Independent Accountants' Report on Applying Agreed-Upon Procedures

March 22, 2019

Secretary of State of Ohio
Republican Executive Committee
Highland County
230 North High Street
Hillsboro, Ohio 45133

We have performed the procedures enumerated below, which were agreed to by the Republican Executive Committee, the management of the Highland County Republican Executive Committee (the Committee), the Secretary of State and the Auditor of State, on compliance requirements listed in Ohio Rev. Code Sections 3517.1012, 3517.13 (X)(1), 2(b), (3)(a), and (4), 3517.17 and 3517.18 for certain receipts, expenditures and restricted funds for the year ended December 31, 2018, included in the information provided to us by the management of the Committee. The Committee is responsible for the compliance of those requirements related to receipts, disbursements and restricted funds. The sufficiency of the procedures is solely the responsibility of the parties specified in this report.

Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Cash Receipts

1. We inquired of the Committee whether they deposited all gifts from corporations, labor organizations and all gifts restricted to operations into the same fund into which they deposit amounts received from the State Tax Commissioner. Management informed us they received no such gifts.
2. We footed each *Statement of Political Party Restricted Fund Deposits* Ohio Rev. Code Section 3517.17 requires (Deposit Form 31-CC), filed for 2018. We found no computational errors.
3. We compared bank deposits reflected in 2018 restricted fund bank statements to total deposits recorded in Deposit Forms 31-CC filed for 2018. The bank deposit amounts agreed to the deposits recorded in the Form.
4. We inspected the Committee's 2018 bank statements and observed they reflected one payment received from the State Tax Commissioner pursuant to Ohio Rev. Code 3517.17(A). The Deposit Forms 31-CC reported the payment without exception

5. We inspected other recorded 2018 receipts for evidence that a corporation or labor organization may have exceeded the \$10,000 annual gift limit Ohio Rev. Code 3517.13(X)(3)(a) imposes. We found no evidence that any corporation or labor organization exceeded this limit.

Cash Reconciliation

1. We recomputed the mathematical accuracy of the December 31, 2018 reconciliation for the bank account used for receipts and disbursements restricted pursuant to Ohio Rev. Code Section 3517.1012(A). We found no computational errors.
2. We agreed the bank balance on the reconciliation to the bank statement balance as of December 31, 2018. The balances agreed.

Cash Disbursements

1. We footed each Statement of Political Party Restricted Fund Disbursements Ohio Rev. Code Section 3517.17 requires Disbursement Form 31-M, filed for 2018. No exceptions were found as a result of applying the procedure.
2. Per Ohio Rev. Code 3517.13(X)(1), we inspected Disbursement Form 31-M filed for 2018 and inquired of management whether they transferred any cash from the restricted fund to any other political party account into which contributions may be made or from which contributions or expenditures may be made. We found no evidence of prohibited transfers.
3. We compared the amounts on checks or other disbursements reflected in 2018 restricted fund bank statements to disbursement amounts reported on Disbursement Forms 31-M filed for 2018. We found no discrepancies.
4. We inspected the payee for each 2018 disbursement for evidence that it might represent a contribution or campaign-related disbursement, both of which Ohio Rev. Code 3517.13(X)(2)(b) prohibit. We found no evidence that any restricted fund disbursements represented contributions or campaign-related disbursements.
5. We inspected each 2018 restricted fund disbursement recorded on Form 31-M for evidence that it represented a transfer from the restricted fund to any other state or county political party, which Ohio Rev. Code 3517(X)(4) prohibits. We found no evidence of any transfers.
6. We compared the purpose of each disbursement listed on 2018 Disbursement Forms 31-M to the purpose listed on the vendor invoice and to the purposes Ohio Rev. Code Section 3517.18 permits. We found no instances where the purpose described on the invoice violated the restrictions of Ohio Rev. Code Section 3517.18.
