3. We agreed the totals per the bank reconciliations to the total of the December 31, 2018 and 2017 fund cash balances reported in the Fund Status Report. The amounts agreed.
4. We confirmed the December 31, 2018 bank account balance with the Village's financial institution. We found no exceptions. We observed the remaining year-end bank balances on the financial institution's website. The balances agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2018 bank reconciliation without exception.

Cash and Investments (Continued)

5. We selected a sample (agreed upon) of five reconciling debits (such as outstanding checks) from the December 31, 2018 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the payment listing report, to determine the debits were dated prior to December 31. There were no exceptions.
6. We inspected investments held at December 31, 2018 and December 31, 2017 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2018 and one from 2017:
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Revenue Ledger. The amounts agreed.

3. We selected a sample (agreed upon) of five receipts from the State Distribution Transaction Lists (DTL) from 2018 and five from 2017. We also selected a sample (agreed upon) of five receipts from the Greene County Vendor Report from 2018 and five from 2017.
 - a. We compared the amount from the above reports to the amount recorded in the Receipt Detail Report. The amounts agreed.
 - b. We inspected the Receipt Detail Report to determine that these receipts were allocated to the proper funds. We found no exceptions.
 - c. We inspected the Receipt Detail Report to determine whether the receipts were recorded in the proper year. We found no exceptions.

Income Tax Receipts

1. We selected a sample (agreed upon) of five income tax returns filed during 2018 and five from 2017.

 - b. We compared the bank deposit slip total from procedure a. to the amount recorded as income tax receipts in the Receipt Detail Report for that date. The amounts agreed.
4. We compared the date of the receipts to the date the receipts was posted in the Receipt Detail Report to determine whether the receipts were recorded in the year received. We found no exceptions.

Income Tax Receipts (Continued)

5. We selected a sample (agreed upon) of five income tax refunds from 2018 and five from 2017.
 - a. We compared the refund paid from Payment Register Detail Report to the refund amount requested in the tax return. The amounts agreed.
 - b. We observed the approval on each of the refunds. There was no indication that the Village has a process of approving income tax refunds. Policies and procedures should be implemented to verify that all income tax refunds are properly authorized. This will reduce the likelihood of clerical errors going unnoticed while providing oversight over a significant revenue source
 - c. We observed the refunds were paid from the Income Tax Fund, as is required.

Over-The-Counter Cash Receipts

We selected a sample (agreed upon) of 10 over-the-counter cash receipts from the year ended December 31, 2018 and 10 over-the-counter cash receipts from the year ended 2017 recorded in the Invoice/Receipt Packet and:

- a. Agreed the receipt amount to the amount recorded in the Receipt Detail Report. The amounts agreed.
- b. Confirmed the amounts charged complied with rates in force during the period. We found no exceptions.
- c. Inspected the Receipt Detail Report to determine the receipt was posted to the proper fund, and was recorded in the proper year. We found no exceptions.

Water and Sewer Fund

1. We selected a sample (agreed upon) of 10 Water and Sewer Fund collection cash receipts from the year ended December 31, 2018 and 10 Water and Sewer Fund collection cash receipts from the year ended 2017 recorded in the Receipt Detail Report and determined whether the:
 - a. Receipt amount per the Receipt Detail Report agreed to the amount recorded to the credit of the customer's account in the Individual Customer History Report. The amounts agreed.

 - b. Of the total receivables reported in the preceding procedure, \$259 and \$401 were recorded as more than 90 days delinquent.
3. We observed the Water/Sewer Adjustments Report.

 - b. We selected a sample (agreed upon) of five non-cash adjustments from 2018 and five non-cash adjustments from 2017, and observed that the Board of Public Affairs approved adjustments that were due to leaks and all other adjustments were approved by the Fiscal Officer.

Debt

1. From the prior 2016 Financial Audit obtained from AOS website documentation, we observed the following notes and loan were outstanding as of December 31, 2016. These amounts agreed to the Villages January 1, 2017 balances on the summary we used in procedure 3.

Issue	Principal outstanding as of December 31, 2016:
OPWC 2004 Note for Construction	\$ 70,195
OPWC 2012 Note for Sanitary Sewer	\$ 107,260
OWDA 2004 Note for Construction	\$ 3,098,795
OWDA 2012 Construction note for the Sanitary Sewer	\$ 510,259
Security National Bank 2015 loan	\$ 232,506
Total Debt Outstanding	\$4,019,015

2. We inquired of management, and inspected the Receipt Detail Report and Payment Register Detail Report for evidence of debt issued during 2018 or 2017 or debt payment activity during 2018 or 2017. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of bonds, notes, and loans debt activity for 2018 and 2017 and agreed principal and interest payments from the related debt amortization schedules to debt service fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Village made the payments. We found no exceptions.
4. We agreed the amount of debt proceeds from the debt documents to amounts recorded in the General Fund per the Receipt Detail Report. The amounts agreed. The Village recorded the bond proceeds in the General Fund. Ohio Rev. Code § 5705.09(E) requires establishing a special bond fund for each bond issue (i.e. capital projects fund). Failure to do so could result in material misstatements on the financial statements and finding for adjustment in future audits.
5. For new debt issued during 2018, we inspected the debt legislation, which stated the Village must use the proceeds to pay part of the cost of acquiring a street sweeper and related equipment. We inspected the Payment Register Detail Report and observed the Village purchased a street sweeper in August of 2018.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2018 and one payroll check for five employees from 2017 from the Employee General Information Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Employee General Information Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the Employee Folders containing Timesheets and Salary Notices. We also confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2018 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period during 2018. We observed the following:

Payroll Cash Disbursements (Continued)

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid

OPERS retirement	January 31, 2019	January 14, 2019	\$10,109	\$10,109
OP&F retirement	January 31, 2019	January 14, 2019	\$6,969	\$6,969

3. We selected and recomputed one termination payment (unused vacation, etc.) using the following information, and agreed the computation to the amount paid as recorded in the Employee Detail Adjustment Report:
 - a. Accumulated leave records
 - b. The employee's pay rate in effect as of the termination date
 - c. The Village's payout policy.

The amount paid was consistent with the information recorded in a. through c. above.

Non-Payroll Cash Disbursements

1. We selected a sample (agreed upon) of 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2018 and 10 from the year ended 2017 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. We compared the total estimated receipts from the [Amended Certificate of Estimated Resources](#) required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Police Protection and Water Operating funds for the years ended December 31, 2018 and 2017. The amounts agreed.
2. We inspected the appropriation measures adopted for 2018 and 2017 to determine whether, for the General, Police Protection and Water Operating funds, the Council appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.

Compliance – Budgetary (Continued)

3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2018 and 2017 for the following funds: General, Police Protection, and Water Operating funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status Report.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Police Protection and Water Operating funds for the years ended December 31, 2018 and 2017. There were no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2018 and 2017 for the General, Police Protection and Water Operating fund, as recorded in the Appropriation Status Report. We observed no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We inspected the Revenue Receipt Register for evidence of new restricted receipts requiring a new fund during December 31, 2018 and 2017. We also inquired of management regarding whether the Village received new restricted receipts. We observed no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Village to establish a new fund.
7. For funds existing in prior years, we inspected the fund activity to determine whether the fund is still being used for the statutorily approved purpose and that all the required funds were established. All the required funds were established and no funds for which the statutorily approved purpose was no longer valid were included on the accounting records.
8. We inspected the 2018 and 2017 Interfund Transfer Listing for evidence of interfund transfers exceeding \$1,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner (effective after June 30, 2017) or Court of Common Pleas (effective through June 30, 2017).
9. We inquired of management and inspected the Fund Status Reports to determine whether the Village elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. The Village did not establish these reserves.

We inquired of management and inspected the Appropriation Status Reports to determine whether the Village elected to establish a contingency, not designated for any particular purpose (contingency reserve balance - spending reserve) permitted by Ohio Rev. Code Section 5705.29(A)(1). The Village did not establish these reserves.
10. We inspected the Cash Summary by Fund Report for the years ended December 31, 2018 and 2017 for negative cash fund balance. Ohio Rev. Code Section 5705.10(l) provides that money paid into a fund must be used only for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

Compliance – Contracts & Expenditures

We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2018 and 2017 to determine if the Village proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project exceeding \$30,000) or to construct or reconstruct Village roads (cost of project \$30,000/per mile) for which Ohio Rev. Code Sections 117.16(A) and 723.52 requires the Village engineer, or officer having a different title but the duties and functions of an engineer, to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the completion of the force account assessment form.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires villages to file their financial information with the Auditor of State 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Village filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2018 and 2017 in the Hinkle system. There were no exceptions.
2. We inquired of the fiscal officer and inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code Section 507.12 and 733.81. Fiscal Officer obtained the required training.
3. Ohio Rev. Code § 109.60(A)(1) requires Law Enforcement of Villages to report specific information to the Bureau of Criminal Identification and Investigation (BCI) for certain offenses. Village Law Enforcement shall immediately upon arrest of any person (or taking into custody for any child under 18) take and forward the person's or child's fingerprints. We inspected the Village's Ohio Bureau of Criminal Identification and Investigation Final Disposition form to determine if there is an established method of fingerprint submission to BCI. The Village has an established method for fingerprint submission to BCI.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
