INDEPENDENT ACCOUNTANTS' REPORT
ON APPLYING AGREED-UPON PROCEDURES

Board of Trustees
Liberty Township
3948 Ridgeton Road
Bucyrus, Ohio 44820

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Liberty Township (the Township) and the Auditor of State agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2011 and 2010, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash and Investments

1. We tested the mathematical accuracy of the December 31, 2011 and 2010 bank reconciliations.
 - No exceptions were noted during the testing of the bank reconciliations.
2. We agreed the January 1, 2010 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2009 balances in the prior year audited financial statements.
 - The January 1, 2010 beginning fund balances tied to the December 31, 2009 balances on the prior year audited financial statements.
3. We agreed the totals per the bank reconciliations to the corresponding totals in the December 31, 2011 and 2010 fund cash balances reported in the Fund Status Reports.
 - The amounts agreed from the bank reconciliation to the Fund Status Report.

Cash and Investments (continued)

4. We confirmed the December 31, 2011 and 2010 bank account balances with the Township's financial institutions and agreed the confirmed balances to the corresponding amounts appearing in the December 31, 2011 and 2010 bank reconciliations.
 - The confirmed balances agreed to those amounts within the bank reconciliation, and no exceptions were noted.
5. We selected all reconciling debits (such as outstanding checks) haphazardly from the December 31, 2011 bank reconciliation and traced each debit appearing in the subsequent January and February bank statements. We also traced the amounts and date written to the check register, to determine that the debits were dated prior to December 31.
 - We found no exceptions when testing the reconciling debits.
6. We selected all reconciling credits (such as deposits in transit) haphazardly from the December 31, 2011 bank reconciliation and traced each credit to the subsequent January bank statement and agreed the credit amounts to the Receipts Register. Each credit was recorded as a December receipt for the same amount recorded in the reconciliation.
 - We found no exceptions when testing the reconciling credits.
7. We tested investments held at December 31, 2011 and 2010 to determine that they were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144 and matured within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14.
 - We found no exceptions when testing investments.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the statement) for 2011 and one from 2010 and traced the gross receipts from the *Statement* to the amount recorded in the Receipt Register Report, determined whether the receipt was allocated to the proper fund(s) as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10, and determined whether the receipt was recorded in the proper year.
 - We found no exceptions during our testing of the County receipts.
2. We scanned the Receipt Register Report to determine whether it included the proper number of tax receipts for 2011 and 2010 which includes two real estate tax receipts.
 - We found no exceptions during our testing of receipts.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts (continued)

3. We selected all receipts from the State Distribution Transaction Lists (DTL) from 2011 and all receipts from 2010 and compared the amount from the DTL to the amount recorded in the Receipt Register Report. We also determined whether these receipts were allocated to the proper funds and whether the receipts were recorded in the proper year.
 - We found no exceptions during our testing of the State receipts.
4. We also selected five receipts from the County Auditor's DTLs from 2011 and five from 2010 and compared the amount from the DTL to the amount recorded in the Receipt Register Report. We also determined whether these receipts were allocated to the proper funds and whether the receipts were recorded in the proper year.
 - We found no exceptions when comparing the County confirms to the Receipt Register Report.

Debt

1. From the prior audit documentation we noted the following bonds outstanding as of December 31, 2009. The amounts agreed to the Townships January 1, 2010 balances on the summary we used in Step 3.

Issue	Principal outstanding as of December 31, 2009	
2008 Equipment Acquisition Bonds	\$	97,900

2. We inquired of management, and scanned the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2011 or 2010 or payment activity during 2011 or 2010.
 - All debt noted agreed to the summary we used in Step 3.
3. We obtained a summary of bond debt activity for 2011 and 2010 and agreed principal and interest payments from the related debt amortization schedule to the general bond retirement fire truck fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Township made the payments.
 - We found no exceptions when comparing the payments from the amortization schedule to the actual payments recorded.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2011 and one payroll check for five employees from 2010 from the Employee Detail Adjustment Report and tested the following attributes:
 - We compared the hours and pay rate, or salary recorded in the Employee Detail Adjustment Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary)
 - We determined whether the fund and account code(s) to which the check was posted was reasonable based on the employees' duties as documented in the employees' personnel files and time records and determined whether the payment was posted to the proper year.
 - No exceptions were noted during our testing of payroll cash disbursements.
2. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2011 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2011. We noted the following:

Withholding (Plus employer share where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income tax & Medicare	January 31, 2012	December 13, 2011	1,431.65	1,431.65
State income taxes	January 15, 2012	December 13, 2011	132.58	132.58
School district income taxes	January 31, 2012	December 13, 2011	107.05	107.05
OPERS retirement	January 30, 2012	December 13, 2011	823.20	823.20

- No exceptions were noted during the testing of the withholdings and all payments tested were made timely.
3. For the pay periods ended July 12, 2011 and November 9, 2010, we compared documentation and the recomputation supporting the allocation of the Boards' salaries to the General, Gasoline Tax Fund, and the Road and Bridge Fund per the Employee Detail Adjustment Report.
 - No exceptions were noted in the Boards' allocation of salaries.
 4. For the pay periods described in the preceding step, we traced the Boards' time for services performed to supporting certifications the Revised Code requires.
 - No exceptions were noted in the Boards' supporting certifications.

Non-Payroll Cash Disbursements

1. We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2011 and ten from the year ended 2010 to determine the following:
 - The disbursements are for a proper public purpose.
 - The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices.
 - The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used.
 - The fiscal officer certified disbursements requiring certification or issued a Then and Now Certificate, as required by Ohio Rev. Code Section 5705.41(D).
 - We found no exceptions during our testing of disbursements.

Compliance-Budgetary

1. We compared the total estimated receipts from the Amended Certificate of Estimated Resources required by Ohio Rev. Code Section 5705.36 (A)(1) to the amounts recorded in the Revenue Status Report for the years ended December 31, 2011 and 2010.
 - The amounts on the Certificate agreed to the amount recorded in the accounting system.
2. We scanned the appropriation measures adopted for 2011 and 2010 to determine whether, for the General Fund, Motor Vehicle License Tax Fund, Gasoline Tax Fund, and the Road and Bridge Fund, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(c).
 - We found no exceptions when scanning appropriation measures to determine that each department had personal services appropriated separately.
3. We compared the total appropriations required by Ohio Rev. Code Section 5705.38 and 5705.40 to the amounts recorded in the Appropriation Status Report for 2011 and 2010 for all Funds.
 - We found no exceptions when comparing the total appropriations to the amounts recorded in the Appropriation Status Report.

Compliance-Budgetary (continued)

4. Ohio Rev. Code Section 5705.36 (a)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for all funds for the years ended December 31, 2011 and 2010.
 - We noted no exceptions when comparing appropriations to certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2011 and 2010 for all funds, as recorded in the Appropriation Status Report.
 - We noted no exceptions when comparing total expenditures to total appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipts Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2011 and 2010. We also inquired of management regarding whether the Township received new restricted receipts.
 - We noted no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
7. We scanned the 2011 and 2010 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers which Ohio Rev. Code Sections 5705.14 -.16 restrict.
 - We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas. No exceptions were noted.
8. We inquired of management and scanned the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13.
 - We noted the Township did not establish these reserves.

Compliance-Contracts & Expenditures

1. We inquired of management and scanned the Payment Register Detail report for the years ended December 31, 2011 and 2010 for procurements requiring competitive bidding under the following statutes:
 - a. Materials, machinery and tools used in constructing, maintaining and repairing roads and culverts, where costs exceeded \$25,000 (\$50,000 effective September 29, 2011) (Ohio Rev. Code Section 5549.21)
 - b. Construction and erection of a memorial building or monument costs exceeding \$25,000 (\$50,000 effective September 29, 2011) (Ohio Rev. Code Section 511.12)

Compliance-Contracts & Expenditures (continued)

- c. Equipment for fire protection and communication costs exceeding \$50,000 (Ohio Rev. Code Sections 505.37 to 505.42)

 - f. Private sewage collection tile costs exceeding \$25,000 (\$50,000 effective September 29, 2011) (Ohio Rev. Code Sections 521.02 to 521.05)
 - g. Fire apparatus, mechanical resuscitators, other fire equipment, appliances, materials, fire hydrants, buildings, or fire-alarm communications equipment or service costs exceeding \$50,000 (Ohio Rev. Code Section 505.37 (A))
 - h. Maintenance and repair of roads exceeding \$45,000 (Ohio Rev. Code Section 5575.01)
 - i. Construction or reconstruction of a township road exceeding \$15,000/per mile (Ohio Rev. Code Section 5575.01)
 - We identified the purchase of a boom mower exceeding \$25,000, subject to Ohio Rev. Code Section 5549.21. For this project, we noted that the mower was purchased through a state purchasing agency; therefore, the Township was exempt from the competitive bidding process.
2. We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2011 and 2010 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000 - \$45,000) or to construct or reconstruct township roads (cost of project \$5,000 - \$15,000 / per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate).
- We identified no projects requiring the county engineer to complete a force account cost estimate.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, the Auditor of State, and others within the Township, and is not intended to be, and should not be used by anyone other than these specified parties.
