

PDF Document Quick Guide

Submission to the Hinkle System requires an upload of the complete unaudited financial statements, including notes to the financial statements. This Quick Guide will include:

- Required Components of the Full Unaudited Financial Statements
- Requirements of the Upload File
- Converting/Merging a PDF Document

Required Components of the Full Unaudited Financial Statements:

The components of the full reporting package vary by basis of accounting as follows:

- **Regulatory Cash Basis Entities (commonly referred to as AOS basis):**
 - Basic Financial Statements
 - Statement(s) (or Combined Statement(s)) of Receipts, Disbursements and Changes in Fund Balances
 - Notes to the Basic Financial Statements
- **Governmental Entities (including Governmental Nonprofit Entities) filing GAAP, OCBOA Cash or OCBOA Modified Cash Basis:**
 - Management's Discussion & Analysis (GAAP – Required, Cash & Modified Cash-Optional; however, include if prepared)
 - Basic Financial Statements
 - Government-Wide Financial Statements
 - Fund Financial Statements
 - Notes to the Basic Financial Statements
 - Any Other Required Supplementary Information
- **Nongovernmental Nonprofit Entities filing GAAP, Cash or Modified Cash Basis:**
 - Basic Financial Statements
 - Statement of Financial Position
 - Statement of Activities (also known as Statement of Changes in Net Assets)
 - Statement of Functional Expenses – required for voluntary health and welfare organization, optional for all other nonprofit organizations
 - Statement of Cash Flows (GAAP only)
 - Notes to the Financial Statements
 - Any Other Required Supplementary Information

Requirements of the Upload File:

- File must be **one** Adobe Acrobat PDF file. **(Warning! Attempting to upload more than one file will result in only the last file uploaded being submitted to the Auditor of State.)**
- File must be less than 30MB

Converting/Merging a PDF Document:

Converting Word/Excel files to PDF:

Open the Word or Excel document. Click the **File** menu and click the **Save As** button and a **Save As** window will open (see Figure 1).

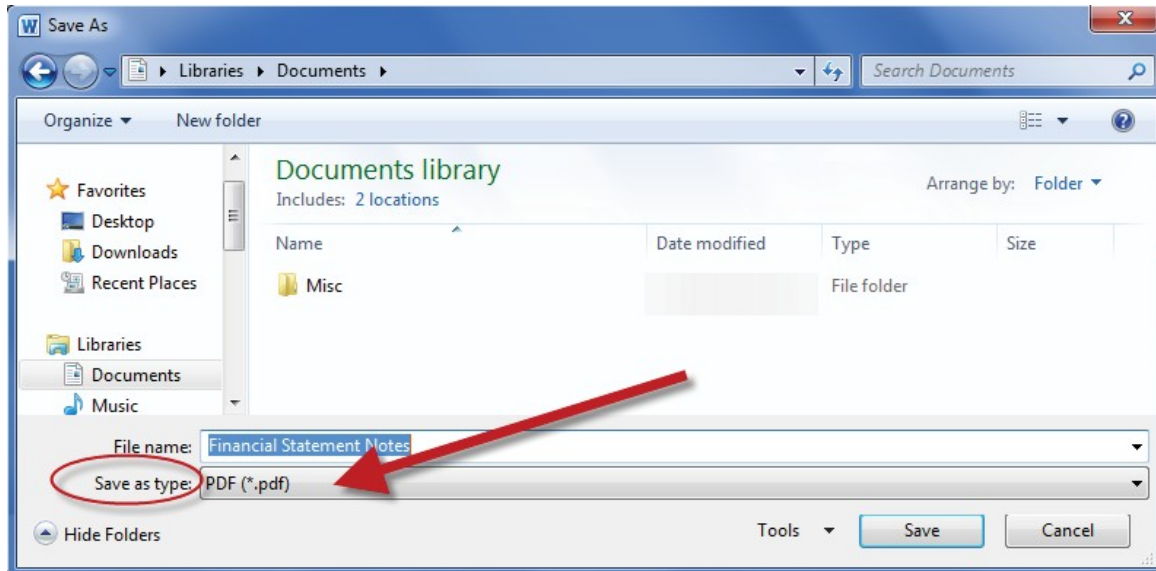

Figure 1

If needed, use the browsing pane on the left to browse to the file folder location in which you would like to save the file (for example, the Documents folder). Confirm or edit the **File name** field to name the PDF document that will be created. Click the **Save as type** drop-down menu and select **PDF (*.pdf)**. Then click the **Save** button and a PDF file version of your Word/Excel document will be saved to the location you previously selected. Depending on the computer's Microsoft default options, it may or may not automatically open the PDF after processing. If it does not, click the Window's start button, type "Windows Explorer" to open the Window's Explorer file browser and browse to the location that you saved the file to view and confirm it was saved correctly.

Converting Other Software:

Many software programs give users the ability to save your files in a PDF format by clicking Save As and selecting PDF as the file format.

HINKLE Annual Financial Data Reporting

PDF Document Quick Guide

If you are using older software, you can find many free PDF converters by going to Google or Bing and searching Free PDF converter. One such site is <https://smallpdf.com/>. **Note: YOU DO NOT NEED TO LOG IN or SIGN UP, or PAY FOR USE OF THIS WEBSITE. However, you can only perform two free tasks within a one hour period. If you need to perform more than two tasks, you will need to wait an hour in order to complete additional tasks for free.**

Converting using Smallpdf.com

Using the link, <https://smallpdf.com> the following window opens (See Figure 2), which provides the ability to convert an Excel or Word file to PDF. To convert a file, click on the box for the file type you are converting. For example for a Word file, click on the blue **Word to PDF** box, or for an Excel file, click on the green **Excel to PDF** box.

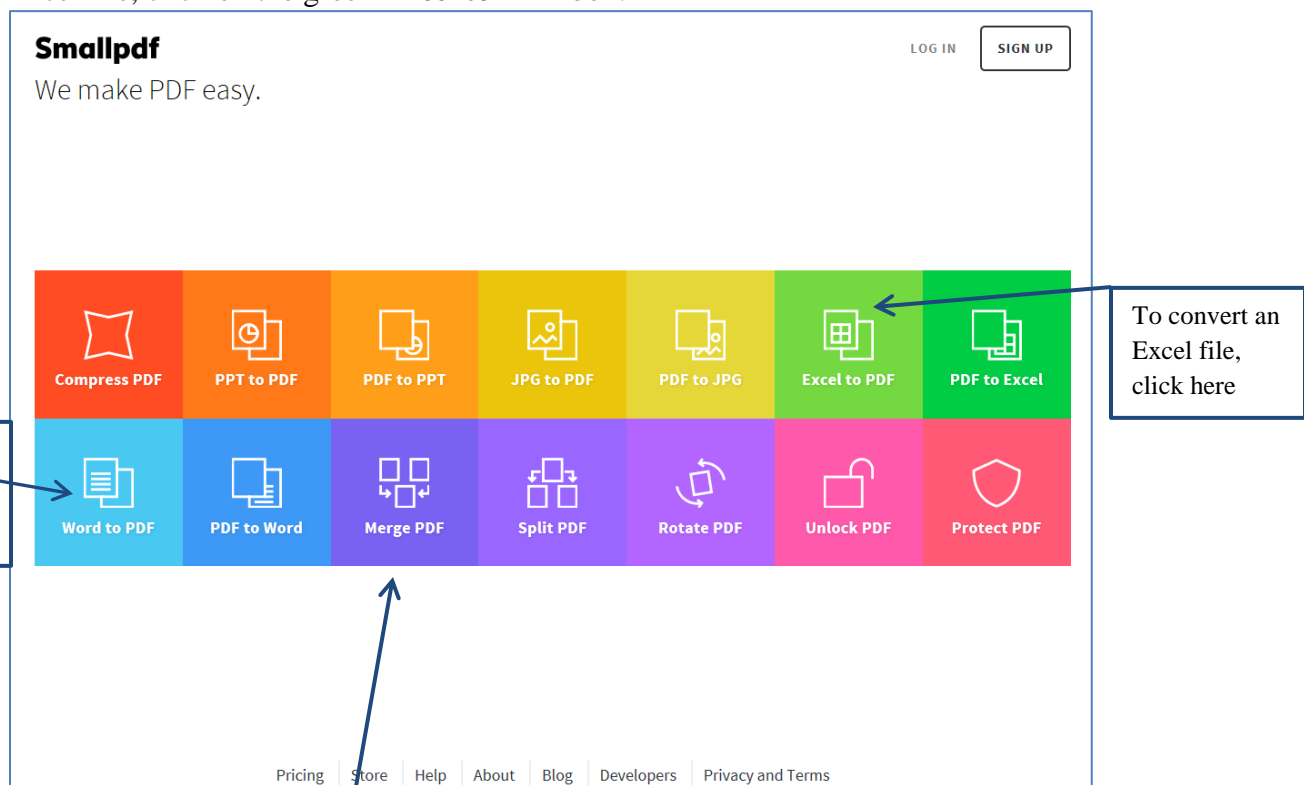

Figure 2
