#### Independent Auditor's Report

We have audited the accompanying statement of financial position of the Community Improvement Corporation of Henry County (a Nonprofit Organization) as of December 31, 2009, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Community Improvement Corporation of Henry County as of December 31, 2009, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated May 25, 2010, on our consideration of the Community Improvement Corporation of Henry County, Ohio, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

#### **NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Nature Of Activities – The Community Improvement Corporation of Henry County, Ohio, Inc. is a nonprofit corporation chartered under applicable laws of the State of Ohio. No individuals or corporations hold any equity interest therein. The purpose of the Organization is to promote economic development in Henry County, Ohio. The Organization's basic programs include advertising in industrial development publications, assisting businesses in obtaining incentives to expand or locate in Henry County, Ohio, and administering incentive programs for taxing authorities and related businesses.

<u>Basis Of Presentation</u> – Financial statement presentation follows the recommendations of the Financial Accounting Standards Board ASC 958, Financial Statements of Not-for-Profit Organizations. Under ASC 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As permitted by the statement, the Organization does not use fund accounting.

<u>Contributions</u> – The Organization also follows the recommendations of the Financial Accounting Standards Board ASC 958, *Financial Statements of Not-for-Profit Organizations*. Under ASC 958, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions.

<u>Contributed Services and Facilities</u> – In-kind contributions are recorded as revenue and expenses in the accompanying statements of activities. In-kind contributions consist of wages being partially paid by Henry County, Ohio, use of office facilities, and some advertising. The estimated fair value of the wages and office facilities was \$ 69,200 for year ended December 31, 2009.

**Property and Equipment** – Property and equipment are stated at cost. Depreciation for financial reporting and for federal tax reporting is computed using the straight-line method over the asset's estimated useful life. The Organization capitalizes all acquisitions in excess of \$500.

<u>Cash And Cash Equivalents</u> – For purposes of the statement of cash flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

<u>Management Estimates</u> – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

<u>Income Tax Status</u> – The Organization is a not-for-profit Organization that the Internal Revenue Service has determined to be exempt from income taxes under Section 501(c)(6) of the Internal Revenue Code. The Organization is classified as other than a private foundation.

<u>Expense Allocation</u> — Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of management estimates. Administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the organization.

<u>Restricted And Unrestricted Revenue</u> – Contributions received are recorded as increases in unrestricted, temporarily restricted, or permanently restricted net assets, depending on the existence and/or nature of any donor restrictions.

Unless specifically restricted by the donor, all contributions and grants are considered to be available for unrestricted use in the activities of the Organization.

The Board of Trustees has discretionary control of the unrestricted net assets to use in the activities of the Organization.

<u>Advertising</u> – Advertising costs are charged to expense as incurred.

<u>Accounts Receivable</u> — Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to an allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance and a credit to accounts receivable. The allowance for bad debts for the years ended December 31, 2009 is \$ 1,720.

Accounts Receivable	61,538
Notes Receivable	<u>7,075</u>
Total	<u>\$ 451,414</u>

#### **NOTE 6 – CONCENTRATION**

Approximately 41% of the organization's revenue (excluding pass-thru) is from the City of Napoleon.

#### **NOTE 7 – FUNDRAISING**

During 2007 the Organization hired a professional fundraiser and entered into a contract for assistance in a major fundraising campaign. The goal of the campaign was to raise \$500,000 over the next 5 years. The campaign did not do as well as planned and is expected to generate \$250,000 over the next 5 years. These pledges represent intentions to give because the donor has the option to modify or cancel the pledge at any time. Approximately \$41,000 was collected towards these pledges in 2008. The entire cost of the campaign was \$61,000 and was paid in 2007. In addition to cash pledges, the organization received approximately \$38,000 of non cash pledges which included advertising, sponsorship of radio show, printing and engineering. These will be recognized as expense when used. Radio advertising of \$0 was recognized in 2009.

#### NOTE 8 – PRIOR PERIOD ADJUSTMENT

During 2009 the Organization discovered an additional \$ 31,775 accounts receivable from prior years. Accordingly, an adjustment of \$ 31,775 was made during 2009 to increase accounts receivable as of the beginning of the year. A corresponding entry was made to increase previously reported temporarily restricted net assets.

#### **NOTE 8 – SUBSEQUENT EVENTS**

Subsequent events have been evaluated through May 25, 2010, which is the date the financial statements were available to be issued.

# REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH 'GOVERNMENT AUDITING STANDARDS' May 25, 2010

To The Board of Trustees Of The Community Improvement Corporation of Henry County, Ohio, Inc.

We have audited the financial statements of the Community Improvement Corporation of Henry County, Ohio, Inc. (a Nonprofit Organization) as of and for the year ended December 31, 2009, and have issued our report thereon dated May 25, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits in Government Auditing Standards, issued by the Comptroller General of the United States.

#### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Organization's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management of employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control. We consider the deficiencies described in the accompanying schedule of findings and questioned costs to be significant deficiencies in internal control over financial reporting. See significant deficiencies 2009-1.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weakness. However, as discussed below, we identified certain deficiencies in internal control over financial reporting that we consider to be significant deficiencies.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

To The Board of Trustees Of The Community Improvement Corporation of Henry County, Ohio, Inc. Page 2

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies tat are also considered to be material weaknesses. We consider item 2009-1 to be a material weakness.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

The Organization's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. We did not audit the Organization's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of management, and the Board of Trustees and is not intended to be used and should not be used by anyone other than these specified parties.

### COMMUNITY IMPROVEMENT CORPORATION OF HENRY COUNTY, OHIO, INC. SCHEDULE OF FINDINGS AND RESPONSE DECEMBER 31, 2009

#### **SIGNIFICANT DEFICIENCY 2009-1**

#### **Condition**

Management lacks the necessary accounting expertise to prevent, detect, and correct a potential misstatement in the financial statements or notes.

#### **Criteria**

Government auditing standards require that management possess the necessary accounting expertise to prevent, detect, and correct a potential misstatement in the financial statements or notes.

#### Cause

Internal controls over financial reporting are not in place due to the Organizations' inability to afford professional accounting staff.

#### Effect

Because management lacks the necessary accounting expertise to prevent, detect, and correct a potential misstatement in the financial statements or notes, there could be misstatements in the financial reporting.

#### Recommendation

We recommend that management review the situation and explore possible alternatives.

#### Response

The Henry County CIC will continue to work with Penrod and George, Henry County Auditor, and the CIC Board Treasurer, to eliminate potential misstatements in the financial reporting but at this time, the agency (consisting of only two full-time employees and no part-time employees) cannot afford to hire a professional accounting staff.
