To the Library Board of Trustees:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to an interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an adverse opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the AOS permits.

### INDEPENDENT ACCOUNTANTS' REPORT

Warren County Law Library Association  
Warren County  
500 Justice Drive  
Lebanon, Ohio 45036

To the Library Board of Trustees:

We have audited the accompanying financial statements of the Warren County Law Library Association, Warren County, Ohio (the Library), as of and for the years ended December 31, 2009 and 2008. These financial statements are the responsibility of the Library's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Library has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

While the Library does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to GAAP presentation requirements. The Auditor of State permits, but does not require Libraries to reformat their statements. The Library has elected not to follow GAAP statement formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2009 and 2008 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Library as of December 31, 2009 and 2008, or its changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the fund cash balances and reserves for encumbrances of Warren County Law Library Association, Warren County, Ohio as of December 31, 2009 and 2008, and its cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

As discussed in Note 2, the Library has included activity associated with the Retained Monies Fund.

As described in Note 1.A., per HB 420 of the 127th General Assembly, the Library must transfer its public cash and property purchased with public funds to the County on or before January 1, 2010. Effective January 1, 2010, the county will report the Law Library operations in a Law Library Resources Special Revenue Fund (LLRF). These LLRF transactions will be included within the scope of the county audit for fiscal year ending December 31, 2010 and subsequent years.

The Library has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated April 2, 2010, on our consideration of the Library's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2009 AND 2008**

**1. Summary of Significant Accounting Policies**

**A. Description of the Entity**

The Warren County Law Library Association, Warren County, Ohio (the Library), is governed by a board of eleven (11) trustees. Members of the Warren County Bar Association elect the board members to three (3) year terms. The Library provides access to all county officers and the judges of the several courts within the county.

The Library operates by receiving a portion of fine and forfeiture monies from the courts (and any associated interest) under Ohio Revised Code (ORC) §§ 3375.50 to .53, inclusive. ORC § 3375.54 authorizes the Library to disburse funds to purchase, lease or rent law books; computer communications consoles to access a system of computerized legal research; microfilm materials and equipment, videotape materials and equipment; audio or visual materials and equipment; and other services, materials, and equipment that provide legal information or facilitate legal research.

ORC §3375.49 requires the Warren County Commissioners to provide adequate facilities for the Library, including suitable bookcases, heating and lighting for the rooms.

The Board of Trustees hire a librarian. The Judges of the Court of Common Pleas of Warren County fix the librarian's compensation pursuant to ORC § 3375.48. If the Library provides free access to all county officers and the judges of the several courts, the County treasury pays the librarian's salary. If the Library does not provide free access, the Library must pay the librarian's salary.

House Bill 66 amended Ohio Rev. Code Section 3375.48 effective September 29, 2005 to transfer the authority to fix the compensation of the law librarian from the judges of the common pleas court to the county law library association's board of trustees. During 2009, the county commissioners were responsible for compensating the librarian and for the costs of the space and utilities. During 2008, the county commissioners were responsible for 60% of the librarian's compensation and for 80% the costs of the space and utilities for the law library as required by Ohio Revised Code Section 3375.49.

As of January 1, 2010, a Law Library Resources Board (LLRB) will govern county law libraries. Each county will establish a county law library resources fund (LLRF) as required by Ohio Revised Code Section 307.514. On March 3, 2010, the Library transferred its remaining money of \$97,791 and property purchased with fine and penalties monies to the LLRB, as required by House Bill 420. Expenditures from the LLRF fund shall be made pursuant to the annual appropriation measure adopted by the commissioners.

The Library's management believes these financial statements present all public funds for which the Library is financially accountable. The accompanying financial statements also include private monies, see note 1D.

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2009 AND 2008  
(Continued)**

**1. Summary of Significant Accounting Policies (Continued)**

**B. Accounting Basis**

These financial statements follow the accounting basis the Auditor of State prescribes or permits. This basis is similar to the cash receipts and disbursements accounting basis. The Library recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. The Reserve for Encumbrances on the financial statements represents the Library's commitments for purchases. The Library recognizes encumbrances when it commits funds.

These statements include adequate disclosure of material matters, as the Auditor of State prescribes or permits.

**C. Deposits and Investments**

The Library maintains a money fund investment account for all its investments.

**D. Fund Accounting**

The Library uses fund accounting to segregate cash and investments that are restricted as to use. The Library classifies its funds into the following types:

**1. General Fund**

The General Fund reports all financial resources except those required to be accounted for in another fund.

**2. Retained Monies Fund**

Retained Monies Fund reports funds the Library retains under Ohio Revised Code § 3375.56. At the end of each calendar year, the Library may retain up to ten percent of their unencumbered balance. See footnote 2 for additional information.

**3. Private Monies**

Private monies include membership dues, overdue book charges, and photocopying charges. Fees collected for book and copier usage remain private even though the books and copiers may have been purchased with public funds. The Library can disburse private monies at its discretion.

**E. Budgetary Process**

The Ohio Revised Code does not require the Library to budget annually. However, under Ohio Revised Code § 3375.56 the Library may encumber funds equal to their commitments outstanding at year end. Encumbrances outstanding at year end are carried over to the subsequent year.

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2009 AND 2008

**1. Summary of Significant Accounting Policies (Continued)**

**F. Property, Plant, and Equipment**

The Library records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

**G. Refund to Relative Income Sources**

If certain conditions are met, Ohio Revised Code § 3375.56 requires the Library to refund at least ninety percent of any *unencumbered* balance to political subdivisions that provided revenues to the Library. See Footnote 3 for additional information.

**2. Refund to Relative Income Sources and Amount Retained**

In any year that receipts exceed disbursements, the Library refunds at least ninety percent to the unencumbered balance to the political subdivisions who provided the funds and retains the remainder. Ohio Revised Code § 3375.56 requires this "refund to relative income sources". The following tables present the refunded and retained amounts during 2009 and 2008.

Unencumbered Balance at December 31, 2008	
Refunded and Retained During Calendar Year 2009	
Unencumbered Balance at December 31, 2008	\$110,251
Refunded to Relative Sources during 2009	99,226
Retained Funds Amount during 2009	\$11,025

Unencumbered Balance at December 31, 2007	
Refunded and Retained During Calendar Year 2008	
Unencumbered Balance at December 31, 2007	\$159,248
Refunded to Relative Sources during 2008	143,323
Retained Funds Amount during 2008	\$15,925

**3. Equity in Pooled Deposits and Investments**

The Library maintains a deposit and investments pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits and investments at December 31 was as follows:

	2009	2008
Demand deposits	\$97,577	\$463,539
Total deposits	\$97,577	\$463,539

**Deposits:** Deposits are insured by the Federal Depository Insurance Corporation or collateralized by the financial institution's public entity deposit pool.

**4. Risk Management**

**Commercial Insurance**

The Library has obtained commercial insurance for the following risks:

- Comprehensive property and general liability; and,
- Errors and omissions.

### INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Warren County Law Library Association  
Warren County  
500 Justice Drive  
Lebanon, Ohio 45036

To the Library Board of Trustees:

We have audited the financial statements of the Warren County Law Library Association, Warren County, Ohio (the Library), as of and for the years ended December 31, 2009 and 2008, and have issued our report thereon dated April 2, 2010, wherein we noted the Library followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We also noted that as described in Note 1.A., per HB 420 of the 127th General Assembly, the Library must transfer its public cash and property purchased with public funds to the County on or before January 1, 2010. Effective January 1, 2010, the county will report the Law Library operations in a Law Library Resources Special Revenue Fund (LLRF). These LLRF transactions will be included within the scope of the county audit for fiscal year ending December 31, 2010 and subsequent years. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Library's internal control over financial reporting as a basis for designing our audit procedures for expressing our opinion on the financial statements, but not to opine on the effectiveness of the Library's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Library's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Library's ability to initiate, authorize, record, process, or report financial data reliably in accordance with its applicable accounting basis, such that there is more than a remote likelihood that the Library's internal control will not prevent or detect a more-than-inconsequential financial statement misstatement.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in more than a reasonable possibility that a material misstatement of the Library's financial statements will not be prevented, or detected and timely corrected.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

#### **Compliance and Other Matters**

As part of reasonably assuring whether the Library's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We intend this report solely for the information and use of the audit committee, management, and Library Board of Trustees. We intend it for no one other than these specified parties.
