INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Weston Public Library
Wood County
13153 Main Street, PO Box 345
Weston, Ohio 43569-0345

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Weston Public Library, Wood County, Ohio (the Library), agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2010 and 2009, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The Library processes its financial transactions with the Auditor of State's Uniform Accounting Network (UAN). *Government Auditing Standards* considers this service to impair the independence of the Auditor of State to provide attest services to the Library because the Auditor of State designed, developed, implemented, and as requested, operates UAN. However, *Government Auditing Standards* permits the Auditor of State to perform this engagement, because Ohio Revised Code § 117.101 requires the Auditor of State to provide UAN services, and Ohio Revised Code § 117.11(A) mandates the Auditor of State to perform attest services for Ohio governments.

This report only describes exceptions exceeding \$10.

2. We inquired of management, and scanned the Cash Journal for evidence of debt issued during 2010 or 2009 or debt payment activity during 2010 or 2009. We noted no new debt issuances or any debt payment activity during 2010 or 2009

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2010 and one payroll check for five employees from 2009 from the Employee Detail Adjustment Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Employee Detail Adjustment Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions
 - b. We determined whether the fund and account code to which the check was posted was reasonable based on the employees' duties as documented in the minute record. We also determined whether the payment was posted to the proper year. We found no exceptions.

2. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2010 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2010. We noted the following:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.

Compliance – Budgetary

1. We compared total appropriations required by Ohio Admin. Code Section 117-8-02, to the amounts recorded in the Appropriation Status Report for 2010 and 2009 for the following funds: General Fund and the Ambrose Henning Family Memorial Fund. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report.
2. Ohio Admin. Code Section 117-8-02 prohibits spending in excess of budgeted amounts. We compared total expenditures to total appropriations for the years ended December 31, 2010 and 2009 for the General and Ambrose Henning Family Memorial fund, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.

Compliance – Contracts and Expenditures

We inquired of management and scanned the Payment Register Detail report for the years ended December 31, 2010 and 2009 for procurements requiring competitive bidding to construct, demolish, alter, repair, or reconstruct a library or make any improvements or repairs, the cost of which exceeded \$25,000, except in cases of urgent necessity or for the security and protection of library property (Ohio Rev. Code Section 3375.41).

We identified no purchases subject to the aforementioned bidding requirements.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Library's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the Library, and is not intended to be, and should not be used by anyone other than these specified parties.
