REGULAR AUDIT

JANUARY 1, 2017 – DECEMBER 31, 2017

Dave Yost • Auditor of State

Board of Trustees
New Albany Community Improvement Corporation
99 W. Main Street
New Albany, Ohio 43054

We have reviewed the *Independent Auditor's Report* of the New Albany Community Improvement Corporation, Franklin County, prepared by Wilson, Shannon & Snow, Inc., for the audit period January 1, 2017 through December 31, 2017. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The New Albany Community Improvement Corporation is responsible for compliance with these laws and regulations.

INDEPENDENT AUDITOR'S REPORT

New Albany Community Improvement Corporation
Franklin County
99 West Main Street
New Albany, Ohio 43054

To the Board of Trustees:

Report on the Financial Statements

We have audited the accompanying financial statements of the New Albany Community Improvement Corporation, Franklin County, Ohio (the CIC), a component unit of the City of New Albany, as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the CIC's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes designing, implementing, and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing those risks of financial statement material misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the CIC's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the CIC's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our opinion.

New Albany Community Improvement Corporation
Franklin County
Independent Auditor's Report

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the New Albany Community Improvement Corporation, Franklin County, Ohio, as of December 31, 2017, and the changes in its financial position and its cash flows for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require this presentation to include *management's discussion and analysis* to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, consisting of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries to the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not opine or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to opine or provide any other assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 6, 2018, on our consideration of the CIC's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CIC's internal control over financial reporting and compliance.

**MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED DECEMBER 31, 2017
(UNAUDITED)**

The discussion and analysis of the New Albany Community Improvement Corporation's (the "CIC") financial performance provides an overall review of the CIC's financial activities for the year ended December 31, 2017. The intent of this discussion and analysis is to look at the CIC's financial performance as a whole; readers should also review the notes to the basic financial statements and financial statements to enhance their understanding of the CIC's financial performance.

Financial Highlights

Key financial highlights for 2017 are as follows:

- In total, net position was \$70,907 at December 31, 2017.
- The CIC had operating revenues of \$274,439, operating expenses of \$272,154 and non-operating revenues of \$25 for 2017. Total change in net position for the year was an increase of \$2,310.

Using these Basic Financial Statements

This annual report consists of a series of financial statements and notes to those statements. These statements are organized so the reader can understand the CIC's financial activities. The *Statement of Net Position* and *Statement of Revenues, Expenses and Changes in Net Position* provide information about the activities of the CIC, including all short-term and long-term financial resources and obligations.

Reporting the CIC's Financial Activities

Statement of Net Position, Statement of Revenues, Expenses, and Changes in Net Position and the Statement of Cash Flows

These documents look at all financial transactions and ask the question, "How did we do financially during 2017?" The Statement of Net Position and the Statement of Revenues, Expenses and Changes in Net Position answer this question. These statements include *all assets, liabilities, revenues and expenses* using the *accrual basis of accounting* similar to the accounting used by most private-sector companies. This basis of accounting will take into account all of the current year's revenues and expenses regardless of when cash is received or paid.

These two statements report the CIC's *net position* and changes in net position. This change in net position is important because it tells the reader that, for the CIC as a whole, the *financial position* of the CIC has improved or diminished. The causes of this change may be the result of many factors, some financial, some not. These statements can be found on pages 7 and 8 of this report.

The statement of cash flows provides information about how the CIC finances and meets the cash flow needs of its operations. The statement of cash flows can be found on page 9 of this report.

The notes provide additional information that is essential to a full understanding of the data provided in the financial statements. These notes to the basic financial statements can be found on pages 10-14 of this report.

**MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED DECEMBER 31, 2017
(UNAUDITED)**

The table below provides a summary of the CIC's net position at December 31, 2017 and December 31, 2016.

Net Position		
	2017	2016
<u>Assets</u>		
Current assets	\$ 78,609	\$ 75,866
Total assets	78,609	75,866
<u>Liabilities</u>

Total liabilities	7,702	7,269
<u>Net Position</u>		
Unrestricted	70,907	68,597
Total net position	\$ 70,907	\$ 68,597

Over time, net position can serve as a useful indicator of a government's financial position. At December 31, 2017, the CIC's net position totaled \$70,907.

At year-end, the CIC had capital assets consisted of equipment with cost and accumulated depreciation of \$1,316,860. There is no debt related to these capital assets. Capital assets are used to provide services and are not available for future spending.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2017**

NOTE 1 - DESCRIPTION OF THE REPORTING ENTITY

The New Albany Community Improvement Corporation (the “CIC”) was formed pursuant to Ordinance O-15-2006 passed April 4, 2006 and incorporated as a not-for-profit corporation under Title XVII, Chapters 1702 and 1724 of the Ohio Revised Code for the purpose to advance, encourage, and promote industrial, economic, commercial and civic development of the City of New Albany (the “City”). The CIC has been designated as the City’s agent for industrial and commercial distributions and research development.

The Board of Trustees is to be comprised of nine members. The following four elected or appointed officials of the City of New Albany (“City Representatives”) constitute four of the members of the Board of Trustees: Mayor (or appointed permanent designee), Council President Pro Tempore (or permanent designee), City Administrator and the City Director of Development. The City Representatives hold office for as long as they hold their position at the City. In addition to the four City Representatives, there are five members appointed by a majority vote of City Council (“Trustees at Large”). Three of the Trustees at Large will serve a term of three years. The two remaining Trustees at Large will serve a term of two years.

The City is a charter municipal corporation incorporated under the laws of the State of Ohio. In accordance with the Governmental Accounting Standards Board (GASB) Statement No. 14, as amended by GASB Statement No. 39, *The Financial Reporting Entity*, and GASB Statement No. 61, *The Financial Reporting Entity: Omnibus*, the City’s primary government and basic financial statements include component units which are defined as legally separate organizations for which the City is financially accountable. Financial accountability is defined as the appointment of a voting majority of the organization’s board and either 1) the City’s ability to impose its will over the organization, or 2) the possibility that the organization will provide a financial benefit or impose a financial burden to the City. The CIC is a legally separate entity and is reported by the City as a discretely presented component unit in the City’s basic financial statements. The CIC is reported as a component unit of the City due to the City’s ability to impose its will on the operations of the CIC. The CIC does not have any component units and does not include any other organizations in its presentation. The CIC’s management believes these basic financial statements present all activities for which the CIC is financially accountable.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The basic financial statements of the CIC have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. GASB is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The CIC’s significant accounting policies are described below.

A. Basis of Accounting

The basic financial statements of the CIC are prepared using the accrual basis of accounting in conformity with GAAP.

B. Basis of Presentation

The CIC’s basic financial statements consist of a statement of net position, a statement of revenues, expenses and change in net position, and a statement of cash flows.

**NEW ALBANY
COMMUNITY IMPROVEMENT CORPORATION
(A Component Unit of the City of New Albany)**

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2017

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

The CIC distinguishes operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with the CIC's principal ongoing operation. The principal operating revenues of the CIC are contributions from the City and real estate rental income. Operating expenses for the CIC primarily include depreciation expense on capital assets purchased by the CIC and purchased services. All revenues and expenses not meeting these definitions are reported as nonoperating revenues and expenses. The CIC did not have any nonoperating expenses in 2017.

C. Federal Income Tax

The New Albany Community Improvement Corporation is exempt from federal income tax under Section 501 (c) (3) of the Internal Revenue Code.

D. Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, all cash in the CIC's checking account and insured cash sweep (ICS) account is considered to be cash and cash equivalents. All monies received by the CIC are deposited in a demand deposit account.

E. Capital Assets and Depreciation

The CIC's capital assets consist of equipment which is recorded at cost. The CIC maintains a capitalization threshold of \$5,000. Improvements are capitalized; however, the costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized.

The CIC's equipment is depreciated using the straight-line method over an estimated useful life of five years.

F. Accrued Liabilities

The CIC has recognized certain expenses due, but unpaid as of December 31, 2017. These expenses are reported as accrued liabilities in the accompanying financial statements.

G. Prepayments

Certain payments to vendors reflect the costs applicable to future accounting periods and are recorded as prepaid items in the statement of net position. These items are reported as assets on the statement of net position using the consumption method. A current asset for the prepaid amounts is recorded at the time of the purchase and the expense is reported in the year in which services are consumed.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2017

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

H. Net Position

Net position represents the difference between assets and liabilities. Investment in capital assets consists of capital assets, net of accumulated depreciation. Net position is reported as restricted when there are limitations imposed on their use through external restrictions imposed by creditors, grantors, or laws or regulations of other governments. The CIC has no restricted net position.

I. Estimates

The preparation of the basic financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the basic financial statements and accompanying notes. Actual results may differ from those estimates.

NOTE 3 - DEPOSITS

At December 31, 2017, the carrying amount of the CIC's deposits was \$67,342. Based on the criteria described in GASB Statement No. 40, "Deposits and Investment Risk Disclosures", as of December 31, 2017, the entire bank balance of \$67,342 was covered by the Federal Deposit Insurance Corporation. There are no significant statutory restrictions regarding the deposits and investments of funds held by the not-for-profit corporation.

NOTE 4 - CAPITAL ASSETS

Capital asset activity for the year ended December 31, 2017, was as follows:

	<u>Balance</u> <u>12/31/16</u>	<u>Additions</u>	<u>Deductions</u>	<u>Balance</u> <u>12/31/17</u>
<i>Capital assets, being depreciated:</i>				
Equipment	\$ 1,316,860	\$ -	\$ -	\$ 1,316,860

Total capital assets, net	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 5 - LITIGATION

The CIC is involved in no material litigation as either plaintiff or defendant.

**NEW ALBANY
COMMUNITY IMPROVEMENT CORPORATION

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2017**

NOTE 6 - CONTRIBUTIONS FROM CITY OF NEW ALBANY

The CIC received \$140,000 in contributions from the City during the year.

NOTE 7 - RISK MANAGEMENT

The CIC is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to contracted personnel; and natural disasters. For 2017, the CIC had property and casualty insurance through Westfield Insurance.

Settled claims have not exceeded commercial coverage in the past three years. There was no significant reduction in coverage from the prior year.

NOTE 8 - ACCOUNTS RECEIVABLE

The CIC is the lessee of a building located at 8000 Walton Parkway, New Albany which includes Phase I and Phase II space. As the lessee, the CIC entered into an operating lease and makes monthly payments of \$7,578. The lease is effective until July 31, 2019. The CIC subleases office space in the building to start-up businesses in the City. As a lessor, the CIC charges rent and internet subscription fees to tenants. The CIC also receives a monthly revenue sharing amount with WOW Business Partner Alliance. There was \$9,705 in accounts receivable as of December 31, 2017.

NOTE 9 - AGREEMENT WITH REV1 VENTURES

On July 15, 2012, the CIC entered into an agreement with Rev1 Ventures (formerly "TechColumbus"), a non-profit organization of technology based companies, higher education and research organizations and local governments in the Central Ohio region. Rev1 Ventures will help the City facilitate entrepreneurship and improve the chances of establishing successful technology enterprises. Rev1 Ventures agrees to provide the following: service territory definition, staffing, "deal flow" stimulation; access to entrepreneurial assistance programs and TechColumbus relationships; access to funding/capital and budget. During 2017, the CIC made contributions of \$25,000 to Rev1 Ventures.

NOTE 10 - CHANGE IN ACCOUNTING PRINCIPLES

For 2017, the CIC has implemented GASB Statement No. 80, "*Blending Requirements for Certain Component Units - An Amendment of GASB Statement No. 14*", GASB Statement No. 81 "*Irrevocable Split-Interest Agreements*", and GASB Statement No. 82, "*Pension Issues - An Amendment of GASB Statements No. 67, No. 68, and No. 73*".

GASB Statement No. 80 amends the blending requirements for the financial statement presentation of component units. The additional criterion requires blending of a component unit incorporated as a not-for-profit corporation in which the primary government is the sole corporate member. The implementation of GASB Statement No. 80 did not have an effect on the financial statements of the CIC.

GASB Statement No. 81 improves the accounting and financial reporting for irrevocable split-interest agreements by providing recognition and measurement guidance for situations in which a government is a beneficiary of the agreement. The implementation of GASB Statement No. 81 did not have an effect on the financial statements of the CIC.

FOR THE YEAR ENDED DECEMBER 31, 2017

NOTE 10 - CHANGE IN ACCOUNTING PRINCIPLES - (Continued)

GASB Statement No. 82 addresses issues regarding (1) the presentation of payroll-related measures in required supplementary information, (2) the selection of assumptions and the treatment of deviations from the guidance in an Actuarial Standard of Practice for financial reporting purposes, and (3) the classification of payments made by employers to satisfy employee (plan member) contribution requirements. The implementation of GASB Statement No. 82 did not have an effect on the financial statements of the CIC.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

New Albany Community Improvement Corporation
Franklin County
99 West Main Street
New Albany, Ohio 43054

To the Board of Trustees:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the New Albany Community Improvement Corporation, Franklin County, a component unit of the City of New Albany, (the CIC) as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the CIC's financial statements and have issued our report thereon dated June 6, 2018.

Internal Control over Financial Reporting

As part of our financial statement audit, we considered the CIC's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not to the extent necessary to opine on the effectiveness of the CIC's internal control. Accordingly, we have not opined on it.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the CIC's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Compliance and Other Matters

As part of reasonably assuring whether the CIC's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the CIC's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the CIC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
