Plan for Employees) Program effective January 1, 2000. Annual employer contributions to the plan are required at the participant's elective percentage of 1% to 3% of eligible compensation as defined in the plan or a maximum of \$5,000 per year. The Bureau contributes on a monthly basis. This plan renews annually unless changed or terminated by the Board of Trustees. The Bureau contributions totaled \$2,111 in 2008.

# 8. COMMITMENTS AND CONTINGENCIES

#### **Operating Lease**

The Bureau leases office space for operations from 32/33 LLC. The lease agreement began on January 8, 2008 and expires on December 31, 2010. The Bureau is making monthly payments of \$1,500. The following is a schedule of lease liability committed to by the Bureau and not reflected in the accompanying statements:

Year	Total
2009	\$18,000
2010	18,000
Total	\$36,000

#### **Contracts**

#### Consulting Agreement

The Bureau had entered into an employment contract with its consultant for the period of January 1, 2007 through December 31, 2008 that provides for professional service fees of \$1,000 per quarter. The Bureau has entered into a new contract with the consultant through December 31, 2010 that provides for professional fees of \$1,275 per quarter.

#### Contingencies

The Bureau receives a majority of its support from the County bed tax. Any significant reduction in the level of support, should one occur, may have an influence on the Bureau's programs and general operation. The Board of Trustees in anticipation of such an occurrence has set aside the sum of \$45,000 plus any accumulated interest in one of the savings accounts. This will allow the Bureau to continue operations for approximately three months, assuming current operating expense levels.

The Bureau, in the course of its normal operations, is subject to claims and lawsuits which may arise from time to time. Currently, the Bureau does not have any pending or threatened litigation.

# 9. RISK MANAGEMENT

The Bureau has obtained the following commercial insurance through private carriers:

- a. Comprehensive property and general liability
- b. Public officials and employee liability
- c. Vehicles

The Bureau also provides health insurance for all Bureau employees through a private carrier.

## REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Medina County Convention and Visitors Bureau 32 Public Square Medina, Ohio 44256

To the Board of Trustees:

We have audited the accompanying statement of financial position of the Medina County Convention and Visitors Bureau (the Bureau), as of December 31, 2008, and related statement of activities and cash flows for the year then ended and have issued our report thereon dated September 1, 2009. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Bureau's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Bureau's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Bureau's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Bureau's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Bureau's financial statements that is more than inconsequential will not be prevented or detected by the Bureau's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Bureau's internal control.

# **REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS** (continued)

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Bureau's financial statement are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of the Bureau in a separate letter dated September 1, 2009.

This report is intended solely for the information and use of management and the Board of Trustees and is not intended to be and should not be used by anyone other than these specified parties.
