INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Regional Planning Commission
Shelby County
129 East Court Street
Sidney, Ohio 45365

We have performed the procedures enumerated below, with which the Board of Commissioners and the management of the Regional Planning Commission, Shelby County, (the Commission) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2009 and 2008, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash

1. As permitted by the Ohio Revised Code, the Shelby County Treasurer is custodian for the Commission's deposits. The County's deposit and investment pool holds the Commission's assets. We therefore confirmed the Commission's account balance with the Shelby County Treasurer. The amounts agreed.
2. We agreed the January 1, 2008 beginning fund balance recorded in the Fund History Report to the December 31, 2007 balance in the prior year audited statements. We found no exceptions.

Fees Charged To Subdivisions

1. We haphazardly selected two receipts of the fee charged to a participating subdivision from the year ended December 31, 2009 and two receipts of the fee charged to a participating subdivision from the year ended 2008 recorded in the duplicate cash receipts book and determined whether the:
 - a. Receipt amount agreed to the amount recorded in the Revenue History Report. The amounts agreed.
 - b. Amount charged complied with rates in force during the period. We found no exceptions.
 - c. Receipt was posted to the proper fund, and was recorded in the proper year. We found no exceptions.
2. We obtained a list of the participating political subdivisions for 2009 and 2008. We scanned the Revenue History Report to determine whether it included the proper number of receipts for *Fees Charged to Subdivisions* for 2009 and 2008. We noted that there were 23 participating political subdivisions for 2009 and 23 such receipts posted. For 2008 we noted that there were 23 participating political subdivisions and 23 such receipts posted.

Intergovernmental and Other Confirmable Cash Receipts

1. We confirmed the amounts paid from Shelby County to the Commission during 2009 and 2008 with the County. We found no exceptions.
 - a. We determined whether these receipts were allocated to the proper fund. We found no exceptions.
 - b. We determined whether the receipts were recorded in the proper year. We found no exceptions.

Over the Counter Cash Receipts

1. We haphazardly selected 10 over the counter cash receipts from the year ended December 31, 2008 recorded in the duplicate cash receipts and determined whether:
 - a. Receipts amount agreed to the amount recorded in the Revenue History Report. The amounts agreed.
 - b. Amounts charged complied with rates in force during the period. We found no exceptions.
 - c. Receipt was posted to the proper fund, and was recorded in the proper year. We found no exceptions.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for two employees from 2009 and one payroll check for two employees from 2008 from the Employee Detail Adjustment Report and determined whether the following information in the employees' personnel files and minute record was consistent with the information used to compute gross and net pay related to this check:
 - a. Name.
 - b. Authorized salary or pay rate.
 - c. Department(s) and fund(s) to which the check should be charged.
 - d. Retirement system participation and payroll withholding.
 - e. Federal, State & Local income tax withholding authorization and withholding.
 - f. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to steps a. – f. above.

2. We tested the checks we selected in step 1, as follows:
 - a. We compared the salary amount used in computing gross pay to supporting documentation (legislatively-approved salary). We found no exceptions.
 - b. We determined whether the fund and account code to which the check was posted was reasonable based on the employees' duties as documented in the employees' personnel files. We also determined whether the payment was posted to the proper year. We found no exceptions.
3. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2009 to determine whether remittances were timely paid, and that the amounts paid agreed to the amounts withheld during the final withholding period during 2009. We noted the following:

 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.

Compliance – Contracts & Expenditures

1. We inquired of management and scanned the Appropriation Expense Report for the years ended December 31, 2009 and 2008 for procurements requiring competitive bidding. Competitive bidding is required for procurements exceeding \$25,000, except where otherwise provided by law [Sections 713.23(D) and 307.86].

We identified no purchases subject to the aforementioned bidding requirement.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Commission's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management and those charged with governance and is not intended to be, and should not be used by anyone other than these specified parties.
