## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Ohio Lottery Commission
Cuyahoga County
615 West Superior Avenue
Cleveland, Ohio 44113
We have performed the procedures enumerated below, which were agreed to by the Ohio Lottery Commission (Commission) and the other member lotteries in the states of California, Georgia, Illinois, Maryland, Massachusetts, Michigan, New Jersey, New York, Texas, Virginia and Washington (referred to as the "Member Lotteries") who operate Mega Millions, solely to assist the Commission and Member Lotteries with respect to the evaluation of the following financial information associated with Mega Millions: The Commission sales and prize expense for the period April 1, 2013 through March 31, 2014. We followed the American Institute of Certified Public Accountants' attestation standards for agreed-upon procedures engagements included in the Comptroller General of the United States' Government Auditing Standards. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. Our procedures were as follows:
a) We obtained from the Commission the "Draw Activity" and "Fixed Prize Analysis" for the period April 1, 2013 through March 31, 2014 (attached as Exhibit I and Exhibit II, respectively). We proved their mathematical accuracy with no exceptions noted.
b) We randomly selected the following five (5) drawings from the period April 1, 2013 to March 31, 2014 for testing and performed procedures " $c$ ", " $d$ ", and "e' below:

- May 14, 2013
- July 2, 2013
- January 3, 2014
- February 11, 2014
- March 28, 2014
c) For each draw date selected in step "b" above, we compared the total amount of sales as shown on the daily sales report produced by the Commission's gaming system and the total amount of sales shown on the related daily sales report produced by Internal Control System ("ICS"), with the balance listed in the "sales" column for the respective draw date on the "Draw Activity" report attached as Exhibit I and found them to be in agreement.
d) We calculated the total dollar amount of fixed prizes for the draw dates selected in step "b" above, based on the total number of winners from the Commission's gaming system for each prize level and the prize structure of the Mega Millions fixed prizes (as defined in the official game rules). We compared the calculated expense with the amount listed in the "Actual Fixed Prizes" column for the respective draw date on the "Draw Activity" report attached as Exhibit I and found them to be in agreement.
e) For each draw date selected in step "b" above, we compared the amount of sales, actual fixed prizes, and share of fixed prizes shown on the "Draw Activity" report attached as Exhibit I to the amounts shown on the applicable Mega Millions Prize Settlement Reports and found them to be in agreement.
f) For the period identified in step "a" above, we randomly selected two months November 2013 and March 2014 and obtained the "Expired Prize Settlement Report" distributed by the Virginia Lottery. For the two months selected, we obtained from the Commission Internal Control System (ICS) the actual fixed prizes awarded, and the prizes unclaimed. We compared the ICS data back to the data reported from the Virginia Lottery for each draw of the subject months and found them to be in agreement.
g) We compared the amounts shown as the total of the actual fixed prizes and the total of the share of fixed prizes on the "Draw Activity" report attached as Exhibit I to the applicable amounts shown on the "Fixed Prize Analysis" report attached as Exhibit II and found them to be in agreement.
h) For the amounts listed in the "Cash Option Amount" column of the "Draw Activity" report attached as Exhibit I, we obtained and compared the amount to the Commission's cash disbursement subsidiary records which summarize the funds disbursed to the prize winner and found them to be in agreement.
i) We noted no purchase of investments associated with the jackpot prizes.
j) We compared the total of the period transfers from the Commission to the Virginia Lottery for settlement of the fixed prize liability as shown in the Commission's cash disbursement subsidiary records to the amount listed in the "Qtrly/Yrly Settlement Transfers In (Out)" column on the "Fixed Prize Analysis" report attached as Exhibit II and found them to be in agreement.
k) We compared the balance listed as the Commission's payable as of March 31, 2014 for the fixed prizes as shown on the "Fixed Prize Analysis" report attached as Exhibit II to the Commission's financial accounting records and to the Mega Millions Prize Settlement Report as of March 31, 2014 and found them to be in agreement.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on the Commission sales and prize expense for the period April 1, 2013 through March 31, 2014. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
