## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Wright Memorial Public Library  
Montgomery County  
1776 Far Hills Avenue  
Dayton, Ohio 45419

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Wright Memorial Public Library (the Library), on the receipts, disbursements and balances recorded in the Library's cash basis accounting records for the years ended December 31, 2018 and 2017 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Library. The Library is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2018 and 2017 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Library. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

### Cash and Investments

1. We recalculated the December 31, 2018 and December 31, 2017 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2017 beginning fund balances recorded in the Fund Status Report to the December 31, 2016 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2018 beginning fund balances recorded in the Fund Status Report to the December 31, 2017 balances in the Fund Status Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2018 and 2017 fund cash balances reported in the Fund Status Report. The amounts agreed.
4. We confirmed the December 31, 2018 bank account balances with the Library's financial institutions for the Library's checking, sweep, and investment accounts. We found no exceptions. We observed the year-end bank balances on the financial institution's website for the Library's StarOhio and StarPlus accounts. The balances agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2018 bank reconciliation without exception.
5. We selected a sample (agreed upon) of five reconciling debits (such as outstanding checks) from the December 31, 2018 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

6. We traced interbank account transfers occurring in December of 2018 and 2017 to the accounting records, bank statements, and reconciliations to determine if they were properly recorded. We found no exceptions.
7. We inspected investments held at December 31, 2018 and December 31, 2017 to determine that they:
  - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
  - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

### **Public Library Fund Receipts**

- a. We compared the amount from the Montgomery County Auditor's Office Tax Settlement Distribution Report to the amount recorded in the Receipt Detail Register Report. The amounts agreed.
- b. We inspected the Receipt Detail Register Report and observed these receipts were posted to the General Fund. We found no exceptions.
- c. We inspected the Receipt Detail Register Report and observed the receipts were recorded in the proper year. We found no exceptions.
- d. We inspected the Receipt Detail Register Report to determine whether it included one PLF receipt per month for 2018 and 2017. We found no exceptions.

### **Property Taxes and Intergovernmental**

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2018 and one from 2017:
  - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Register Report. We also traced the advances noted on the Statement to the Receipt Register Report. The amounts agreed.
  - b. We inspected the Receipt Register Report to confirm whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts plus four advances for 2018 and three advances 2017. The Receipt Register Report included the proper number of tax receipts for each year.
3. We selected all receipts from the State Distribution Transaction Lists (DTL) from 2018 and all from 2017.
  - a. We compared the amount from the above reports to the amount recorded in the Receipt Detail Register Report. The amounts agreed.

The Library received an LTSA Summer Reading Program Grant in 2017 from the State Library of Ohio. The grant proceeds, and related disbursements, of \$1,200 were recorded in the General fund; however, the Library should have accounted for the grant in a Special Revenue fund as it was a restricted revenue source. The Library should implement policies and procedures to verify that restricted monies are posted to the proper fund type. Failure to do so could result in monies not being expended in accordance with outside restrictions.

- c. We inspected the Receipt Detail Register Report to determine whether the receipts were recorded in the proper year. We found no exceptions.

We selected a sample (agreed upon) of 10 over-the-counter cash receipts from the year ended December 31, 2018 recorded in the duplicate cash receipts book and:

- a. Agreed the receipt amount to the amount recorded in the Receipt Register Report. The amounts agreed.

2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2018 or 2017 or debt payment activity during 2018 or 2017. There were no new debt issuances, nor any debt payment activity during 2018 or 2017.

**Payroll Cash Disbursements**

1. We selected one payroll check for five employees from 2018 and one payroll check for five employees from 2017 from the Payroll Journal Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Payroll Journal Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We inspected the fund and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the employees' personnel files. We also confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2018 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2018. We observed the following:

We agreed the total gross payroll and withholdings per month to the Library's Payment Register Detail Report. We found no exceptions.

### **Non-Payroll Cash Disbursements**

The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status Report.
2. Ohio Admin. Code Section 117-8-02 prohibits spending in excess of budgeted amounts. We compared total expenditures to total appropriations for the years ended December 31, 2018 and 2017 for the General and Capital Projects funds, as recorded in the Appropriation Status Report. We observed that no funds for which expenditures exceeded appropriations.

### **Other Compliance**

1. Ohio Rev. Code Section 117.38 requires libraries to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Library filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2018 and 2017 in the Hinkle system. There were no exceptions.

2. For all credit card accounts we obtained:
  - copies of existing internal control policies,
  - a list of authorized users, and
  - a list of all credit card account transactions.
- a. We inspected the established policy obtained above and determined it was implemented by the Library. We found no exceptions.
- b. We selected 3 credit card transactions for testing. For selected transactions we inspected documentation to determine that:
  - i. Use was by an authorized user within the guidelines established in the policy, and
  - ii. Each transaction was supported with original invoices and for a proper public purpose.We found no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination, or review, the objective of which would be the expression of an opinion or conclusion, respectively on the Library's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Library's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2018 and 2017, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
