Report on the Financial Statements

We have audited the accompanying financial statements of Euclid Avenue Development Corporation (a nonprofit corporation) (the "Corporation"), a component unit of Cleveland State University, which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
Euclid Avenue Development Corporation

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Euclid Avenue Development Corporation as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 28, 2018 on our consideration of the Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control over financial reporting and compliance.

Organization

Euclid Avenue Development Corporation (the “Corporation”) was organized primarily to further the educational mission of Cleveland State University (the “University”) by developing and owning housing and parking facilities for the students, faculty, and staff of the University.

On March 1, 2005, the Corporation leased the Fenn Tower Building, located on the University’s campus, from the University. On March 1, 2005, the Corporation entered into a development agreement with American Campus Communities (ACC) to plan, design, and construct housing units in Fenn Tower. In addition, the Corporation entered into a management agreement with ACC to manage Fenn Tower once construction was completed. Fenn Tower was completed in August 2006 and can house approximately 430 residents.

On June 1, 2008, the Corporation leased land, owned by the University and located on its campus. On August 22, 2008, the Corporation entered into a design-build agreement to construct a 623-car parking garage on the site. On July 1, 2008, the Corporation entered into a lease agreement with the University to operate the garage. Construction of the garage was completed in August 2009.

On March 9, 2009, the Corporation leased land, owned by the University and located on its campus. On August 24, 2009, the Corporation entered into a development agreement with ACC to design, construct, and furnish housing units referred to as “Euclid Commons.” In addition, the Corporation entered into a management agreement with ACC to manage Euclid Commons once construction was completed. Euclid Commons was completed in September 2011 and can house approximately 600 residents. Part of the project included constructing a 292-car attached parking garage. On December 18, 2009, the Corporation entered into a lease agreement with the University to operate the garage.

On April 1, 2016, the Corporation purchased a home for the use of the University’s President. The home is referred to as the “President’s Residence.” The Corporation entered into a lease agreement with the University for use of the home.

Basis of Presentation

The Corporation follows authoritative guidance issued by the Financial Accounting Standards Board (FASB) which established the FASB Accounting Standards Codification (ASC) as the single source of authoritative accounting principles generally accepted in the United States of America.

The financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Corporation considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents (excluding cash equivalents held in investment brokerage accounts).

At various times during the years ended June 30, 2018 and 2017, the Corporation's cash bank balances exceeded the federally insured limits.

Student Accounts Receivable

Student accounts receivable are uncollateralized obligations due from the University's students for housing related charges. Accounts receivable are stated at the amount billed to the resident. Student account balances are considered delinquent when scheduled payments are missed.

At June 30, 2018 and 2017, the Corporation has recorded \$17,000 and \$12,000, respectively, as an allowance for potential uncollectible student accounts receivable. Management estimates an allowance for uncollectible accounts based upon a review of delinquent accounts and an assessment of the Corporation's historical collections experience.

Bond Issuance Costs, Net

Bond issuance costs, net, were incurred to obtain financing and are being amortized using the straight-line method over the terms of the related bonds issued.

Euclid Avenue Development Corporation

Notes to Financial Statements

June 30, 2018 and 2017

Note 1: Summary of Significant Accounting Policies (continued)

Property and Equipment

Property and equipment is valued at cost when purchased or, if received through a donation, the fair value at the date of donation. Depreciation is computed using the straight-line method based on the estimated useful lives of the related assets ranging from 3 to 40 years. Maintenance and repairs are expensed as incurred. Additions and major improvements are capitalized. Depreciation expense totaled \$2,094,775 and \$2,173,027 for the years ended June 30, 2018 and 2017, respectively.

The Corporation capitalizes the net interest income or expense incurred during the construction of property. The amount capitalized is determined based upon the interest related to bonds payable and bond proceeds from specific construction projects. During the years ended June 30, 2018 and 2017, there was no interest income or expense capitalized.

Security Deposits

Security deposits represent housing deposits made by residents of the Corporation's facilities and are shown as a liability in the accompanying statements of financial position.

Deferred Revenue

Deferred revenue represents the unearned portion of rental revenue related to a sublease of property (Note 7) and housing for the summer session.

Management Fees

The Corporation has management agreements with ACC for Fenn Tower and Euclid Commons whereby ACC is paid a base compensation fee, as adjusted for inflation, and an incentive fee as a function of gross revenue. The agreements expire on July 31, 2020 and may be extended upon approval by both parties.

Interest Expense

Interest expense includes interest incurred on the Corporation's bonds payable. The bonds were issued at a premium and issuance costs were incurred in relation to the issuance (Note 5). Interest expense is shown net of the annual amortization of the premium and issuance costs. The premium and the issuance costs are being amortized on a straight-line basis over the term of the underlying bonds payable.

Income Taxes

The Corporation is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal income taxes on related income pursuant to Section 501(a) of the Code.

Income Taxes (continued)

Uncertain income tax positions are evaluated at least annually by management. The Corporation classifies interest and penalties related to income tax matters as general and administrative expense in the accompanying financial statements. As of June 30, 2018 and 2017, the Corporation has identified no uncertain income tax positions and has incurred no amounts for income tax penalties and interest for the years then ended.

The Corporation files its Federal Form 990 in the U.S. federal jurisdiction and a state registration in the office of the state's attorney general for the State of Ohio.

Subsequent Events

In preparing these financial statements, the Corporation has evaluated events and transactions for potential recognition or disclosure through September 28, 2018, the date the financial statements were made widely available.

Recent Accounting Pronouncements

The FASB issued Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities and Health Care Entities – Presentation of Financial Statements of Not-for-Profit Entities*. This ASU changes the reporting requirements for nonprofit organizations and their required disclosures. The changes include: (a) requiring the presentation of only two classes of net assets, entitled “net assets without donor restrictions” and “net assets with donor restrictions,” (b) modifying the presentation and disclosures of underwater endowment funds, (c) requiring the use of the placed in service approach to recognize the releases from restriction for gifts utilized to acquire or construct long-lived assets, (d) requiring that all nonprofits present an analysis of expenses by function and nature in either the statement of activities, a separate statement, or in the notes to the financial statements and to summarize the allocation methodologies utilized to allocate the costs, (e) requiring the disclosure of quantitative and qualitative information regarding liquidity, and (g) modifying other financial statement reporting requirements and disclosures to enhance the usefulness of nonprofit financial statements. This ASU is effective for fiscal years beginning after December 15, 2017, with early adoption permitted. Management is currently evaluating the impact of this ASU on its financial statements.

Recent Accounting Pronouncements (continued)

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers*, which is a comprehensive new revenue recognition standard that will supersede existing revenue recognition guidance. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects consideration to which the entity expects to be entitled in exchange for those goods or services. FASB issued ASU 2015-14 that deferred the effective date of adoption for a public business entity or a not-for-profit entity that has issued, or is a conduit bond obligor for, certain securities until annual periods beginning after December 15, 2017. Earlier adoption is permitted subject to certain limitations. The amendments in this update are required to be applied retrospectively to each prior reporting period presented or with the cumulative effect being recognized at the date of initial application. Management is currently evaluating the impact of this ASU on its financial statements.

In February 2016, the FASB issued ASU 2016-02, *Leases*. The objective of this ASU is to recognize lease assets and lease liabilities by lessees for those leases classified as operating leases under previous generally accepted accounting principles (GAAP). This ASU is effective for a public business entity or a not-for-profit entity that has issued, or is a conduit bond obligor for, certain securities for annual periods beginning after December 15, 2018, and interim periods within those fiscal years. Early adoption of this ASU is permitted. Management is currently evaluating the impact of this ASU on its financial statements.

In November 2016, the FASB issued ASU 2016-18, *Statement of Cash Flows (Topic 230): Restricted Cash*, which clarifies the presentation of restricted cash as included in the cash balances in the statement of cash flows. This ASU is effective for a public business entity or a not-for-profit entity that has issued, or is a conduit bond obligor for certain securities for annual periods beginning after December 15, 2017, and interim periods within those annual periods. Early adoption of this ASU is permitted. Management anticipates this ASU will not have a material impact on its financial statements.

Note 2: Restricted Investments

The restricted investments are maintained in separate trust accounts as defined by the bond indenture. Note 4: Fair Value Measurements

In accordance with the “Fair Value Measurements” topic of the FASB ASC, the Corporation uses a three-level fair value hierarchy that categorizes assets and liabilities measured at fair value based on the observability of the inputs utilized in the valuation. This hierarchy prioritizes the inputs into three broad levels as follows: Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities; Level 2 inputs are quoted prices for similar assets and liabilities in active markets or inputs that are observable for the asset or liability, either directly or indirectly; and Level 3 inputs are unobservable inputs in which little or no market data exists, therefore, requiring an entity to develop its own valuation assumptions.

Financial assets measured at fair value consisted of the following at June 30, 2018:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Note 5: Bonds Payable, Net

On March 17, 2005, the Corporation issued \$34,385,000 of Cleveland-Cuyahoga County Port Authority Bonds (“Series 2005 Bonds”). The proceeds were used to finance the construction and furnishing of housing units in Fenn Tower. The Series 2005 Bonds were serial bonds maturing between 2008 and 2036. The Series 2005 Bonds were subject to a fixed charges coverage ratio. As discussed below, these bonds were defeased in fiscal 2015 and were redeemed on August 1, 2015.

On July 25, 2008, the Corporation issued \$14,500,000 of Cleveland-Cuyahoga County Port Authority Revenue Bonds (“Series 2008 Bonds”). The proceeds were used to finance the construction of a parking garage. The Series 2008 Bonds were demand bonds maturing at various dates through 2039. The bonds were secured by the assignment of rents due from the University. During fiscal 2015, these bonds were redeemed as below discussed.

**Independent Auditor’s Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards***

Board of Directors
Euclid Avenue Development Corporation

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Euclid Avenue Development Corporation (a nonprofit corporation) (the “Corporation”), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 28, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Corporation’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors
Euclid Avenue Development Corporation

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
