INDEPENDENT ACCOUNTANTS' REPORT
ON APPLYING AGREED-UPON PROCEDURES

Board of Trustees
Texas Township
5772 Knauss Road
Sycamore, Ohio 44882

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Texas Township (the Township) and the Auditor of State agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2011 and 2010, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash and Investments

1. We tested the mathematical accuracy of the December 31, 2011 and 2010 bank reconciliations.
 - No exceptions were noted during the testing of the bank reconciliations.
2. We agreed the January 1, 2010 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2009 balances in the prior year audited financial statements.
 - The January 1, 2010 beginning fund balances tied to the December 31, 2009 balances on the prior year audited financial statements.
3. We agreed the totals per the bank reconciliations to the corresponding totals in the December 31, 2011 and 2010 fund cash balances reported in the Fund Status Reports.
 - The amounts agreed from the bank reconciliation to the Fund Status Report.

Cash and Investments (continued)

4. We confirmed the December 31, 2011 and 2010 bank account balances with the Township's financial institutions and agreed the confirmed balances to the corresponding amounts appearing in the December 31, 2011 and 2010 bank reconciliations.
 - The confirmed balances on the checking account agreed to those amounts within the bank reconciliation, and no exceptions were noted.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the statement) for 2011 and one from 2010 and traced the gross receipts from the *Statement* to the amount recorded in the Receipt Register Report, determined whether the receipt was allocated to the proper fund(s) as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10, and determined whether the receipt was recorded in the proper year.
 - We found no exceptions during our testing of the County receipts.
2. We scanned the Receipt Register Report to determine whether it included the proper number of tax receipts for 2011 and 2010 which includes two real estate tax receipts.
 - We found no exceptions during our testing of receipts.
3. We selected all receipts from the State Distribution Transaction Lists (DTL) from 2011 and all receipts from 2010 and compared the amount from the DTL to the amount recorded in the Receipt Register Report. We also determined whether these receipts were allocated to the proper funds and whether the receipts were recorded in the proper year.
 - We found no exceptions during our testing of the State receipts.
4. We also selected five receipts from the County Auditor's DTLs from 2011 and five from 2010 and compared the amount from the DTL to the amount recorded in the Receipt Register Report. We also determined whether these receipts were allocated to the proper funds and whether the receipts were recorded in the proper year.
 - We found no exceptions when comparing the County confirms to the Receipt Register Report.

Debt

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2009.
2. We inquired of management, and scanned the Receipt Register Report and Payment Register Detail Report for evidence of debt issued and payment activity during 2011 and 2010.
 - We noted no new debt issuances or any debt payment activity during 2011 and 2010.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2011 and one payroll check for five employees from 2010 from the Employee Detail Adjustment Report and tested the following attributes:
 - We compared the hours and pay rate, or salary recorded in the Employee Detail Adjustment Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary)
 - We determined whether the account code(s) to which the check was posted was reasonable based on the employees' duties as documented in the employees' personnel files and time records and determined whether the payment was posted to the proper year.
 - No exceptions were noted during our testing of payroll cash disbursements.
2. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2011 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2011. We noted the following:

Withholding (Plus employer share where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income tax & Medicare	January 31, 2012	December 12, 2011	226.95	226.95
State income taxes	January 15, 2012	December 12, 2011	61.44	61.44
OPERS retirement	January 30, 2012	December 12, 2011	633.07	633.07

- No exceptions were noted during the testing of the withholdings and all payments tested were made timely.
3. For the pay periods ended July 11, 2011 and February 8, 2010, we compared documentation and the recomputation supporting the allocation of the Trustees' salaries to the General and Gasoline Tax Funds per the Employee Detail Adjustment Report.
 - We found that the allocation of time between the General and Gasoline Tax Funds appeared reasonable when compared to the Boards' timesheets for the noted pay periods; however, they did not use the required certification from October 2011 forward.

Official's Response: The fiscal officer will begin utilizing the certifications during 2012.

1. For the pay periods described in the preceding step, we traced the Trustees' time for services performed to the supporting certifications that the Ohio Revised Code requires.
 - After August 2011, certifications were required for Trustees' salaries based upon the Auditor of State Technical Bulletin 2011-007. The Township did not properly utilize the certification reports.

Non-Payroll Cash Disbursements

1. We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2011 and ten from the year ended 2010 to determine the following:

- The disbursements are for a proper public purpose. We found no exceptions.
- The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- This payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- The fiscal officer certified disbursements requiring certification or issued a Then and Now Certificate, as required by Ohio Rev. Code Section 5705.41(D).
- We found four instances where invoice dates were all prior to approved purchase order dates. We also noted three invoices with no invoice dates, but service dates were present and all service dates were dated prior to the purchase order date. Because we did not test all disbursements requiring purchase orders, our report provides no assurance whether additional similar errors occurred.

Official's Response: The fiscal officer will utilize Then and Now Certificates for future disbursements.

Compliance-Budgetary

1. We compared the total estimated receipts from the Amended Certificate of Estimated Resources required by Ohio Rev. Code Section 5705.36 (A)(1) to the amounts recorded in the Revenue Status Report for the General Fund, Motor Vehicle License Tax Fund, Gasoline Tax Fund, Road and Bridge Fund, Cemetery Fund, Street Lighting Fund and Cemetery Bequest Fund for the years ended December 31, 2011 and 2010.

- The amounts on the Certificate agreed to the amount recorded in the accounting system except for the Gasoline Tax Fund in 2010 where the amounts recorded in the Revenue Status Report exceeded the Amended Certificate of Estimated Resources by \$77,520. In 2011, the Cemetery Fund balance within the Revenue Status Report exceeded the Amended Certificate of Estimated Resources by \$50.

Compliance-Budgetary (continued)

2. We scanned the appropriation measures adopted for 2011 and 2010 to determine whether, for the General Fund, Motor Vehicle License Tax Fund, Gasoline Tax Fund, Road and Bridge Fund, Cemetery Fund, Street Lighting Fund and Cemetery Bequest Fund, the Trustees appropriated separately for “each office, department, and division, and within each, the amount appropriated for personal services,” as is required by Ohio Rev. Code Section 5705.38(c).
 - We found no exceptions when scanning appropriation measures to determine that each department had personal services appropriated separately.
3. We compared the total appropriations required by Ohio Rev. Code Section 5705.38 and 5705.40 to the amounts recorded in the Appropriation Status Report for 2011 and 2010 for the General Fund, Motor Vehicle License Tax Fund, Gasoline Tax Fund, Road and Bridge Fund, Cemetery Fund, Street Lighting Fund and Cemetery Bequest Fund.
 - The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report.
4. Ohio Rev. Code Section 5705.36 (a)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General Fund, Motor Vehicle License Tax Fund, Gasoline Tax Fund, Road and Bridge Fund, Cemetery Fund, Street Lighting Fund and Cemetery Bequest Fund for the years ended December 31, 2011 and 2010.
 - We noted no exceptions when comparing appropriations to certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2011 and 2010, as recorded in the Appropriation Status Report for the General, Gas Tax, and Road and Bridge Fund.
 - We noted no exceptions where expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipts Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2011 and 2010. We also inquired of management regarding whether the Township received new restricted receipts.
 - We noted no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
7. We scanned the 2011 and 2010 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers which Ohio Rev. Code Sections 5705.14 -.16 restrict.
 - We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas. No exceptions were noted.

Compliance-Budgetary (continued)

8. We inquired of management and scanned the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13.
 - We noted the Township did not establish these reserves; therefore, no exceptions were noted.

Compliance-Contracts & Expenditures

1. We inquired of management and scanned the Payment Register Detail report for the years ended December 31, 2011 and 2010 for procurements requiring competitive bidding under the following statutes:
 - a. Materials, machinery and tools used in constructing, maintaining and repairing roads and culverts, where costs exceeded \$25,000 (\$50,000 effective September 29, 2011) (Ohio Rev. Code Section 5549.21)
 - b. Construction and erection of a memorial building or monument costs exceeding \$25,000 (\$50,000 effective September 29, 2011) (Ohio Rev. Code Section 511.12)
 - c. Equipment for fire protection and communication costs exceeding \$50,000 (Ohio Rev. Code Sections 505.37 to 505.42)
 - d. Street lighting systems or improvement costs exceeding \$25,000 (\$50,000 effective September 29, 2011) (Ohio Rev. Code Section 515.01 & 515.07)
 - e. Building modification costs exceeding \$25,000 (\$50,000 effective September 29, 2011) to achieve energy savings (Ohio Rev. Code Section 505.264)
 - f. Private sewage collection tile costs exceeding \$25,000 (\$50,000 effective September 29, 2011) (Ohio Rev. Code Sections 521.02 to 521.05)
 - g. Fire apparatus, mechanical resuscitators, other fire equipment, appliances, materials, fire hydrants, buildings, or fire-alarm communications equipment or service costs exceeding \$50,000 (Ohio Rev. Code Section 505.37 (A))
 - h. Maintenance and repair of roads exceeding \$45,000 (Ohio Rev. Code Section 5575.01)
 - i. Construction or reconstruction of a township road exceeding \$15,000/per mile (Ohio Rev. Code Section 5575.01)
 - We identified a contract for road improvements in 2010 exceeding \$45,000, subject to Ohio Rev. Code Section 5575.01. For this project, the Board of Trustees advertised the project in the local newspaper, and in the Trustee's opinion selected the lowest responsive and responsible bidder.

Compliance-Contracts & Expenditures (continued)

2. We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2011 and 2010 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000 - \$45,000) or to construct or reconstruct township roads (cost of project \$5,000 - \$15,000 / per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate).
 - We identified no projects requiring the county engineer to complete a force account cost estimate.
3. For the road maintenance project described in step 1 above, we read the contract and noted that it required the contractor to pay prevailing wages to their employees as required by Ohio Rev. Code Sections 4115.04 and 4115.05. The contract included the Ohio Department of Commerce's schedule of prevailing rates.
 - No exceptions noted.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, the Auditor of State, and others within the Township, and is not intended to be, and should not be used by anyone other than these specified parties.
