INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Village of Potsdam
Miami County
P.O. Box 52
Potsdam, Ohio 45361

We have performed the procedures enumerated below, with which the Village Council and Mayor, and the management of Village of Potsdam (the Village) have agreed, solely to assist the Council and Mayor in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2009 and 2008, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management, the Mayor, and / or the Council are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash

1. We tested the mathematical accuracy of the December 31, 2009 and December 31, 2008 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2008 beginning fund balances recorded in the Fund Status Report to the December 31, 2007 balances in the prior year audited statements. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2009 and 2008 fund cash balances reported in the Fund Status Reports. The amounts agreed.
4. We confirmed the December 31, 2009 bank account balance with the Village's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2009 bank reconciliation without exception.
5. We selected five outstanding checks haphazardly from the December 31, 2009 bank reconciliation:
 - a. We traced each check to the debit appearing in the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and date written to the check register, to determine the checks were dated prior to December 31. We noted no exceptions.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2009 and one from 2008:
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We determined whether the receipt was allocated to the proper fund as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We determined whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We scanned the Receipt Register Report to determine whether it included the proper number of tax receipts for 2009 and 2008:
 - a. Two personal property tax receipts
 - b. Two real estate tax receipts

We noted the Receipts Register Report included the proper number of tax settlement receipts for 2008; however, in 2009 the second half personal property tax settlement was posted as intergovernmental revenue instead of property tax revenue.

3. We selected five receipts from the State Distribution Transaction Lists (DTL) from 2009 and five from 2008.
 - a. We compared the amount from the DTL to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We determined whether these receipts were allocated to the proper funds. We found no exceptions.
 - c. We determined whether the receipts were recorded in the proper year. We found no exceptions.

Debt

1. We inquired of management, and scanned the Receipt Register Report and Payment Register Detail Report for evidence of bonded or note debt issued during 2009 or 2008 or outstanding as of December 31, 2009 or 2008. All debt noted agreed to the summary we used in step 2.
2. We obtained a summary of mortgage note debt activity for 2009 and 2008 and agreed principal and interest payments from the related debt amortization schedule to debt service fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Village made the payments. We found no exceptions.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2009 and one payroll check for five employees from 2008 from the Employee Detail Adjustment Report and determined whether the following information in the employees' personnel files and minute record was consistent with the information used to compute gross and net pay related to this check:

Payroll Cash Disbursements (Continued)

- a. Name.
- b. Authorized salary or pay rate.
- c. Department and fund to which the check should be charged.
- d. Retirement system participation and payroll withholding.
- e. Federal, State & Local income tax withholding authorization and withholding.
- f. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to steps a. – f. above.

2. We tested the checks we selected in step 1, as follows:

- a. We compared the hours and pay rate, or salary amount used in computing gross pay to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
- b. We determined whether the fund and account code to which the check was posted was reasonable based on the employees' duties as documented in the minute record or as required by statute. We also determined whether the payment was posted to the proper year. We found no exceptions.

3. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2009 to determine whether remittances were timely paid, and that the amounts paid agreed to the amounts withheld during the final withholding period during 2009. We noted the following:

<u>Withholding</u>	<u>Date Due</u>	<u>Date Paid</u>	<u>Amount Withheld</u>	<u>Amount Paid</u>
Federal income taxes	January 31, 2010	December 31, 2009	\$87	\$87
State income taxes	January 15, 2010	December 31, 2009	6	6
School District Income Tax	January 15, 2010	December 31, 2009	32	32
OPERS retirement (withholding plus employee share)	January 30, 2010	December 31, 2009	216	216

Non-Payroll Cash Disbursements

1. We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2009 and ten from the year ended 2008 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. We compared the total from the *Amended Official Certificate of Estimated Resources* required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Street Maintenance and Repair, and State Highway funds for the years ended December 31, 2009 and 2008. The amounts agreed.

Compliance – Budgetary (Continued)

2. We scanned the appropriation measures adopted for 2009 and 2008 to determine whether, for the General, Street Maintenance and Repair, and State Highway funds, the Council appropriated separately for “each office, department, and division, and within each, the amount appropriated for personal services,” as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Section 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2009 and 2008 for the following funds: General, Street Maintenance and Repair, and State Highway funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report.
4. Ohio Rev. Code Section 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Street Maintenance and Repair, and State Highway funds for the years ended December 31, 2009 and 2008. We noted no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2009 and 2008 for the General, Street Maintenance and Repair, and State Highway funds as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2009 and 2008. We also inquired of management regarding whether the Village received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Village to establish a new fund.
7. We scanned the 2009 and 2008 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$100 which Ohio Rev. Code Sections 5705.14 -- .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
8. We inquired of management and scanned the Appropriation Status Reports to determine whether the Village elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the Village did not establish these reserves.

Compliance – Contracts & Expenditures

1. We inquired of management and scanned the Payment Register Detail report for the years ended December 31, 2009 and 2008 for material or labor procurements which exceeded \$25,000, and therefore required competitive bidding under Ohio Rev. Code Section 731.14.

We identified a street reconstruction project and a storm drainage project exceeding \$25,000, subject to Ohio Rev. Code Section 731.14. For these projects, we noted that the Council advertised the project in a local newspaper, selected the lowest responsible bidder. We noted that all contract payments were made by the Ohio Public Works Commission (OPWC) on behalf of the Village in the amount of \$286,954. These on-behalf payment amounts were not recorded by the Village in the UAN Ledgers in 2009.

Compliance – Contracts & Expenditures (Continued)

2. We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2009 and 2008 to determine if the Village had road construction projects exceeding \$30,000 for which Ohio Rev. Code Sections 117.16(A) and 723.52 requires the Village engineer, or officer having a different title but the duties and functions of an engineer, to complete a force account project assessment form (i.e., cost estimate). We identified a street reconstruction project requiring the completion of the force account assessment form. The Village bid the street reconstruction project.
3. For the street reconstruction project and the storm drainage project described in step 1 above, we read the contract and noted that it required the contractor to pay prevailing wages to their employees as required by Ohio Rev. Code Sections 4115.04 and 4115.05. The contract included the Ohio Department of Commerce's schedule of prevailing rates.

Officials' Response

1. Village Officials' declined to respond to the exceptions noted in this report.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management and those charged with governance and is not intended to be, and should not be used by anyone other than these specified parties.
